INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of
Freeman Motors dba Freeman Toyota and Lexus 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed an audit of the financial statements of Freeman Motors dba Freeman Toyota and Lexus 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024 and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Freeman Motors dba Freeman Toyota and Lexus 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (continued)

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Freeman Motors dba Freeman Toyota and Lexus 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Freeman Motors dba Freeman Toyota and Lexus 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Freeman Motors dba Freeman Toyota and Lexus 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Freeman Motors dba Freeman Toyota and Lexus 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA
The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1: Description of Plan

The following description of the Freeman Motors dba Freeman Toyota and Lexus 401(k) Plan provides only general information. Participants should refer to the Plan agreement and Summary Plan Description for a more complete description of the Plan's provisions.

General. The Freeman Motors dba Freeman Toyota and Lexus 401(k) Plan is a defined contribution plan and was established to provide retirement benefits for the employees of Freeman Motors ("the Company"), the Plan sponsor. Eligible employees become participants in the Plan following one year of service and completion of 1,000 hours of service, as defined in the plan agreement. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 ("ERISA").

Administration. The Plan has contracted with Empower Retirement ("Empower"), the brand name for Empower Annuity Insurance Company of America, through various wholly owned subsidiary companies, to act as custodian, trustee, and record keeper for the Plan. The wholly owned subsidiary companies that interact with the plan are Empower Trust Company, LLC as custodian and trustee, and Empower Retirement, LLC as record keeper.

Contributions. Employer contributions, which may include employer matching contributions, employer discretionary matching contributions, and employer discretionary contributions. Participant contributions consist of participant pre-tax elective deferrals, participant after-tax contributions, and rollover contributions.

Total contributions, both participant and employer, including discretionary, are subject to the limits of the Internal Revenue Code Section 415(c). Participant contributions and employer matching contributions of certain highly compensated participants may also be limited based on contribution nondiscrimination tests described in Internal Revenue Code Sections 401(k) and 401(m).

Employer discretionary contributions, if any, are allocated to participants employed on the last day of the plan year in the same ratio as each participant's eligible compensation bears to the total eligible compensation of all participants. Employer discretionary matching contributions to the Plan, if any, are allocated as of the last day of the plan year to the account of each participant who elects to have deferred cash contributions made under the Plan, and who is employed with the employer on the last day of the plan year.

Participant Accounts and Vesting. Each participant's account is credited with the participant's contribution, the employer's contribution, and an allocation of the Plan's earnings. The Plan's earnings are allocated according to participants' relative account balances in the investment options.

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. That portion of the participants' account attributable to employer matching contributions vests ratably over six years of service. Participants' accounts become fully vested upon attainment of the normal retirement age of sixty five, early retirement age as defined in the Plan Agreement, or in the event of death or total disability.

Net assets available for benefits includes the accounts of active participants, as well as certain separated, vested and retired participants who have elected to defer receipt of their benefit until a later date. These participants share in the earnings of the investments held in their account.

Note 1: Description of Plan (continued)

Forfeitures. The forfeited non-vested portion of terminated employees account balances are used as additional employer contributions or pay administrative expenses. In 2025, there were $5,987of forfeitures generated from forfeited non-vested accounts, and $13,055 forfeitures were used during 2025 as an employer contribution. As of December 31, 2025 there were $6,986 of unused forfeitures available to pay plan expenses or to be used as an additional employer contribution.

Risks and Uncertainties. The Plan provides for various investment options which are exposed to a various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is possible that changes in the values of investments will occur in the near term and would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Payment of Benefits. On termination of service, normal retirement, or death, a participant may elect to receive a distribution of their vested account balance in a single lump-sum in cash, in equal installments, or in any amounts and at any time (Ad-Hoc). All investments available in the plan will allow for daily redemptions with no redemption notice period required. In certain hardship situations, as described in the plan agreement, participants may withdraw part of their account balances while actively employed, but such withdrawals are limited to the amount dictated by the hardship.

Notes Receivable from Participants. Participants may borrow the lesser of one-half of their vested account balance or $50,000. The minimum loan available is $1,000. Participant notes are recorded at their unpaid principal balance plus any accrued but unpaid interest. Loans are secured by the participant's interest in the Plan and are repaid through payroll deductions. Interest is earned on the participant notes at the prime rate in effect on the first day of the quarter plus one percent (6.75% at December 31, 2025). Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Plan Termination. Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time. In the event of termination, the respective participant interest, net of any termination fees, will become fully vested and will be distributed to each participant in accordance with Plan documents.

Investment Options. Upon enrollment in the Plan, a participant may direct their contributions in various increments to the investments administered by Empower Retirement. Participants may change their investment options among various mutual funds and collective trust funds.

Amendments - There were no amendments to the plan during the year ending December 31, 2025.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting. The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition. The Plan's investments with Empower Retirement at December 31, 2025 consist of collective trust funds (CTFs), mutual funds, and a stable value fund. CTFs and the Drive Income Fund Stable Value CTF are stated at fair value as determined by Empower Trust Company, LLC, the trustee of the Plan. Mutual funds are stated at fair value based on quoted market prices.

Note 2: Summary of Significant Accounting Policies (continued)

Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events. Plan management has evaluated subsequent events for disclosure in these financial statements through October 7, 2025, the date the financial statements were available to be issued.

Note 3: Information Certified by Trustee

Empower Trust Company, LLC, the trustee of the Plan, has certified as to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, the investment activities and interest income from participant notes reflected on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025, and all investment information reflected in the supplemental Schedule of Assets Held for Investment Purposes at December 31, 2025, in accordance with 29 CFR 2520.103-8(c) of the Department of Labor's Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This information has been certified as complete and accurate, and is summarized below:

	2025	2024
Investments at fair value	$ 17,745,648	$ 16,063,174
Notes Receivable from Participants	79,181	115,890
Dividend income	210,408	
Net depreciation in value of investments	2,129,812	
Interest Income from notes receivable from participants	6,980	
Other Income	278	

Note 4: Fair Value Measurements

Financial Accounting Standards Board ASC 820-10 (formerly FASB Statement No. 157, Fair Value Measurements), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in

Level 2: Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets:
Quoted prices for identical or similar assets or liabilities in inactive markets;
Inputs other than quoted prices that are observable for the asset or liability;
Inputs that are derived principally from or corroborated by observable market data by correlation or

Note 4: Fair Value Measurements - continued

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the net asset value ('NAV') of shares held by the plan at year end based on quoted market prices

Collective Trust Funds (CTFs): Valued at net asset value ('NAV') as provided by Empower Trust Company, LLC, the trustee of the Plan, based on the number of units held, and market prices of the underlying mutual fund investments. The NAV is used as a practical expedient to estimate fair value.

Drive Income Fund CTF: Valued at net asset value ('NAV') as provided by Empower Trust Company, the trustee of the Plan, based on the initial principal deposited, plus accrued interest, minus any participant withdrawals or administrative fees. The NAV is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Asset Hierarchy as of December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Assets in the fair value hierarchy:				
Mutual Funds	$ 1,577,097	$ -	$ -	$ 1,577,097

Total investments at fair value:	$ 1,577,097	$ -	$ -	$ 17,745,648

Note 4: Fair Value Measurements - continued

	Asset Hierarchy as of December 31, 2024			
	Level 1	Level 2	Level 3	Total

Total investments measured at NAV	-	-	-	14,643,979
Total investments at fair value:	$ 1,419,195	$ -	$ -	$ 16,063,174

Note 5: Stable Value Fund - Drive Income Fund

The Drive Income Fund is a stable value fund, held as a collective trust fund, that seeks to preserve capital, provide sufficient liquidity to pay benefits to participants and beneficiaries, and provide stable and predictable returns. The Income Fund is fully benefit responsive and withdrawals are made at contract value for qualified benefit payments including participant directed transfers. Under certain circumstances, non-benefit related withdrawals from the fund, such as the termination of a participating plan, may be transacted at fair value which may be lower than contract value. The minimum crediting rate is no less than 0%. The contract value is as follows:

	2025	2024
Traditional stable value investment CTF	$ 726,514	$ 961,018

Note 6: Tax Status

The Plan uses the prototype plan document Empower Retirement, LLC Defined Contribution Pre-Approved Plan, sponsored by Great-West Trust Company, LLC who received an opinion letter from the IRS dated November 14, 2022, which states that the prototype document satisfies the applicable provisions of the IRC. The Basic Plan Document was amended on May 18, 2020 to adopt the provisions of the Bipartisan Budget Act of 2018 regarding hardship withdrawals. The Basic Plan Document was amended on January 1, 2022 to make minor changes in the allocation conditions of employer contributions. The Plan itself has not received a determination letter from the IRS; however, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

The Plan administrator evaluates tax positions taken by the plan and recognizes a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administration has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2025, there are no uncertain positions. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2023.

Note 7: Investment and Administrative Fees

The Plan paid $52,181 in record keeping and administrative fees to Empower. These administrative fees consist of an asset charge of .30% and participant service fees. Total investment expenses charged by each mutual fund or CTF, not including record keeping fees of .30%, range from .0079% to .97% of average assets depending on which investments are selected.

Note 8: Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits and net increase (decrease) in assets available for benefits per the financial statements at December 31, 2025 and 2024 to the amounts shown on schedule H of the Form 5500. The Form 5500 for 2025 and 2024 has been prepared on a cash basis and doesn't include contributions receivable or corrective distributions payable at December 31, 2025 or 2024.

	2025	2024
Net assets available for benefits per financial statements	$ 18,030,878	$ 16,376,935
Less contributions receivable at December 31,	(208,887)	(206,945)
Add corrective distributions Payable at December 31,	2,838	9,074
Net Assets per schedule H of form 5500	$ 17,824,829	$ 16,179,064
Increase in net assets available for benefits per the financial statements	1,653,943	
Less contributions receivable at December 31, 2025	(208,887)	
Add contributions receivable at December 31, 2024	206,945	
Less corrective distributions accrual at December 31, 2024	(9,074)	
Add corrective distributions payable at December 31, 2025	2,838	
Total net income per form 5500	$ 1,645,765	

Note 9: Excess Contributions

For the years ending December 31, 2025 and 2024, the Plan was required to make corrective distributions to satisfy the relevant nondiscrimination provisions of the Plan of $2,838 and $9,074, respectively. These amounts are included in the plan's statement of net assets available for benefits as excess contributions payable at December 31, 2025 and 2024.

Note 10: Party-In-Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Some of the plan investments are Collective Trust Funds managed by Empower, the trustee. Empower is the investment advisor for these investments, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Empower for investment management services of these collective trust funds is included as a reduction of the return on each fund. Notes receivable from participants also reflect party-in-interest transactions.

Note 11: Prohibited Transactions - Delinquent Participant Contributions

During the 2021 plan year, the Plan sponsor inadvertently failed to deposit $268 of participant deferrals within the required timeframe as stated by the United States Department of Labor (DOL). The DOL considers late deposits to be prohibited transactions. The plan sponsor reported late deposit on form 5500 and contributed $2 of lost earnings to the affected participants in September 2026.
