**INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of
Koya Inc. 401(k) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Koya Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held for investment purposes as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain

additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of Koya Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

*General* - The Plan, established effective January 1, 2019 and amended and restated effective February 1, 2023, is a defined contribution plan which covers substantially all non-union employees of Koya Medical, Inc. (the "Sponsor") who have attained the age of 18. Employees are eligible to enter the Plan on the first day of the pay period after or coincident with the date the eligibility requirement is met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Basis of Accounting* - The Plan's financial statements are prepared under the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

*Use of Estimates* - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

*Contributions* - Participants may elect to contribute a portion of their pre-tax or post-tax compensation subject to certain limitations under the Internal Revenue Code (IRC). The Plan allows for participants who are age 50 or older to make catch-up contributions subject to limits established by the IRC and also accepts rollover contributions for eligible employees from other qualified plans.

The Plan's automatic enrollment provision provides for a 4% deferral for newly eligible employees, unless otherwise waived by the employee.

The Plan provides for discretionary matching contributions. During the year ended December 31, 2025, the Sponsor contributed 50% of the first 6% of eligible participant compensation. The Plan also provides for discretionary employer nonelective contributions. There were no discretionary employer nonelective contributions for the year ended December 31, 2025.

Participant and discretionary matching contributions to the Plan are recorded in the period during which the Sponsor makes payroll deductions from the participant's earnings. Discretionary employer nonelective contributions are recorded in the period earned.

*Participant Accounts* - Each participant's account is credited with the participant and applicable employer contributions and an allocation of the Plan's earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Investment Options* - Participants may direct their contributions and employer contributions into various investment options and may change their investment options at any time.

*Vesting* - Participants are immediately vested in their contributions and discretionary employer matching contributions plus actual earnings thereon. The discretionary employer nonelective contributions vest according to the following schedule:

| Years of Service | Percentage |
|---|---|
| Less than 1 | 0% |
| 1 but less than 2 | 25% |
| 2 but less than 3 | 50% |
| 3 but less than 4 | 75% |
| 4 or more | 100% |

*Forfeitures* - Forfeitures represent the non-vested portion of terminated participants' accounts. Forfeitures may be used to reduce employer contributions, pay Plan expenses, be added to employer discretionary or matching contributions and allocated in the same manner, or otherwise be allocated to participants, as defined in the Plan document. There were no forfeitures for the year ended December 31, 2025.

*Payment of Benefits* - Upon termination of employment or termination of service due to death, disability, or normal retirement, a participant or designated beneficiary may receive the value of their benefits in a lump-sum distribution. A participant may request a withdrawal from their account based upon financial hardship or at age 59½, as defined by IRC regulations. A hardship withdrawal may be granted to a plan participant for an event considered to be an immediate and heavy financial need of the participant. Benefits are reflected when they have been approved for payment and are paid by the Plan.

*Notes Receivable from Participants* – Participants may borrow a minimum of $1,000 up to the lesser of 50% of their vested account balance or $50,000, reduced by the highest outstanding loan balance during the preceding 12 months. The loans are secured by the vested balance in the participant's account and bear interest at a fixed rate of prime plus 1% as of the date the loan application is submitted. Interest rates on outstanding loans at December 31, 2025 and 2024 ranged from 7.75% to 9.5%. Repayment is required within five years or within ten years if the loan is for a primary residence. The loans are measured at their unpaid principal balance plus any accrued but unpaid interest.

*Administrative Expenses* - The Plan's expenses are paid by the Sponsor or by the Plan as provided by the plan document.

*Investment Valuation and Income Recognition* - The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

*Fair Value Measurements* - U.S. GAAP establishes a framework for measuring the fair value of financial assets and liabilities. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs are not quoted prices in active markets but they are observable either directly or indirectly.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's investments consist of mutual funds, which are valued at the daily closing price as reported by the fund. The mutual funds are open-ended funds registered with the Securities and Exchange Commission that publish a daily net asset value at which transactions occur. Accordingly, the mutual funds are classified as Level 1 measurements. There have been no changes to the valuation methodology used at December 31, 2025 or 2024.

The method described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting dates.

*Risks and Uncertainties* - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term

and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits.

*Subsequent Events* - Management has evaluated subsequent events through October 2, 2026, the date which the financial statements were available to be issued.

## 2. PLAN TERMINATION

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become 100% vested in their accounts.

## 3. INCOME TAX STATUS

The Plan operates under an adoption agreement in connection with a non-standardized pre-approved profit sharing plan from Guideline RK, LLC. The Internal Revenue Service has stated in a letter dated September 26, 2024 that the plan is acceptable for use by employers under IRC Section 401. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Management believes that there is no liability related to uncertain tax positions at December 31, 2025 or 2024. The Plan is no longer subject to tax examinations for years prior to December 31, 2022.

## 4. CERTIFIED FINANCIAL INFORMATION

Benefit Trust Company, the custodian, has certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of assets available for benefits as of December 31, 2025 and 2024.

- Investment activity and interest income on notes receivable from participants, as shown in the statement of changes in assets available for benefits for the year ended December 31, 2025.

- Investment information included in the schedule of assets held for investment purposes at December 31, 2025, as shown in the accompanying schedule.

## 5. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of assets available for benefits per the statements of assets available for benefits to the Form 5500 as of December 31, 2025 and 2024:

| | 2025 | 2024 |
|---|---|---|
| Assets available for benefits per the financial statements | $ 6,906,674 | $ 3,928,361 |

| Employer contributions receivable | (22,173) | (8,136) |
| Assets available for benefits per the Form 5500 | $ 6,857,234 | $ 3,897,358 |

The following is a reconciliation of the net increase in assets available for benefits per the statement of changes in assets available for benefits to the Form 5500 for the year ended December 31, 2025:

| | |
|---|---|
| Increase in assets available for benefits per the financial statements | $ 2,978,313 |
| Current year participant contributions receivable | (27,267) |
| Current year employer contributions receivable | (22,173) |
| Prior year participant contributions receivable | 22,867 |
| Prior year employer contributions receivable | 8,136 |
| Increase in assets available for benefits per the Form 5500 | $ 2,959,876 |

## 6. RELATED PARTIES AND PARTIES-IN-INTEREST

Benefit Trust Company serves as custodian of the Plan and Guideline RK, LLC, which was acquired by Gusto, Inc. during 2025, serves as the recordkeeper.

Neither the Sponsor nor the employees of the Sponsor involved in administering the Plan receive any compensation from the Plan.

**INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of
Koya Inc. 401(k) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Koya Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held for investment purposes as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain

additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of Koya Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

*General* - The Plan, established effective January 1, 2019 and amended and restated effective February 1, 2023, is a defined contribution plan which covers substantially all non-union employees of Koya Medical, Inc. (the "Sponsor") who have attained the age of 18. Employees are eligible to enter the Plan on the first day of the pay period after or coincident with the date the eligibility requirement is met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Basis of Accounting* - The Plan's financial statements are prepared under the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

*Use of Estimates* - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

*Contributions* - Participants may elect to contribute a portion of their pre-tax or post-tax compensation subject to certain limitations under the Internal Revenue Code (IRC). The Plan allows for participants who are age 50 or older to make catch-up contributions subject to limits established by the IRC and also accepts rollover contributions for eligible employees from other qualified plans.

The Plan's automatic enrollment provision provides for a 4% deferral for newly eligible employees, unless otherwise waived by the employee.

The Plan provides for discretionary matching contributions. During the year ended December 31, 2025, the Sponsor contributed 50% of the first 6% of eligible participant compensation. The Plan also provides for discretionary employer nonelective contributions. There were no discretionary employer nonelective contributions for the year ended December 31, 2025.

Participant and discretionary matching contributions to the Plan are recorded in the period during which the Sponsor makes payroll deductions from the participant's earnings. Discretionary employer nonelective contributions are recorded in the period earned.

*Participant Accounts* - Each participant's account is credited with the participant and applicable employer contributions and an allocation of the Plan's earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Investment Options* - Participants may direct their contributions and employer contributions into various investment options and may change their investment options at any time.

*Vesting* - Participants are immediately vested in their contributions and discretionary employer matching contributions plus actual earnings thereon. The discretionary employer nonelective contributions vest according to the following schedule:

| Years of Service | Percentage |
|---|---|
| Less than 1 | 0% |
| 1 but less than 2 | 25% |
| 2 but less than 3 | 50% |
| 3 but less than 4 | 75% |
| 4 or more | 100% |

*Forfeitures* - Forfeitures represent the non-vested portion of terminated participants' accounts. Forfeitures may be used to reduce employer contributions, pay Plan expenses, be added to employer discretionary or matching contributions and allocated in the same manner, or otherwise be allocated to participants, as defined in the Plan document. There were no forfeitures for the year ended December 31, 2025.

*Payment of Benefits* - Upon termination of employment or termination of service due to death, disability, or normal retirement, a participant or designated beneficiary may receive the value of their benefits in a lump-sum distribution. A participant may request a withdrawal from their account based upon financial hardship or at age 59½, as defined by IRC regulations. A hardship withdrawal may be granted to a plan participant for an event considered to be an immediate and heavy financial need of the participant. Benefits are reflected when they have been approved for payment and are paid by the Plan.

*Notes Receivable from Participants* – Participants may borrow a minimum of $1,000 up to the lesser of 50% of their vested account balance or $50,000, reduced by the highest outstanding loan balance during the preceding 12 months. The loans are secured by the vested balance in the participant's account and bear interest at a fixed rate of prime plus 1% as of the date the loan application is submitted. Interest rates on outstanding loans at December 31, 2025 and 2024 ranged from 7.75% to 9.5%. Repayment is required within five years or within ten years if the loan is for a primary residence. The loans are measured at their unpaid principal balance plus any accrued but unpaid interest.

*Administrative Expenses* - The Plan's expenses are paid by the Sponsor or by the Plan as provided by the plan document.

*Investment Valuation and Income Recognition* - The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

*Fair Value Measurements* - U.S. GAAP establishes a framework for measuring the fair value of financial assets and liabilities. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs are not quoted prices in active markets but they are observable either directly or indirectly.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's investments consist of mutual funds, which are valued at the daily closing price as reported by the fund. The mutual funds are open-ended funds registered with the Securities and Exchange Commission that publish a daily net asset value at which transactions occur. Accordingly, the mutual funds are classified as Level 1 measurements. There have been no changes to the valuation methodology used at December 31, 2025 or 2024.

The method described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting dates.

*Risks and Uncertainties* - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term

and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits.

*Subsequent Events* - Management has evaluated subsequent events through October 2, 2026, the date which the financial statements were available to be issued.

## 2. PLAN TERMINATION

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become 100% vested in their accounts.

## 3. INCOME TAX STATUS

The Plan operates under an adoption agreement in connection with a non-standardized pre-approved profit sharing plan from Guideline RK, LLC. The Internal Revenue Service has stated in a letter dated September 26, 2024 that the plan is acceptable for use by employers under IRC Section 401. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Management believes that there is no liability related to uncertain tax positions at December 31, 2025 or 2024. The Plan is no longer subject to tax examinations for years prior to December 31, 2022.

## 4. CERTIFIED FINANCIAL INFORMATION

Benefit Trust Company, the custodian, has certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of assets available for benefits as of December 31, 2025 and 2024.
