O & K AMERICAN CORP.
401(K) SAVINGS & INVESTMENT PLAN

AUDIT REPORT
December 31, 2025 and 2024

INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor of the O & K American Corp. 401(k) Savings & Investment Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of O & K American Corp. 401(k) Savings & Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2025, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Savings & Investment Plan

Notes to the Financial Statements
As of December 31, 2025 and 2024, and for the Year Ended December 31, 2025

NOTE 1 – PLAN DESCRIPTION

The following description of the O & K American Corp. 401(k) Savings & Investment Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

A. GENERAL

The Plan is a defined contribution plan covering eligible employees of O & K American Corp. (the "plan sponsor"). The plan sponsor administers the Plan and funds contributed under the Plan are held, invested and distributed by the trustee acting under trust agreements between the trustee and the plan sponsor in which all transactions are participant directed. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

B. ELIGIBILITY

Employees are eligible to participate in the Plan upon attaining age 21 on the entry date subsequent to the six-month anniversary of the employee's commencement date. Leased employees, contractors, security staff, janitorial staff, commissioned sales representatives and international transfer employees eligible to receive benefits from a retirement plan in their country of origin are not eligible to participate in the Plan.

Effective November 22, 2024**,** the Plan Sponsor amended the Plan to voluntarily adopt the automatic enrollment and escalation provisions of Section 101 of the SECURE 2.0 Act of 2022, ahead of the mandatory effective date of January 1, 2025. Newly eligible employees and, in a one-time re-solicitation, current participants with a 0% deferral rate as of that date, are automatically enrolled at a 1% elective deferral rate, increasing 1% annually to a maximum of 4%, unless they opt out or elect a different rate.

This change was implemented with the first payroll cycle following adoption and was communicated through updated plan documents, enrollment materials, and required notices. The Plan Sponsor made this change to increase participation and promote retirement savings.

Eligible employees may also receive an annual discretionary contribution from the plan sponsor upon attaining their one-year anniversary as well as being actively employed by the plan sponsor as of the last day of the calendar year.

C. CONTRIBUTIONS

Participants may contribute up to 100% of their compensation, as defined in the Plan, subject to Internal Revenue Service (IRS) limitations. Those participants who are age 50 or over by the end of the calendar year are eligible to make catch-up contributions up to the IRS limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan also allows for Roth (after tax) contributions.

The employer may make an annual discretionary contribution. This contribution is to be made at the sole discretion of the plan sponsor and shall not exceed the maximum deductible amounts used to determine taxable income under the Internal Revenue Code. The plan sponsor elected to contribute 3% of participants' eligible compensation for the plan years ended December 31, 2025 and 2024, which is the maximum percent allowed based on the plan sponsor's employee handbook.

NOTE 1 – PLAN DESCRIPTION – (CONTINUED) –

D. PARTICIPANT ACCOUNTS

Participants direct the investment of their contributions into various investment options offered by the Plan. Each participant's account is credited with the participant's contributions, employer contributions, allocations of Plan earnings, and charged administrative expenses. Allocations are based on the participant earnings or account balances.

E. VESTING

Participants are immediately vested in their contributions and the plan sponsor's discretionary contribution portion of their accounts, plus actual earnings thereon.

F. NOTES RECEIVABLE FROM PARTICIPANTS

A participant may borrow a minimum of $1,000 and maximum amount of the lesser of (1) $50,000 reduced by the excess of the highest outstanding plan loan balances during the year proceeding the date of the loan, or (2) 50% of the participant's vested interest in the Plan. Participant loans are secured by the balance in the participant's account. Participants may only have a maximum of two loans outstanding at any given time. The interest rate is determined by the plan administrator based on interest rates charged by persons in the business of lending money for loans under similar circumstances. The principal for a loan must be paid within a five year period unless the purpose of the loan is to acquire a principal place of residence, in which case, the loan may be repaid over a longer term. Plan loans must be repaid by salary deduction in equal payments of principal and interest each pay period and are recorded when received.

G. PAYMENT OF BENEFITS

Upon retirement, disability, or death, payment will be made in one lump sum or in installments. Upon termination of service prior to retirement, disability, or death, the participants whose vested balances exceed $5,000 may receive, based on their account balances, the vested portion of their accounts in a single lump-sum payment, in installments, or as a qualified rollover. Participants with less than $1,000 of vested benefits will receive a lump-sum distribution or can elect a rollover. In limited circumstances, distributions are permitted prior to termination of service: part or all of rollover contributions may be withdrawn in a single sum payment; all or part of a participant's vested balance may be paid in a single sum payment after reaching age 59.5, and upon financial hardship, as defined by the Plan Agreement.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. FINANCIAL REPORTING FRAMEWORK

The accompanying financial statements are prepared according to accounting principles generally accepted in the United States of America (GAAP), as promulgated by the Financial Accounting Standards Board (FASB) in the Accounting Standards Codification (ASC).

B. BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

C. ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain recorded amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED) –

D. PLAN EXPENSES

The plan sponsor pays most of the expenses of administering the Plan. Expenses associated with loans and disbursements are paid by the individual participants. Investment related expenses are charged to participant accounts and included in net appreciation (depreciation) of fair value of investments.

E. INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

F. NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are valued at cost, which approximates fair value. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document and applicable provisions of the Internal Revenue Code ("IRC").

Management evaluates the collectability of participant loans and considers factors such as repayment history, loan default experience and the nature of the loans, which are secured by the participants' vested account balances. As participant loans are collateralized by the borrowers' vested account balances and any unpaid balances are generally treated as deemed distributions in accordance with Plan provision and applicable tax regulations, management has determined that no allowance for credit losses is necessary as of December 31, 2025 and 2024.

G. PAYMENT OF BENEFITS

Benefits are recorded when paid.

H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

I. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 5, 2026, which is the financial statement issuance date. All items which are required for disclosure have been included in the accompanying financial statements and notes thereto.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan's investments are held in a trust fund administered by Fidelity Management Trust Company, the trustee of the Plan. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Net (depreciation) appreciation of the fair value of investments, interest and dividends, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4 – TAX STATUS

The Plan has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). The plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 – RELATED PARTY TRANSACTIONS

Certain plan investments consist of fund shares managed by Fidelity Investments, the custodian and Trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Also, the Plan has notes receivable from participants that qualify as party-in-interest transactions. Investments in shares managed by Fidelity Investments and the notes receivable from participants total $1,791,939 and $1,624,570, as of December 31, 2025 and 2024, respectively.

NOTE 6 – TERMINATION PRIORITIES

Although it has not expressed any intent to do so, the plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the plan administrator will facilitate distribution of the full account balances in a single lump sum payment to each participant.

NOTE 7 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The accounting framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

NOTE 7 – FAIR VALUE MEASUREMENTS – (CONTINUED) –

In accordance with the framework, the Plan groups assets and liabilities measured at fair value into three levels based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value. These levels are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methodologies and input used for assets and liabilities measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- *Mutual Funds:* Valued based on the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

- *Money Market Mutual Fund:* Valued at amortized cost, which approximates fair value. The amortized cost of an instrument is determined by valuing it at its original cost and thereafter amortizing any discount or premium from its face value at a constant rate until maturity. These securities are reflected at Level 2 as inputs used to determine fair value are not quoted prices in an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table classifies the investments measured at fair value on a recurring basis by level, within the fair value hierarchy, as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual Funds at Fair Value	$ 8,506,468	$ 498,370	$ -	$ 9,004,838

NOTE 7 – FAIR VALUE MEASUREMENTS – (CONTINUED) –

The following table classifies the investments measured at fair value on a recurring basis by level, within the fair value hierarchy, as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual Funds at Fair Value	$ 7,757,530	$ 517,287	$ -	$ 8,274,817
