INDEPENDENT AUDITOR'S REPORT

To the Administrator of the
Lobar Associates, Inc. Retirement Plan
Dillsburg, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Lobar Associates, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Lobar Associates, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in NOTE 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lobar Associates, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lobar Associates, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lobar Associates, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lobar Associates, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LOBAR ASSOCIATES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

1. DESCRIPTION OF PLAN

The following description of the Lobar Associates, Inc. Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. GENERAL

The Plan is a defined contribution plan established by Lobar Associates, Inc. (the Company) on January 1, 1995. The Plan provides retirement benefits and additional incentives to eligible employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Management is responsible for the oversight of the Plan and has engaged a fiduciary to assist with determining the appropriateness of the Plan's investment offerings and monitors investment performance.

B. ELIGIBILITY

The Plan covers all employees of the Company and of Lobar Site Development Corporation (a controlled group based on the brother-sister group definition), who are at least 18 years of age and have completed 500 hours of service and six months of employment, except for union members and non-resident aliens. Eligible employees may become participants on January 1 or July 1 coinciding with the date that the employee meets the eligibility requirements set forth above.

C. CONTRIBUTIONS

Each year, participants may contribute up to the maximum limit established by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a stable value fund (common collective trust).

The Company may make matching contributions equal to a dollar amount of each participant's deferral contributions, up to a maximum of $1,000 per calendar year. To be eligible to receive a match for a calendar year, participants must be employed by the Company on that last day of that calendar year, except in the case of reaching normal retirement age (60), early retirement age (55) with five years of service, disability or death. The Company may also make discretionary contributions to the Plan. For the years ended December 31, 2025 and 2024, the Company did not make any discretionary contributions. Contributions are subject to certain IRS limitations.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

1. DESCRIPTION OF PLAN (CONTINUED)

D. PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, employer matching contribution, an allocation of the Company's discretionary contributions, and an allocation of the Plan's earnings. Participants are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specified participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

E. VESTING

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contributions is based on years of continuous service. A participant is 100% vested after attaining a total of three years of service. Regardless of the vesting schedule, participants become fully vested upon attaining normal retirement age, early retirement age with five years of service, death, or total and permanent disability.

F. NOTES RECEIVABLE FROM PARTICIPANTS

Participants may not borrow from their fund accounts.

G. PAYMENT OF BENEFITS

Upon termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a single lump sum payment or an eligible rollover distribution. If employment is terminated and the value of a participant's nonforfeitable account balance is $7,000 or less, the Plan may immediately distribute the participant's account. Participants who have attained age 59 ½ may elect to receive in-service distributions. The Plan also provides for hardship withdrawals that may be requested for certain deemed immediate and heavy financial needs, such as medical expenses, the purchase of a home, educational expenses, payments to prevent participant's eviction from a principal residence or foreclosure, payments for certain burial or funeral expenses, repairs to a principal residence that would qualify for the casualty deduction under the Internal Revenue Code, or expenses and losses incurred on account of a federally declared disaster. The distribution can be taken from eligible funds in the participant's account balance.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

1. DESCRIPTION OF PLAN (CONTINUED)

H. FORFEITURES

As of December 31, 2025, forfeited nonvested accounts were $1,524. The Plan held zero forfeitures as of December 31, 2024. Any forfeiture arising from nonvesting or other provisions of the Plan shall be used to pay administrative expenses or to reduce the contributions made by the Company, if not allocated to participants' accounts. For the years ended December 31, 2025 and 2024, no forfeitures were utilized to offset administrative expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

B. USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (NOTE 4). Management determines the Plan's valuation policies utilizing information provided by Capital Bank and Trust, the Trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions for the year ended December 31, 2025. The Plan distributed the 2024 excess contributions to the applicable participants prior to March 15, 2025, as required by the IRC.

E. PAYMENT OF BENEFITS

Benefits are recorded when paid.

F. ADMINISTRATIVE EXPENSES

Substantially all of the Plan's administrative expenses are paid by the Company. Expenses paid by the Company are excluded from these financial statements. Investment related expenses are included in administrative fees.

G. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 17, 2026, the date the financial statements were available to be issued.

3. CERTIFIED INVESTMENTS

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, Capital Bank and Trust, the trustee of the plan, has certified the following information, which has not been subject to audit by independent auditors, to be complete and accurate:

- Investment balances included in the statements of net assets available for benefits as of December 31, 2025 and 2024, and in the notes to the financial statements.
- Investment income balances included in the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and in the notes to the financial statements.
- Information included in the accompanying schedule of assets held for investment purposes at end of year.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy under FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurement* are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 or 2024.

Mutual Funds: Valued at the net asset value of the shares held by the Plan at year-end, quoted in an active market.

Common Collective Trust: The fair value of participation units held in the Federated Capital Preservation Fund (the Fund) is based on net asset value, as reported by the manager of the Fund, Federated Investors Trust Company, as supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date. The Fund pursues stability of principal and current income by investing in stable value products, including traditional and synthetic guaranteed investment contracts (GICs) issued by major insurance companies and money market instruments. The use of net asset value as fair value is deemed appropriate as there are no imposed redemption restrictions and the Plan does not have any contractual obligations to further invest in the Fund.

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

. . . . . .2025. . . . . .

INVESTMENT CATEGORY	FAIR VALUE	FAIR VALUE MEASUREMENTS USING: LEVEL 1	NAV*
Mutual Funds	$ 12,060,645	$ 12,060,645	
Common Collective Trust	439,631		$ 439,631
Total	$ 12,500,276	$ 12,060,645	$ 439,631

. . . . . .2024. . . . . .

INVESTMENT CATEGORY	FAIR VALUE	FAIR VALUE MEASUREMENTS USING: LEVEL 1	NAV*
Mutual Funds	$ 11,245,754	$ 11,245,754	
Common Collective Trust	424,434		$ 424,434
Total	$ 11,670,188	$ 11,245,754	$ 424,434

*Investments are measured at fair value using net asset value (NAV) and are not classified within the fair value hierarchy.

5. RELATED PARTY AND PARTY-IN-INTEREST

Certain Plan investments are managed by Capital Bank and Trust. The Capital Group owns Capital Bank and Trust and American Funds. Capital Bank and Trust is the trustee for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Capital Bank and Trust provides certain administrative and custodial services to the Plan pursuant to a Recordkeeping and Administrative Fee Agreement between the Company and Capital Bank and Trust. Fees paid by the Plan for distributions amounted to $835 and $957 for the years ended December 31, 2025 and 2024, respectively.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their accounts.

7. TAX STATUS

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the volume-submitter prototype plan adopted by the Plan was designed in accordance with applicable sections of the IRC. The Plan has been amended and restated since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable sections of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
