INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Webster Dental Care Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Webster Dental Care Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Assets Held at End of Year - Form 5500, Schedule H, Part IV, Line 4i and Schedule of Delinquent Participant Contributions – Form 5500, Schedule H, Part IV, Line 4a as of and for the year ended December 31, 2025, respectively, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

WEBSTER DENTAL CARE GROUP 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Webster Dental Care Group 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan's document ("Plan Document") for a more complete description of the Plan provisions.

General. The Plan is a voluntary, participant-directed, defined-contribution savings plan, that provides for all eligible employees of Webster Dental Care Group and participating employers, as defined in the Plan Document (collectively, the "Employer"), the opportunity to invest for retirement. The Plan excludes leased employees, union employees, independent contractors, and non-resident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Employer controls and manages the operation and administration of the Plan and oversees governance of the Plan.

The Plan's assets are currently managed and administered under the terms of an agreement between the Plan and EPIC Retirement Plan Services ("EPIC"). EPIC is responsible for the recordkeeping of the Plan and is a qualified institution pursuant to ERISA.

The Plan's assets are held in trusts. John Hancock Life Insurance (U.S.A.) and Charles Schwab Trust Bank (collectively, the "Custodians") were the custodians as of December 31, 2024. Charles Schwab Trust Bank was the custodian as of and for the year ended December 31, 2025. The custodians are qualified institutions pursuant to ERISA.

Eligibility. All non-collectively bargained employees, that have completed 6 months and 1,000 hours of service with the Employer, are eligible to participate in the Plan with entry into the Plan on the first day of January or the first day of July following the date the eligibility requirements are met. All employees who have met the requirements, as defined in the Plan Document, are eligible for Employer contributions.

Participant Contributions. Participants may voluntarily elect to contribute a percentage of their pre-tax and/or post-tax compensation, as defined in the Plan Document, subject to amounts established by the Internal Revenue Code (the "IRC"). All participants who reach age 50 by the end of the Plan year may also elect additional catch-up contributions, subject to amounts established by the IRC. The Plan accepts rollovers and transfers as defined in the Plan Document. Rollover contributions consist of contributions from other qualified employer plans, which participants have elected to include with the Plan.

The Plan permits in-plan Roth conversions, whereby a participant may convert their existing non-Roth vested Plan accounts to Roth accounts.

Employer Contributions. The Employer may make discretionary matching contributions of 100% of participant deferrals up to a maximum matching contribution of $2,000 per participant.

Participant Accounts. Each participant's account is credited with the participant's elective contribution, any Employer contributions, allocation of the Plan's net earnings or losses, and charged with withdrawals and an allocation of Plan administrative expenses. Allocations are based on participants' earnings, as defined in the Plan Document. The participant's allocation of Employer contributions are invested among investment funds in the same proportion as the participant's contributions.

Investment Options. Investments available through the Custodians of the Plan may be made in various offered fund vehicles, and participants may elect to have their contributions invested in any of these funds. A separate account is maintained for each participant, and interest and dividends earned by each fund are reinvested in that fund. Participants may change their investment options at any time as long as they are in compliance with the Custodians' rules with regard to excessive trading.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (Concluded)

Vesting. Participants are immediately vested in their participant contributions plus actual earnings or losses thereon. Vesting in the Employer discretionary contributions are based on years of continuous service. A participant is 20% vested after one year of credited services and vests 20% per year thereafter, until becoming fully vested after five years of credited service on all Employer discretionary contributions. Notwithstanding the above, a participant is fully vested upon reaching a normal retirement age, death, or permanent disability.

Notes Receivable from Participants. Participants may borrow from their vested account balance a minimum of $1,000 up to a maximum of the lesser of 50% of their vested account balances or $50,000. Loans issued bear interest at the prime rate (6.75% at December 31, 2025) plus 1.00%. A participant may only have one loan outstanding at any given time. Terms depend on the type of loan; a general loan must be repaid within five years, while loans used to acquire a primary residence shall be repaid over a longer period, up to 10 years. Loans are repaid through payroll deductions and are secured by the balances in the participant's accounts.

Payments of Benefits. Upon termination of service, a participant may elect, at any time, to receive either a cash lump-sum amount equal to the value of his or her vested account, installment payments, partial payments or a rollover directly to their account of choice. When a participant retires or reaches normal retirement age or terminates employment because of death or disability, the entire vested amount in the participant's account can be distributed in a lump-sum or installment payments. Participants attaining the age of 59 ½ may request a withdrawal of all or part of the vested portion of their accounts. Also, in the event a participant suffers financial hardship, as defined in the Plan Document, the participant may withdraw all or part of the vested portion of their account. Participant rollover withdrawals may be made at any time.

Forfeitures. Forfeited account balances may be used to pay Plan administrative expenses or to reduce Employer contributions. Forfeited non-vested account balances were $15,298 and $12,170 as of December 31, 2025 and 2024, respectively. Forfeitures in the amount of $12,170 were used to reduce Employer contributions for the year ended December 31, 2025. There were no forfeitures used to pay Plan expenses for the year ended December 31, 2025.

Recent Legislation. In December 2022, SECURE Act 2.0 ("SECURE 2.0") was enacted. SECURE 2.0 contains numerous significant changes for retirement plans, plan sponsors, and retirement plan providers. For example, SECURE 2.0 contains provisions related to, among many other things, increasing the required minimum distribution age, reducing required minimum distribution penalties, and removing required minimum distribution barriers for annuities. Many of the provisions in SECURE 2.0 went effective in 2023, but SECURE 2.0 will not be completely implemented until 2027. The Internal Revenue Service ("IRS") has issued additional guidance addressing specific issues arising from the implementation of the provisions of SECURE 2.0.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

***Basis of Accounting*.** The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Estimates and Assumptions. The preparation of the Plan's financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained, and as the operating environment changes.

WEBSTER DENTAL CARE GROUP 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's valuation policies are determined utilizing information provided by the Custodians. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Payment of Benefits. Benefits are recorded when paid.

Concentrations of Credit Risk. Substantially all of the Plan's assets are held by the Custodians.

Administrative Expenses. Certain administrative expenses of the Plan are paid by the Employer on behalf of the Plan for which no charges are made to the Plan and are not included in these financial statements. The Employer does not intend to obtain reimbursement for such expenses.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIANS

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule that were prepared by the Custodians and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Custodians that such information is complete and accurate.

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Investment income and interest on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Note 4: All investment balances.
- The schedule of assets held for investment purposes at end of year as of December 31, 2025, as shown on Form 5500, Schedule H, Part IV, Line 4i.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

(Continued)

WEBSTER DENTAL CARE GROUP 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Level 2. Inputs to the valuation methodology include (1) quoted prices for similar assets and liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability;

Level 3. Inputs that are both unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Mutual Funds and Money Market Funds. Valued at the closing price reported on the active market on which the individual securities are traded.

Pooled Separate Accounts. Valued at the net asset value of units held ("NAV"). The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth the Plan's assets at fair value:

	Assets at Fair Value as of December 31, 2025				
	Level 1	Level 2	Level 3	NAV (as a practical expedient)	Total
Mutual funds	$ 5,469,474	$ -	$ -	$ -	$ 5,469,474

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan Document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE 6 – TAX STATUS

The Plan adopted a prototype plan and received an opinion letter from the IRS dated June 30, 2020, which states that the document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

NOTE 7 – EXEMPT PARTY-IN INTEREST TRANSACTIONS

Various investments are managed by the Custodians. These transactions are allowable party-in-interest transactions under ERISA and the regulations promulgated thereunder. Furthermore, the Custodians provide Plan administration services to the Plan. These employees are compensated by the Employer for such services.

WEBSTER DENTAL CARE GROUP 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides various investment options. Investment securities, generally, are exposed to several risks, such as interest rate, market, and credit risks. Due to the level risk associated with the funds, it is reasonably possible that changes in the values of the funds will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 9 – EXCESS CONTRIBUTIONS PAYABLE

During 2025 and 2024, certain participants made contributions in excess of amounts allowable by the IRS. Excess contributions payable totaling $45,640 as of December 31, 2025, were refunded during 2026. Excess contributions payable totaling $48,842 as of December 31, 2024, were refunded during 2025.

NOTE 10 – DELINQUENT PARTICIPANT CONTRIBUTIONS

The Employer remitted certain 2023 and 2022 participant contributions to the Custodians later than required by the Department of Labor ("DOL") Regulation 2510.3–102, totaling $112,568 and $54,753 for each year ended, respectively. The 2023 and 2022 amounts were not corrected as of December 31, 2025.

NOTE 11 – SUBSEQUENT EVENTS

Management has evaluated all known subsequent events from December 31, 2025 through October 5, 2026, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period.
