INDEPENDENT AUDITORS' REPORT

To the Participants, Plan Administrators and Benefits Committee of the Hutchison, Inc. 401(k) Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed audits of the accompanying financial statements of Hutchison, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Hutchison, Inc. 401(k) Retirement Savings Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Independent Auditors' Report (Continued)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hutchison, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hutchison, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Independent Auditors' Report (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hutchison, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hutchison, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets Held for Investment Purposes for the year then ended December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditors' Report (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) Description Of The Plan

The following brief description of Hutchison, Inc. 401(k) Retirement Savings Plan (the "Plan") provides only general information purposes only. Participants should refer to the Plan document for more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Hutchison, Inc. (the "Plan Sponsor") who have attained age 19 and completed three months of service. Eligible employees enter the Plan on the first day of the month coinciding with or next following satisfaction of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

SECURE 2.0 Act

The SECURE 2.0 Act ("SECURE 2.0") was enacted on December 29, 2022, and includes various provisions affecting qualified retirement plans. The Plan Sponsor has implemented applicable provisions in accordance with their respective effective dates. As of December 31, 2025, the Plan document had not been formally amended to incorporate the applicable provisions of SECURE 2.0. The Plan Sponsor expects to amend the Plan document within the applicable amendment period.

Enhanced Catch-Up Contributions

Effective January 1, 2025, SECURE 2.0 increased the catch-up contribution limit for participants who attain ages 60, 61, 62, or 63 during the calendar year. The increased catch-up contribution limit is the greater of $10,000, as adjusted for inflation after 2025, or 150% of the regular catch-up contribution limit in effect for 2024. Accordingly, the increased catch-up contribution limit for 2025 is $11,250. The Plan operated in accordance with this provision during 2025.

Long-Term, Part-Time Employees

Effective January 1, 2025, SECURE 2.0 generally requires 401(k) plans to permit employees who complete at least 500 hours of service in each of two consecutive 12-month periods to make elective deferrals to the Plan, subject to applicable statutory requirements. The Plan operated in accordance with this provision during 2025.

Roth Catch-Up Contributions

Effective January 1, 2026, SECURE 2.0 requires catch-up contributions made by certain higher-paid participants to be designated as Roth contributions. For 2026, this requirement generally applies to participants whose wages, as defined for FICA purposes, from the employer sponsoring the Plan exceeded $150,000 during the preceding calendar year. The applicable wage threshold is subject to cost-of-living adjustments. This provision was not effective as of December 31, 2025 and, accordingly, did not impact Plan operations during 2025. The Plan Sponsor expects to implement this provision in accordance with its effective date.

Contributions

Participants may elect to reduce their compensation and have such amounts contributed to the Plan as elective deferrals. Participants may designate their elective deferrals as pre-tax contributions, Roth contributions, or a combination thereof, subject to the provisions of the Plan and applicable limitations under the Internal Revenue Code ("IRC").

The annual limit on participant elective deferrals was $23,500 and $23,000 for 2025 and 2024, respectively. Participants who are age 50 or older by the end of the calendar year may make catch-up contributions, subject to applicable Plan and IRC limitations. The regular catch-up contribution limit was $7,500 for both 2025 and 2024. As discussed under SECURE 2.0 Act - Enhanced Catch-Up Contributions, participants who attained ages 60, 61, 62 or 63 during 2025 were eligible for an increased catch-up contribution limit of $11,250.

Each participant may elect to reduce his or her compensation and have such amounts contributed to the Plan as before-tax contributions. Such contributions are excluded from a participant's taxable compensation in accordance with the provisions of Section 401(k) of the Internal Revenue Code (IRC).

The IRC imposes certain restrictions on the amount of annual additions to an individual participant's accounts, as well as an aggregate limit on contributions. The annual limit on a participant's before-tax contribution was $23,500 and $23,000 for 2025 and 2024, respectively. Plan participants who are age 50 and older may elect to make an additional catch-up of $7,500 for 2025 and 2024.These elective deferrals are for eligible participants whose elective deferrals have been restricted by either a statutory ceiling or by a plan limit.

The Plan Sponsor makes a safe harbor matching contribution equal to 100% of participant elective deferrals up to 3% of compensation, plus 50% of elective deferrals in excess of 3% and up to 5% of compensation. The safe harbor matching contribution is calculated on a payroll-period basis and is 100% vested.

The Plan Sponsor may also make discretionary matching contributions and discretionary profit-sharing contributions in accordance with the provisions of the Plan. There were no discretionary matching or profit-sharing contributions made during the years ended December 31, 2025 and 2024.

The Plan also allows rollover contributions, within IRC parameters, of part or all of a "qualified total distribution" received by a participant from a qualified plan of a previous employer. Rollover contributions into the Plan are 100% vested and non-forfeitable at all times.

Participant Accounts

Separate accounts are maintained for each participant and are credited with the participant's contributions, employer matching, and rollover contributions, if any, including the allocations of earnings and losses to these accounts. Participants direct the investment of their accounts by electing the percentages they wish to allocate between investment alternatives.

Vesting

Participants are immediately vested in their elective deferrals and safe harbor matching contributions, including earnings thereon.

Participants also became fully vested in their accounts upon attainment of normal retirement age while employed, death, disability or termination of the Plan, as provided by the Plan.

Vesting in discretionary employer matching contributions, including profit-sharing contributions is as follows:

Years of service	Vested percentage
Less than one	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Forfeitures

Forfeited accounts are used to reduce employer contributions and Plan expenses.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions to any of the available investment options.

Payment Of Benefits

Upon a participant's retirement, disability, death or other termination of employment, the participant or beneficiary, as applicable, is entitled to receive the vested portion of the participant's account balance in accordance with the provisions of the Plan.

A participant may elect to receive a taxable distribution, subject to applicable withholding requirements, or may elect an eligible rollover distribution to another qualified retirement plan or individual retirement account, as permitted under the IRC.

Under certain conditions defined in the Plan, participants may be granted hardship withdrawals from vested account balances.

Death Benefits

If an active participant dies, the participant becomes fully vested in accordance with the provisions of the Plan. The participant's account balance is payable to the participant's designated beneficiary.

Hardship Withdrawal

In certain situations, as defined in the Plan agreement and with approval of the plan administrator, participants may make hardship withdrawals.

Notes Receivable From Participants

The Plan provides that participants may borrow a minimum of $1,000 up to the lesser of $50,000, subject to certain adjustments for outstanding loan balances as prescribed by the IRC, or 50% of their vested account balance. Participants are limited to one outstanding loan at any time. Loans are secured by the participant's vested account balance and bear interest at a rate equal to the prime rate plus 1%. Loans are generally repaid through payroll deductions over a period not to exceed five years; however, loans used to purchase a participant's principal residence may have a repayment term of up to 30 years. Principal and interest payments are credited to the participant's account.

Administrative Expenses

Certain investment management, recordkeeping, administrative and other Plan expenses may be paid from Plan assets. Certain participant-specific expenses may be charged directly to the applicable participant's account. The Plan Sponsor may also pay certain expenses on behalf of the Plan. Expenses paid directly by the Plan Sponsor are not included in the accompanying financial statements.

(2) Summary Of Accounting Policies

Basis Of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use Of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Contributions Receivable

Employee contributions receivable arise from employee contributions that are withheld from employee's salary, but have yet to be remitted to the Plan by the Plan Sponsor. Additionally, employer contributions receivable arise from discretionary matching or profit sharing contributions that are to be remitted to the Plan by the Plan Sponsor for wages that have been previously paid to employees. The Plan estimates expected credit losses on contributions receivable based on relevant information available regarding collectability. Receivables are written off when deemed uncollectible.

Notes Receivable From Participants

Effective May 2025, the Plan was amended to permit participants to obtain loans from their individual account balances, subject to the terms and conditions of the Plan document. Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

Participant loans are considered in default in accordance with the terms of the Plan when required repayments are not made within the applicable cure period. Under certain circumstances, a defaulted participant loan may be treated as a distribution from the Plan.

Investment Valuation And Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements

The Plan follows the Fair Value Measurements and Disclosures accounting standard, which among other things requires enhanced disclosures about investments that are measured and reported at fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standard are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation

techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund.

Common/collective trust funds: Valued at the net asset value ("NAV") of units held by the Plan at year-end, as reported by the trustee. NAV is used as a practical expedient to estimate fair value. Investments measured at NAV using the practical expedient are not classified within the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In general, investments are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the investment balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Payment Of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

The Plan has performed an evaluation of subsequent events through October 5, 2026, which is the date the financial statements were available to be issued, and has considered any relevant matters in the preparation of the financial statements and footnotes.

(3) Financial Data Certified By The Investment Company Administered Trust Fund

The plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA as of and for the years ended December 31, 2025 and 2024. Accordingly, as permitted under such election, ADP Retirement Trust Services, LLC ("ADPRTS") has certified from May 6,

2025 through December 31, 2025, and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal"), has certified from January 1, 2024 through May 5, 2025, that the following information included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments as shown in the statements of net assets available for benefits and related disclosures as of December 31, 2025 and 2024.
- Investment income as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024.
- Investment information included in the accompanying schedule of assets (held at year-end) as of December 31, 2025. The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(5) Plan Termination

Although the Plan Sponsor intends to continue the Plan and to make regular contributions, the Plan Sponsor reserves the right to terminate the Plan at any time, and its continuance is not guaranteed. The Plan Sponsor also has reserved the right to amend or otherwise modify the Plan or to discontinue any further contributions or payments under the Plan by a resolution of its Board. In the event of a termination of the Plan or discontinuance of contributions, the account of each affected participant shall become non-forfeitable.

(6) Tax Status

The Plan is an adoption of a regional prototype plan, which has received a notification letter from the Key District Director having jurisdiction with the Plan. The Internal Revenue Service permits the Plan Sponsor to rely on the notification letter. Therefore, the Plan Sponsor will not submit the Plan to the Internal Revenue Service for advance determination as to whether the Plan meets the qualification requirements of section 401 of the Internal Revenue Code of 1986 with respect to the Plan's initial qualification.

The prototype plan has been amended since receiving the determination letter. However, the plan administrator believes the Plan is designed and is currently being operated in compliance with applicable provisions of the IRC.

The Plan follows the *Accounting for Uncertainty in Income Taxes* accounting standard which requires the Plan to determine whether a tax position (and the related tax benefit) is more likely than not to be sustained upon examination by the applicable taxing authority, based solely on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon settlement, presuming that the tax position is examined by the appropriate taxing authority that has full knowledge of all relevant information. During the years ended December 31, 2025 and 2024, the Plan Sponsor evaluated its tax positions to determine the existence of uncertainties, and did not note any matters that would require recognition or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan is no longer subject to U.S. federal tax audits on its Form 5500 by taxing authorities for years ending prior to December 31, 2022. The years subsequent to this year contain matters that could be subject to differing interpretations of applicable tax laws and regulations. Although the outcome of tax audits is uncertain, the Plan believes no issues would arise.

(7) Party-In-Interest

Certain Plan investments are managed by the Plan's trustee and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management and administrative services also qualify as party-in-interest transactions.

The Plan also issues loans to participants, which are secured by the participants' vested account balances. These transactions qualify as party-in-interest transactions.

All party-in-interest transactions noted above are considered exempt transactions under ERISA regulations.

(8) Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**			
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	**4b**			
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	**4c**			
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	**4d**			
e Was this plan covered by a fidelity bond?	**4e**			
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	**4f**			
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4g**			
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4h**
