Independent Auditors' Report

To the Plan Administrator
Commonwealth Savings Plan
Springfield, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Commonwealth Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Commonwealth Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Commonwealth Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Commonwealth Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Commonwealth Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Commonwealth Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (held at end of year) as of December 31, 2025 and the Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF PLAN

The following description of Commonwealth Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by E J Stewart, Inc. covering all full-time employees, except for highly compensated employees, union employees, nonresident aliens, and residents of Puerto Rico as defined in Section 414(q) of the IRC, who have six months of service are employed by the following companies and individual (the "Company").

Commonwealth Real Estate Investors ("CREI")
Keystone Quality Transport, Inc.
Keystone Care Administrative Services
Martin Drugs, Inc.
Rockwell Center
Lifestar Response of Maryland
Walter M. Strine, Jr.

The Plan was amended and restated effective October 1, 2018. Under this restatement, the Plan adopted the Principal Financial Group 401(k) volume Submitter Plan. The Plan was restated on December 1, 2022, with Automatic Data Processing ("ADP"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Each year, participants can elect to defer a percentage up to a maximum of 75% of their compensation, as defined in the Plan, on a pre-tax or Roth basis. Participants could make maximum contributions of $23,500 for 2025. Certain eligible employees were allowed to make additional catch-up elective deferrals of up to $7,500 for 2025. Participants may also contribute amounts representing distributions from another qualified plan (rollover). A matching contribution for eligible employees may be made at the discretion of the Company. For the 2025 plan year, the Company elected to match 25% of an eligible employee's deferred salary reduction up to a maximum salary reduction amount equal to 4% of compensation during the plan year. The Plan can also make nonelective contributions at management's discretion. There were $6 of nonelective contributions for the year ending December 31, 2025.

NOTE A - DESCRIPTION OF PLAN (Continued)

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds with various investment strategies and common collective trusts.

Participant Accounts

A separate investment account is maintained for each participant. Participants may direct the investment of their accounts into various funds specified by the Plan. Participant accounts are credited with the participant's contribution, an allocation of the Company's discretionary contributions and an allocation of Plan earnings (losses) and charged with an allocation of administrative expenses, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participant loans are permitted under the Plan. Participants may elect to take up to two loans from the Plan at any given time. The minimum loan amount is $1,000. As required by law, a loan amount is limited to the lesser of $50,000 or 50% of the participant's vested account and must be repaid within five years unless the loan is for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are always 100% vested in their own 401(k) salary deferral contributions. Vesting in the Company's contribution portion of their accounts is based on years of service in accordance with the following schedule:

Years of Employment	
0	0%
1	20%
2	40%
3	100%

Forfeitures

Under the Plan, forfeitures are kept in the Plan assets and can be used to reduce Company matching contributions or to pay administrative expenses out of the Plan. The forfeited non-invested accounts at December 31, 2025 and 2024 were $14,393 and $42, respectively. During the year ended December 31, 2025, $3,293 of forfeitures were used to reduce employer contributions.

See the independent auditors' report.

NOTE A - DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Upon termination of service, including instances due to death, disability, or retirement, a participant or their beneficiary may elect to receive an amount equal to the value of the participant's account as a lump-sum distribution. In the event of a hardship, an active employee may elect a withdrawal from their elective deferral contributions.

Plan Expenses

Certain administrative expenses of the Plan are paid by the Company and are excluded from these financial statements. Investment and recordkeeping expenses are paid by the Plan and/or the participants to the extent that such expenses are not paid by the Company. Any investment expenses associated with the Plan's investments are netted with investment earnings and reported to the Plan as a net amount.

Plan Termination

The Plan may be terminated at any time by the Company. If the Plan is terminated or if contributions to the Plan are permanently discontinued, participants will become fully vested in all amounts credited to the participants' separate accounts in the Plan. In the event of Plan termination, distribution of participant accounts shall be in accordance with the Plan document.

Plan Amendments

On December 29, 2022, the "Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act" was signed into law in the United States. The Secure 2.0 Act is an expansion of the Secure Act passed during 2019. The Act includes several mandatory and optional provisions that will become effective across several years. The Secure 2.0 Act aims to expand retirement access, increase retirement savings, and simplify plan administration. Plans may choose to operationally implement the provisions of the Secure 2.0 Act, however plan administrators have until December 31, 2026 to officially amend the plan document to reflect the provisions adopted by the plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

See the independent auditors' report.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Plan investments in mutual funds (registered investment companies), common collective trusts and pooled separate accounts are stated at fair value. Shares of mutual funds and pooled separate accounts are valued at quoted market prices. The Plan's investments in the common collective trusts are stated at net asset value per share as a practical expedient. Net appreciation or depreciation of investments is reported on the statement of changes in net assets available for benefits and consists of realized gains and losses and the unrealized appreciation or depreciation of these investments. All underlying investments options are valued daily. This daily price is considered the selling price for transfers and withdrawals and is calculated each day the principal market is open and available to any participant in the Plan.

All transactions are recorded on the accrual basis. Purchases and sales of investments are recorded based on the trade date. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Realized gains or losses on security transactions are determined using the average cost of securities sold on the trade date. Expenses are recorded as incurred.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Any individual credit risk related to participant loans is mitigated by the fact that these loans are secured by the participant's vested balance. If a participant were to default, the participant's account balance would be offset by the unpaid balance of the loan, and the participant would be subject to tax on the unpaid loan balance. As such, the participant is the only party affected in the event of a default. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the Plan.

Party-in-Interest Transactions

The Plan allows loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as allowable party-in-interest transactions.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

See the independent auditors' report.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Date of Management's Review

Management has evaluated subsequent events through October 2, 2026, the date which the financial statements were available to be issued.

NOTE C - RELIANCE ON TRUSTEE'S REPORT

The administrator of the Plan chose the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by the trustees of the Plan, ADP Retirement Trust Services, LLC and Principal Life Insurance Company as of December 31, 2025 and for the year ending December 31, 2025 and Reliance Trust Company and Principal Life Insurance Company as of December 31, 2024, other than comparing such information to that contained in the financial statements and supplemental schedules.

The information certified by the trustees, which was relied upon in the presentation of these financial statements include:

	2025	2024
ADP Retirement Trust Services, LLC

See the independent auditors' report.

NOTE D - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification 820-10 establishes a valuation hierarchy for disclosure of the inputs to the valuation used to measure fair value. This hierarchy prioritizes the inputs into three broad levels.

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities. *Level 2* inputs are quoted prices to similar assets and liabilities in active markets or inputs that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. *Level 3* inputs are unobservable inputs based on our own assumptions used to measure assets and liabilities at fair value. A financial asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement.

Assets carried at fair value measured on a recurring basis are as follows:

	2025			2024		
	Level 1	Level 2	Net Asset Value (a)	Level 1	Level 2	Net Asset Value (a)
Mutual funds	$ 1,770,371	$ -	$ -	$ 1,356,940	$ -	$ -
Pooled separate account	-	-	-	-	31,374	-
Common/collective trusts (a)	-	-	2,898,021	-	-	2,217,355
	$ 1,770,371	$ -	$ 2,898,021	$ 1,356,940	$ 31,374	$ 2,217,355

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Mutual funds have quoted prices for identical assets in active markets; therefore, the investments are measured at fair value using these readily available Level 1 inputs.

The pooled separate account has quoted net asset values of underlying investments held by the pooled separate account adjusted by an asset charge. The underlying mutual funds held in the pooled separate account are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price.

Common collective trust funds are composed primarily of target retirement funds that are valued at the NAV of units of the bank collective trust. The NAV, as determined by the Trustee, is based on the fair value of the underlying investments held by the fund less liabilities. Participant transactions (purchases and sales) may occur daily. There are no unfunded purchase commitments or redemption restrictions. Redemptions can occur on a daily basis.

See the independent auditors' report.

NOTE E - TAX STATUS

The Plan is operating under a non-standardized pre-approved profit sharing/money purchase/CODA prepared by ADP, LLC. The non-standardized pre-approved profit sharing/money purchase/CODA obtained its latest opinion letter dated October 6, 2020, in which the Internal Revenue Service ("IRS") stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter; however, the plan administrator and the plan's advisors believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt. The Plan is aware of certain operational errors during 2025 and 2024 and is in the process of correcting the operational errors with assistance from ADP.

Management has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax-exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

NOTE F - RISKS AND UNCERTAINTIES

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G - OPERATIONAL FAILURES

After the year ended December 31, 2025, the plan administrator discovered that the Plan's compensation definition was not applied correctly, resulting in the inadvertent exclusion of certain compensation when calculating plan contributions, including participant contributions. The plan administrator is working to identify the affected participants and subsequently deposit Qualified Non-elective Contributions ("QNEC") into the Plan to correct these operational failures.

NOTE H – LATE REMITTANCES

When participant payroll deferrals are not remitted within the appropriate time period by the Company, these transactions constitute prohibited transactions as defined by ERISA.

During the year ended December 31, 2025, employee contributions were not remitted timely by the Company. Lost earnings were determined, and the Company intends to remit the lost earnings to the Plan.

See the independent auditors' report.
