Independent Auditors' Report

The Plan Administrator of
PNM Resources, Inc. Comprehensive Health Plan

Opinion

We have audited the financial statements of PNM Resources, Inc. Comprehensive Health Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of PNM Resources, Inc. Comprehensive Health Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and plan benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PNM Resources, Inc. Comprehensive Health Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PNM Resources, Inc. Comprehensive Health Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PNM Resources, Inc. Comprehensive Health Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PNM Resources, Inc. Comprehensive Health Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

(1) Plan Description

General

The PNM Resources, Inc. Comprehensive Health Plan (the "Plan") is a welfare benefit plan that provides benefits to eligible employees of TXNM Energy, Inc. ("TXNM"), formerly PNM Resources, Inc. ("PNMR") and participating subsidiaries (collectively, the "Company"). The Plan was adopted as of January 1, 2004 to provide benefits through the following programs:

- Medical program
- Dental program
- Vision program

Benefits provided under the Plan are paid by the Company directly and funded through participant premiums and Company contributions. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Eligible employees consist of full-time employees regularly scheduled to work at least 32 hours per week; or part-time or job-share employees regularly scheduled to work at least 20 hours per week; and, employees covered by a collective bargaining agreement if the collective bargaining agreement provides for participation in the Company's medical, dental, and vision plans. Information about the benefit provisions is contained in the employee's Summary Plan Description available from the Company's Benefits Department. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan covers medical, dental, and vision coverage for deceased employees' dependents for six months after the eligible employees' death.

On May 18, 2025, the Company, TroyParentCo LLC, a Delaware limited liability company ("Parent"), and Troy Merger Sub Inc., a New Mexico corporation and a direct subsidiary of Parent ("Merger Sub"), entered into an Agreement and Plan of Merger (the "Merger Agreement"), pursuant to which Merger Sub will merge with and into TXNM (the "Merger"), with TXNM surviving the Merger as a direct wholly-owned subsidiary of Parent. Parent and Merger Sub are affiliates of Blackstone Infrastructure Partners L.P. ("BIP"). The Merger is subject to certain regulatory approvals, including from the New Mexico Public Regulation Commission and is currently expected to close in the first half of 2027. Additional details related to the Merger can be found in the Company's Quarterly Report on Form 10-Q for the three and six months ended June 30, 2026 filed on July 31, 2026. The Company is currently unable to determine the full extent of the impacts that the Merger will have on the Plan.

Plan Benefits

The Plan provides medical, dental, and vision benefits to participants and to their beneficiaries and covered dependents. Medical claims of active participants, dependents, and beneficiaries are self-insured programs funded by participant paid premiums and employer contributions. Medical claims of participants, dependents and beneficiaries are processed by either Presbyterian Health Plan or Blue Cross Blue Shield of New Mexico and ExpressScripts, for prescriptions. Dental claims are processed primarily by the Delta Dental Plan of New Mexico ("Delta") and are also self-insured and funded by participant premiums. Vision claims are processed by Vision Service Plan and are fully-insured by participant premiums.

Claims are processed in accordance with the Patient Protection and Affordable Care Act ("PPACA") and the Health Care and Education Reconciliation Act of 2010. The Plan is not financially impacted by the PPACA as it does not qualify for the Medicare Part D subsidy.

Contributions and Funding Policy

Medical, dental, and vision benefits are funded by employer and participant contributions. A participant contributes amounts based on the type of coverage chosen. The Company pays monthly insurance premiums for the dental benefits. The Company contributes amounts to the Benefit Trust necessary to pay current medical and dental benefits to participants in accordance with the Plan provisions.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of the Plan and ERISA.

(2) Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers all highly liquid financial instruments purchased with an original issue maturity of three months or less to be cash equivalents.

Income Recognition

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Benefit Obligations

The total plan benefit obligation amount for year end is actuarially determined based on actual claims incurred and payment patterns. The total plan benefit obligation includes reported medical and dental claims and claims incurred but not reported.

Administrative and Other Expenses

Expenses incurred in processing medical and dental claims are paid to providers by the Plan.

Subsequent Events

GAAP defines subsequent events as events or transactions that occur after the balance sheet date but before financial statements are issued or are available to be issued. Based on their nature, magnitude, and timing, certain subsequent events may be required to be reflected at the balance sheet date and/or required to be disclosed in the financial statements. The Plan has evaluated subsequent events through September 24, 2026.

(3) Tax Status

The Internal Revenue Service ("IRS") issued a favorable determination letter which states that the Plan and the related trust are designed in accordance with the applicable sections of the IRC. Therefore, the Plan's net investment income is exempt from income taxes. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires the Plan to evaluate tax positions and recognize tax assets (liabilities) for uncertain tax positions that more likely than not would be sustained upon examination by the IRS. The Plan has no uncertain tax positions taken or expected to be taken as of December 31, 2025 and 2024. The Plan is subject to routine audits by taxing jurisdictions.
