## Independent Auditor's Report

The Plan Administrator
Wacker Union Savings Plan
Ann Arbor, Michigan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed an audit of the financial statements of the Wacker Union Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements (collectively, the 2025 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the 2025 financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section of our report:

- The amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The certified investment information in the accompanying 2025 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the 2025 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the 2025 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2025 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedule Required by ERISA***

The ERISA-required Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the 2025 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2025 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2025 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2025 financial statements or to the 2025 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Other Matter — Report on 2024 Financial Statements***

Predecessor auditors performed an audit of the 2024 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated September 12, 2025, indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. Plan Description

The following description of Wacker Union Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement and related union agreements, if applicable, for a more complete description of the Plan's provisions.

***General***

The Plan is a voluntary defined contribution savings plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is sponsored by Wacker Chemical Corporation (the Company).

All hourly employees of the Company represented by the United Steelworkers of America (USWA) and its Local Number 7237, Steelworkers Local Number 727, and Teamsters Local Union Number 348 are eligible to participate in the Plan immediately upon meeting all the eligibility requirements.

***Trustee and Administration of the Plan***

The trustee of the Plan is Fidelity Management Trust Company (the Trustee). The recordkeeper of the plan is Fidelity Workplace Services LLC. The administrator of the Plan is the Company. The trustee holds all assets of the Plan in accordance with the service provider contract with the Company.

***Contributions***

Participants may make annual contributions to the Plan on a pretax basis up to the maximum percentage of compensation and dollar amount permissible under the Internal Revenue Code (IRC). Additionally, participants may make after-tax contributions to the Plan, which are subject to certain limitations, as defined by the Plan and by the IRC.

For employees of USWA Local Number 7237, the company match is equal to 50% of employee deferrals up to 6% of eligible compensation, as defined by the Plan. In addition, for certain employees in Location Code 001 of USWA Local Number 7237, the Plan also provides a nonelective company contribution of 3% of eligible compensation, as defined by the Plan.

For employees of Steelworkers Local Number 727, the company match is equal to 100% of employee deferrals up to 6% of eligible compensation, as defined by the Plan. There is no nonelective company contribution.

For employees of Teamsters Local Union Number 348, the company match is equal to 50% of employee deferrals up to 6% of eligible compensation, as defined by the Plan, with a 3% nonelective company contribution.

The Plan may accept rollover contributions from other qualified plans.

Effective January 1, 2025, the Plan was amended to remove the employer match on after-tax employee contributions.

*Participant Accounts*

Each participant's account is credited with the participant's contributions, company matching and other contributions, and an allocation of plan earnings and expenses based on the participant's proportionate share of funds in each of the investment accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants' accounts of the Plan are invested as directed by the participants in any one or more investment alternatives offered by the Plan.

*Vesting*

Participants are immediately 100% vested in their contributions to the Plan and any income or loss thereon. A participant becomes 34% vested in employer contributions after completing one year of service and an additional 33% per year thereafter until becoming 100% vested. Participants become fully vested upon retirement, death, or disability.

*Benefit Payments*

Upon termination of service, participants with account balances under $1,000 will receive their vested account balances in lump-sum amounts. Participants with balances in excess of $7,000 have the option of deferring payments depending on their date of birth. In the event of an employee's death, the vested account balance will be paid to the participant's named beneficiary.

Participants may make withdrawals at any time from participants' accounts attributable to after-tax or rollover contributions. Prior to termination, participants may not make withdrawals from employee accounts attributable to pretax contributions unless the participant has attained age 59½ or in the case of hardship, as defined in the plan document.

*Notes Receivable from Participants*

Participants are permitted to borrow a minimum of $1,000 of their vested benefits under the Plan. Participants may borrow up to a maximum equal to the lesser of 50% of their vested account balance or $50,000, reduced by the highest outstanding loan balance in their account during the prior 12-month period. Loans are secured by the participant's account and bear an interest rate determined by the Plan Administrator based on prevailing market rates for similar loans. The notes are repaid ratably through payroll deductions over a period of five years or less, unless the loan is for the purchase of a principal residence, in which case the loan repayment period may not extend beyond 15 years from the date of the loan. These loans are subject to certain restrictions as defined by the plan document and applicable restrictions under the IRC.

Also, each participant may not have more than two loans outstanding at any time.

*Transfers*

A participant from Wacker Savings Plan who becomes collectively bargained may transfer his or her account balance to the Plan. In addition, a participant from the Plan who becomes salaried or nonunion hourly may transfer his or her participant account balance to Wacker Savings Plan. As of December 31, 2025, transfers into the Plan was $1,654 and transfers out of the Plan to the Wacker Savings Plan was $1,321,417.

### *Forfeitures*

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $36,107 and $24,485, respectively. These accounts will first be used to pay administrative expenses, and any remaining amount will be used to reduce future employer contributions. In 2025, $2,003 of the forfeited funds were used to pay administrative expenses and/or fund employer contributions.

## 2. Summary of Significant Accounting Policies

### *Basis of Accounting*

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

### *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### *Contribution Receivable*

Participant contributions and any related employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation.

### *Notes Receivable from Participants*

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

### *Benefit Payments*

Benefits are recorded when paid.

***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to participant-initiated transactions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

***Revenue Credits***

The Plan's trust agreement provides for a participant revenue credit arrangement, whereby the credits can be used to pay administrative expenses and the Plan Sponsor has the option of crediting the funds that are left over into the accounts of eligible participants who are invested in certain funds. Unallocated revenue credits at December 31, 2025 and 2024 are $10,316 and $7,018, respectively. During 2025, the Plan received credits of $2,918. Administrative expenses are presented net of revenue credits in the statement of changes in net assets available for benefits.

***Subsequent Events***

The financial statements and related disclosures include evaluation of events up through and including October 7, 2026, which is the date the financial statements were available to be issued.

The Plan Sponsor approved the merger of the Wacker Union Savings Plan and the Wacker Savings Plan into a new Wacker Retirement Savings Plan. The merger is expected to become effective on January 1, 2027. Management evaluated the transaction and concluded that it represents a non-recognized subsequent event. Accordingly, no adjustments have been made to the accompanying financial statements.

## 3. Certified Investment Information

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, related to investments and notes receivable from participants held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, a qualified institution.

## 4. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurement,* requires certain assets and liabilities to be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

*Level 1* - Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

*Level 2* - Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets,

quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

*Level 3* - Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2025 or 2024. The following is a description of the valuation methodologies used for assets measured at fair value:

***Mutual Funds***

Mutual funds are valued at quoted market prices reported in active markets.

***Collective Trust Fund***

The collective trust fund is valued at the net asset value (NAV) of units held. The NAV, as provided by the trustee of the collective trust fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the collective trust fund less its liabilities. This practical expedient is not used when it is determined to be probable that the collective trust fund will sell for an amount different than the reported NAV. The fund provides for daily redemptions by the Plan at reported NAV with no advance notice. There are no redemption restrictions or unfunded commitments related to this investment.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

***December 31, 2025***

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Mutual funds | $ 35,682,844 | $ - | $ - | $ 35,682,844 |
| Investments, in the fair value hierarchy | $ 35,682,844 | $ - | $ - | 35,682,844 |
| Investments, measured at NAV: | | | | |
| Collective trust fund | | | | 1,145,884 |
| **Total Investments** | | | | $ 36,828,728 |

*December 31, 2024*

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Mutual funds | $ 31,283,207 | $ - | $ - | $ 31,283,207 |
| Investments, in the fair value hierarchy | $ 31,283,207 | $ - | $ - | 31,283,207 |
| Investments, measured at NAV: Collective trust fund | | | | 1,186,289 |
| **Total Investments** | | | | $ 32,469,496 |

## 5. Related Party and Party-in-Interest Transactions

Certain plan assets are in investment funds managed by Fidelity Management Trust Company or its affiliates. Participant loan and distribution processing fees are paid to the Trustee by participants. The Plan also issues loans to participants which are secured by the vested balance of the participants' accounts. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

## 6. Tax Status

The Plan uses a pre-approved plan. The pre-approved plan has received a favorable opinion letter from the Internal Revenue Service (IRS) indicating that the Plan, as designed, is qualified for federal income tax-exempt status. Although the Plan has been amended since the date of the opinion letter, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

## 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

## 8. Plan Termination

While it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the Plan agreement and ERISA. Upon termination of the Plan, participants become 100% vested in their account balances.
