Report of Independent Auditor

To the Plan Administrator
Ora, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the financial statements of the Ora, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am required to be independent of the Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ORA, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF PLAN

The Ora, LLC 401(k) Plan (formerly the Ora 401(k) Plan) (the Plan) is a defined contribution plan covering substantially all employees of Ora, Inc., Andover Eye Associates, Inc. and Vastrax, LLC (the Employers or Plan Sponsor). The Plan was established February 1, 1999 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

ORGANIZATIONAL CHANGES / TRANSFERS

During July 2024, Ora, Inc. was recapitalized and common ownership changed. In connection with this transaction, the Plan was amended to remove Andover Eye Associates, Inc. (AEA) and Vastrax, LLC (Vastrax) as participating employers.

The balances associated with Vastrax participants were spun off into a new plan sponsored by Vastrax. Approximately $364,000 of assets were transferred to the Vastrax, Inc. 401(k) Plan in September 2024. Andover employees affected by this transaction were fully vested in their account balances.

In October 2024, Ora, Inc. was renamed Ora, LLC and the plan name was changed.

The following description of the Plan only provides general information. Participants should refer to the Plan agreement or the Summary Plan Description for a more complete description of the Plan's provisions.

PARTICIPATION

Eligible employees who have attained age 21 and completed one month of service may participate in the Plan. Eligible employees may enter the Plan on the first day of the month following the completion of the eligibility requirements.

CONTRIBUTIONS

Participants may elect to defer a specified percentage of compensation, as defined, not to exceed Internal Revenue Code limitations. Participants may also make after-tax Roth elective contributions. The Plan Sponsor will withhold 8% (6% through July 2024) of compensation for any new or rehired participants with no deferral elections, unless the participant affirmatively elects a different percentage.

1. DESCRIPTION OF PLAN (CONTINUED)

The Employers may make discretionary matching contributions. For 2025 and 2024, the matching contribution for all employees was 50% of an employee's elective deferral contribution, disregarding any elective deferral contribution in excess of 8%.

VESTING

Participants are immediately vested in their elective deferral contributions. Participants are fully vested in the Employers' contributions upon completion of three years of service.

FORFEITURES / UNALLOCATED BALANCES

Participants who leave the Employers with less than three years of service forfeit the non-vested portion of the Employers' contributions. Forfeitures are available to reduce expenses associated with the Plan's administration or offset future Employer contributions. Approximately $106,000 and $158,000 of forfeitures were utilized to offset Employers' contributions during the years ended December 31, 2025 and 2024, respectively. At December 31, 2025, the Plan had approximately $500 of unallocated balances.

SDC TRANSITION / NOTES RECEIVABLE FROM PARTICIPANT

In February 2024, Statistics and Data Corporation (SDC), an entity with some common ownership, transitioned one of its division's employees to Ora, Inc. In connection with this, approximately $1.0 million of balances from former SDC employees were rolled into the Plan during 2024. The Plan was amended to credit prior service with SDC for Plan purposes.

While the Plan does not provide for participants to take loans, the Plan did accept a rollover of notes receivable from a former SDC participant.

PLAN TERMINATION

The Employers intend to continue the Plan indefinitely, but reserve the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination, participants will become fully vested in their accrued benefits.

2. SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accounting records are maintained on the accrual basis.

VALUATION OF INVESTMENTS

The Plan's investments are recorded at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion of fair value measurements.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts and disclosures reported in the financial statements. Actual results may differ from management's estimates and assumptions.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through the audit report date, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification 820 *Fair Value Measurements* (ASC 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The financial instruments' fair value measurement level is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 - Other significant observable inputs (including quoted prices in active markets for similar financial instruments), or other inputs that are observable or can be corroborated by observable market data.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

Following is a description of the valuation methodologies used for assets measured at fair value.

- Registered investment companies – Fair value is based on quoted net asset values of the shares held by the Plan.
- Common collective trusts – The plan's units of participation are valued using net asset value as a practical expedient, as reported by the fund managers. The net asset value generally represents the amount at which units are redeemed on a regular basis.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair value information for investments held at December 31, 2025 and 2024 is as follows:

December 31, 2025	**Level 1**	**Level 2**	**Level 3**	**Total**
Investments in fair value hierarchy:				
Registered investment companies	**$ 30,812,537**	**$ -**	**$ -**	**$ 30,812,537**
Investments using NAV practical expedient:				
Common collective trusts				**5,364,766**
Total assets at fair value				**$ 36,177,303**

December 31, 2024	**Level 1**	**Level 2**	**Level 3**	**Total**
Investments in fair value hierarchy:				
Registered investment companies	$ 21,018,221	$ -	$ -	$ 21,018,221
Investments using NAV practical expedient:				
Common collective trusts				5,217,156
Total assets at fair value				$ 26,235,377

4. INVESTMENTS

All investment information disclosed in the accompanying financial statements and schedule, including investments held at December 31, 2025 and 2024, and net investment gains (losses) from registered investment companies and common collective trusts for the years then ended were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan (a qualified institution).

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Plan invests in several common collective trusts. At December 31, 2025, there were no unfunded commitments related to these investments and units could be redeemed on a daily basis. Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, could limit the Plan's ability to transact at net asset value with the Trust. The Plan administrator believes the occurrence of such events that would also limit the Plan's ability to transact at net asset value with Plan participants is not probable.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments consist of mutual funds managed by Fidelity Investments, a related party to the trustee of the Plan. Therefore, these transactions and accounts qualify as party-in-interest.

Direct expenses paid from Plan assets consist primarily of withdrawal processing fees and individual investment advisory fees deducted from the respective participant accounts.

A portion of the fees incurred by the Plan for recordkeeping services are reimbursed indirectly through revenue sharing from the underlying Plan investments. These costs are not reflected separately, but are included in the net investment return of these investments. Any remaining recordkeeping expenses in excess of revenue offsets were provided at the expense of the Employers.

Any other administrative expenses not paid from Plan assets are provided at the expense of the Employers, including plan investment advisory services, audit fees and third-party administration.

6. TAX STATUS

The Plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the written form of the underlying pre-approved plan document is qualified under Section 401(a) of the Internal Revenue Code (the "Code"), and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is exempt from taxation. Subsequent to the issuance of this opinion letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Sponsor has indicated that it will take the necessary steps to maintain the Plan's qualified status.

The Plan Sponsor has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Sponsor believes it is no longer subject to tax examinations for reporting years prior to 2022.

7. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2025 and 2024:

	2025	2024
