INDEPENDENT AUDITOR'S REPORT

To: Marous Brothers Construction Administrative Committee of
401(k) Profit Sharing Plan and Participants

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of Marous Brothers Construction 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Marous Brothers Construction 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, Empower Trust Company, LLC, as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Notes C and D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Marous Brothers Construction 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Marous Brothers Construction 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Marous Brothers Construction 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Marous Brothers Construction 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

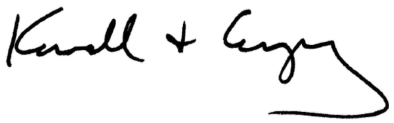

The supplemental schedules listed in the accompanying table of contents as of and for the years ended December 31, 2025 and 2024 are present for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing

standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MAROUS BROTHERS CONSTRUCTION 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 and 2024

Note A – Description of Plan

The following description of the Marous Brothers Construction 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General.* The Plan is a defined contribution plan covering all non-union full-time employees of Marous Brothers Construction, Inc. (The Company), who are eighteen years old or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Officers of the Company oversee the governance of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the officers of the Company.

2. *Contributions.* Each year, participants may contribute the maximum allowable under current Federal Tax Law, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Beginning January 1, 2018, The Plan is designed to qualify as a "Safe Harbor 401(k) Plan". The Company will provide a Safe Harbor Employer Contribution of 3% of Plan Compensation for those employees with a minimum of one year of service as defined by the Plan. Contributions are subject to certain Internal Revenue Code (IRC) limitations. The Plan offers various mutual funds and money market accounts as investment options for participants. The plan provides that employee contributions can be made to the plan on both a pre-tax as well as Roth deferral basis as allowable by Federal Law.
Other Contributions. The safe harbor contribution is in addition to any Salary Deferrals you make to the Plan. In addition to the safe harbor contribution, the Plan provides for the following additional contributions:
Discretionary employer contribution. The Company has the discretion to make additional employer contributions on behalf of eligible participants under the Plan. The Company will decide each year how much (if any) to contribute to the Plan as an employer contribution.
Discretionary matching contribution. The Company has the discretion to make a matching contribution for eligible participants who contribute to the Plan. The Company will decide each year how much (if any) to contribute as an additional matching contribution.

3. *Participant Accounts.* Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, net of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. *Vesting.* Participants are immediately vested in their contributions and any safe harbor contributions plus actual earnings thereon.

5. *Participant Loans.* Effective January 1, 2008, participants may borrow from their individual account balance a minimum of $1,000 up to a maximum of $50,000 or 50% of their individual contributed account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate printed in the Wall Street Journal at the time of the loan.

6. *Payment of Benefits.* On termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In addition, a participant may elect to receive an in-service distribution, while still employed, but only if the participant satisfies certain plan requirements.

Note A – Description of Plan (continued)

7. *Forfeitures.* Forfeited non-vested amounts are first used to pay administrative expenses of the Plan then used to reduce employer and/or matching contributions for the Plan year following the Plan year in which the forfeitures occur. Forfeited non-vested accounts totaled $101 and $617 at December 31, 2025 and 2024, respectively.

Note B – Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments in collective trust funds are stated at net asset value per share. See Note C for discussion of value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Investments in fixed annuity contracts are reported at contract value (See Note D for discussion of valuation).

Date of Management's Review

Subsequent events were evaluated through October 4, 2026, which is the date the financial statements were available to be issued.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Contract administrative fees of $ 84,628 and $71,945 were incurred for the years ended December 31, 2025, and 2024, respectively. All other operating expenses of the Plan are paid by the Company and are therefore excluded from these financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan trustee considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Note C – Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets required for the use of Level 3 inputs for the periods presented.

Collective investment trusts are public investment vehicles valued using the NAV provided by the trustee. The NAV is based on the value of the underlying assets owned by the trust minus its liabilities, divided by the number of shares outstanding. The NAV is not a quoted price in an active market.

Investments at Level 1 Fair Value are mutual funds whose value is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

There are no investments at Level 3 Fair Value in the Plan for the years ended December 31, 2025 and 2024.

Fair Value Measurements at the End of the Reporting Period Using:

	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Level 3	Investments measured at net asset value (NAV)
December 31, 2025					
Mutual Funds	4,604,213	4,604,213			
Fixed Annuity Contracts	1,203,910		1,203,910		
Collective Trust Funds	15,073,317				15,073,317
Total	**20,881,440**				

	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Level 3	Investments measured at net asset value (NAV)
December 31, 2024					
Mutual Funds	3,286,935	3,286,935			
Fixed Annuity Contracts	1,573,130		1,573,130		
Collective Trust Funds	12,095,372				12,095,372
Total	**16,955,437**				

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024, are reported in net investments gain/(loss) from registered investment companies.

Note D – Guaranteed Investment Contract with Life Insurance Companies

Investment at contract values are fixed annuity contracts issued by the trustee insurance companies. Contracts are backed by the general account of the issuing insurance companies. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by the respective insurance company, represents contributions made under the contract, plus earnings, less participant withdrawals. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2025 and 2024 was $ 1,203,919 and $1,573,130, respectively. The crediting interest rate is based on a formula agreed upon with the issuers and can range from 1% to 3%.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Note E – Non-Participant-Directed Investments

The Plan held no nonparticipant-directed investments during the plan year 2025 and 2024.

Note F – Tax Status

The Internal Revenue Service has determined and informed the Company by a letter Effective March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe the Plan in qualified and the related trust is tax exempt. Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note G – Plan Termination

Although it has not expressed any intent to do so, The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note H – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	**2024**
Net Assets available for benefits per the financial statements	$ 20,881,440	$ 17,048,434
Contributions receivable	0	0
Net assets available for benefits per the Form 5500	$ 20,881,440	$ 17,048,434

Note I – Risks and Uncertainties

The Plan invests in various investments securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note J – Party-In-Interest

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services for the Plan, and employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such employer or employee association, or relatives of such person. The Plan invests a certain fund of the Plan Service Provider.

The Plan paid no direct expenses to the Plan trustees during 2025 and 2024.

Certain administration functions are performed by officers and employees of the Company (who also may be participants in the Plan) at no cost to the Plan. These transactions are not deemed prohibited party-in-interest transactions because they are covered by the statutory or administrative exceptions from the Internal Revenue Code's and ERISA's rules on prohibited transactions.

The Guaranteed Insurance Contract investments of the Plan are managed by the respective Plan trustee insurance companies, the respective insurance companies, and therefore, this transaction qualifies as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
