Independent Auditor's Report

To the Plan Administrative Committee of
Central Carolina Air Conditioning Co., LLC 401(k) Plan
Greensboro, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Central Carolina Air Conditioning Co., LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Central Carolina Air Conditioning Co., LLC 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from Transamerica Trust Company a qualified institution, as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Breslow Starling Advisors, LLC is not a licensed CPA firm.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of Central Carolina Air Conditioning Co., LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Carolina Air Conditioning Co., LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

"Breslow Starling" is the brand name under which Breslow Starling Frost Warner Boger Hiatt PLLC and Breslow Starling Advisors, LLC provide professional services. Breslow Starling Frost Warner Boger Hiatt PLLC and Breslow Starling Advisors, LLC practice as an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable laws, regulations, and professional standards. Breslow Starling Frost Warner Boger Hiatt PLLC is a licensed independent CPA firm that provides attest services to its clients and Breslow Starling Advisors, LLC provides tax and business consulting services to their clients. Breslow Starling Advisors, LLC is not a licensed CPA firm.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Central Carolina Air Conditioning Co., LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Carolina Air Conditioning Co., LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H line 4i-Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CENTRAL CAROLINA AIR CONDITIONING CO., LLC
401(k) PLAN

Notes to Financial Statements

NOTE 1 – Description of the Plan

The following description of the Central Carolina Air Conditioning Co., LLC (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined-contribution plan covering all full-time employees of the Company who have two months of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan sponsor determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Plan Amendments - Effective January 1, 2024, the Plan was amended and restated onto the Transamerica Retirement Solutions, LLC Preapproved 401(k) Profit Sharing Plan document. As of this date, the list of expenses qualifying for a hardship distribution now include residential casualty expenses and losses (including loss of income) on account of a disaster if the participant's principal residence or place of employment is located in a FEMA designated area. The definition of residential casualty loss has also been broadened to include residential casualties even if they are not part of a federally declared disaster. In addition, eligibility conditions for participation are now met once the employee reaches age 21 and has completed two months of service (previously one year or 1000 hours). Eligibility conditions for purposes of matching contributions remain attainment of age 21 and completion of one year of service.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also immediately vested in the safe harbor Company-match-contribution portion of their accounts plus actual earnings thereon. Any discretionary matching or other employer contribution vests on a six-year graded schedule. A participant is 100 percent vested if while employed with Central Carolina Air Conditioning Co., LLC, the employee dies, becomes disabled or reaches early retirement age.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of 50% of their vested account balance not to exceed $50,000. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 1% as determined on the first business day of the month before the loans originated by the Plan Administrator, and range from 4.25% - 9.50%. Principal and interest are paid ratably through bi-weekly payroll deductions.

(Continued)

NOTE 1 – Description of the Plan (Continued)

Payment of Benefits – Upon termination of service due to death, disability, retirement or separation, a participant may elect to receive a lump-sum payment. In-service distributions may be made to participants who have reached 59 1/2 years of age. Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with provisions specified in the Plan.

Contributions - Each year, participants may contribute a portion of pre-tax annual compensation or after-tax annual compensation subject to a maximum amount as provided by the Secretary of the Treasury. Upon enrollment in the Plan, a participant may direct employee contributions in any of the investment options offered through the Plan. The Company contributes a matching deferral equal to 100% of the participant's salary deferral that does not exceed 3%, plus 50% of salary deferrals between 3% and 5%. The employer may make a discretionary profit-sharing contribution to be allocated to each eligible participant. No profit-sharing contributions were made for the years ended December 31, 2025 and 2024.

Unallocated Accounts – Unallocated accounts are temporarily-held Plan assets that may be used to offset future employer Plan contributions or pay administrative expenses. Additions to these accounts may include forfeitures from non-vested participants, employer deposits, or transfers into the Plan.

The Plan's unallocated accounts consisted of interest-bearing cash at December 31, 2025 and 2024, respectively. The Plan's unallocated accounts also consisted of forfeitures held in the Plan's Stable Value Fund at December 31, 2024 (*see Forfeited Accounts below).* Unallocated accounts totaled $21,387 and $21,397, respectively, at December 31, 2025, and 2024.

Forfeited Accounts – Forfeitures from non-vested participant accounts may be used to offset future Company contributions or pay administrative expenses. $527 and $0 in forfeitures were used for such purposes during the years ended December 31, 2025 and 2024, respectively. Forfeited non-vested accounts totaled $0 and $337 at December 31, 2025 and 2024, respectively.

NOTE 2 – Summary of Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures. Actual results could differ from those estimates.

(Continued)

NOTE 2 – Summary of Accounting Policies (Continued)

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Excess Contributions Payable - Amounts payable to participants as of the end of the plan year for contributions in excess of amounts allowed by the IRS and not repaid by March 15 following the plan year end are recorded as a liability with a corresponding reduction to contributions. The plan distributed excess contributions to the applicable participants prior to March 15, 2026 and 2025, respectively.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair-value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 8 for discussion of investment contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan sponsor and are not included in the accompanying financial statements. Fees related to the administration of notes receivables from participants and participant withdrawals are charged directly to the participant's account and are included in administrative expenses. Expenses not paid by the Plan Sponsor are paid using the Plan's Assets and will generally be allocated among the accounts of all participants in the Plan. These expenses will be allocated either proportionately based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan. The method of allocation depends on the nature of the expense itself.

NOTE 3 – Information Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. The Plan's trustee, Transamerica Trust Company has certified that the investments and related income reflected in the accompanying financial statements and supplemental schedule are complete and accurate.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4 - Tax Status

The Plan, which is a prototype, obtained its latest determination letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe the Plan is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not the position would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to audits by taxing jurisdictions; however, there are currently no audits in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 5 – Administrative Expenses

Certain legal, accounting and consulting fees are paid by the Plan sponsor and are not reported as Plan contributions or expenditures.

NOTE 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 7 – Fair Value Measurements

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for the identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts: Reported at fair value using net asset value per share (or its equivalent) as a practical expedient and not classified in the fair value hierarchy in accordance with ASC Subtopic 820-10. The fair values presented in the hierarchy tables are intended to permit reconciliation of the fair value hierarchy to the investments at fair value as presented in the Statements of Net Assets Available for Benefits.

(Continued)

NOTE 7 – Fair Value Measurements (Continued)

The preceding methods may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at fair value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 7,454,957	$ 0	$ 0	$ 7,454,957
Total assets in fair value hierarchy	7,454,957	0	0	7,454,957
Investments measured at NAV as the readily determinable fair value				
Common collective trust	0	0	0	1,032,237
Total assets at fair value	$ 7,454,957	$ 0	$ 0	$ 8,487,194

	Assets at fair value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 7,531,430	$ 0	$ 0	$ 7,531,430
Total assets in fair value hierarchy	7,531,430	0	0	7,531,430
Investments measured at NAV as the readily determinable fair value				
Common collective trust	0	0	0	750,196
Total assets at fair value	$ 7,531,430	$ 0	$ 0	$ 8,281,626

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2025, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

(Continued)

NOTE 7 – Fair Value Measurements (Continued)

The following table summarizes investments measured at fair value based on the NAV per share as of December 31, 2025 and 2024, respectively.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trust	$1,032,237	n/a	Daily	Daily

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trust	$ 750,196	n/a	Daily	Daily

NOTE 8 – Stable Value Option Contract with Insurance Company

The Plan has entered into a traditional fully benefit-responsive stable value option contract with Transamerica Life Insurance Company, operating under the name Transamerica. Transamerica maintains the contributions in a general account ("Stable Fund"). The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Group Annuity Contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The Stable Value Option investment choices in the Group Annuity Contract meet the criteria to be considered fully benefit-responsive and thus are reportable at contract value on the statement of net assets available for benefits. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The value of the stable value contract is guaranteed by Transamerica as a going concern. The contract value of the investment contract at December 31, 2025 and 2024 was $1,803,493 and $1,969,699, respectively. Interest is credited, based upon the daily balance at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six-month period established January 1st and July 1st. There is no stated minimum or maximum interest rate for the Stable Value Option.

(Continued)

NOTE 8 – Stable Value Option Contract with Insurance Company (Continued)

Certain events limit the Plan's ability to transact at contract value with Transamerica. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants or the issuer, is probable. The Stable Value Option investment choice does not permit the insurance company to terminate the agreement prior to the scheduled maturity dates.

NOTE 9 – Plan Investments

During 2025, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated by $924,052, as follows:

Mutual Funds	$	780,513
Common/Collective Trusts		143,539
Total	$	924,052

NOTE 10 – Related-Party Transactions

Certain Plan investments are common collective trusts sponsored by Transamerica Trust Company. These common collective trusts invest a portion of their assets into a general stable value product, also sponsored by Transamerica and may also invest in other funds managed by Transamerica Trust Company, or its affiliates, and from which revenues are received.

The Plan's previous custodian, American Trust Custody, managed certain Plan investments, including shares of mutual funds during the year ended December 31, 2024. The Plan received revenue sharing payments from mutual service providers, which were used to offset fees paid by the Plan. Fees in excess of the revenue sharing credits were allocated to participants and expensed.

NOTE 12 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

NOTE 13 - Subsequent Events

For the year ended December 31, 2025, the Company evaluated subsequent events for potential recognition and disclosure through September 21, 2026, the date the financial statements were available to be issued.
