# Independent Auditor's Report

Plan Committee
McLaughlin Family Companies 401(k) Plan

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the McLaughlin Family Companies 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedule Required by ERISA**
The supplemental schedule of assets (held at year end) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Note 1. Plan Description

The following description of the McLaughlin Family Companies 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

**General and eligibility:** The Plan is a defined contribution plan covering substantially all eligible employees of McLaughlin Family Companies, which includes Scranton Manufacturing Co., Inc., Bowie International LLC, New Way Auto Group LLC, McLaughlin Motors LLC d/b/a New Way Ford and Fast Lane Motor Parts LLC (collectively, the Company) who have completed three months of service, have attained 18 years of age and are not covered under the terms of a collective bargaining agreement. Once eligible, participants can enter the Plan the first day of the following month. The Plan provides for automatic enrollment at a deferral rate of 4% upon meeting eligibility requirements. The Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the applicable current Internal Revenue Code (the Code) provisions.

**Contributions and investment options:** Employees who are eligible to participate in the Plan can make elective deferral contributions up to 100% of compensation up to the annual limit set by the Internal Revenue Service (IRS). The Company in its discretion may make matching or nonelective contributions equal to a percentage of each participant's compensation. During the year ended December 31, 2025, the Company matched 50% of the first 6% of employee deferrals. There were no discretionary contributions during the year ended December 31, 2025.

Participants direct the investment of their contributions and any employer contributions into various investments offered by the Plan. The Plan currently offers common collective trust funds and mutual funds as investment options for participants. Participants may change their investment options daily.

**Participant accounts:** Each participant's account is credited with the participant's contribution, the Company's discretionary matching contribution and an allocation of: (a) the Company's nonelective contributions, (b) Plan earnings and (c) administrative expenses, if any. Allocations are based upon participant's compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

**Vesting:** The participant is 100% vested in their elective deferral contributions, plus actual earnings thereon. The Company's discretionary matching and nonelective contributions begin vesting after two years of service and vest at 20% for each successive year until 100% vested after six years of service.

**Payment of benefits:** Upon retirement, death, approved hardship, age 59½, an ad-hoc distribution or termination of employment, participants or their beneficiaries may elect to receive a lump-sum payment or installments. If the participant's vested benefit in the Plan does not exceed $5,000, the benefit will be distributed in a single lump sum as soon as administratively feasible following the event that entitles the participant to a distribution.

**Forfeitures:** Forfeitures are used to pay for Plan expenses and reduce Company contributions. During the year ended December 31, 2025, forfeitures from nonvested account balances reduced employer contributions by approximately $108,000. The balance of forfeited nonvested accounts totaled $10,889 and $27,024 as of December 31, 2025 and 2024, respectively.

## Note 2. Significant Accounting Policies

The Plan's significant accounting policies are as follows:

**Basis of accounting:** The financial statements of the Plan are prepared under the accrual basis of accounting.

**Accounting estimates and assumptions:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Contributions:** Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

**Investment valuation and income recognition:** The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the trustee. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes gains and losses on investments bought and sold, as well as held, during the year. Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment returns for such investments.

**Payment of benefits:** Benefit payments are recorded when paid.

**Subsequent events:** The Plan Administrator has evaluated subsequent events through October 6, 2026, which is the date the financial statements were available to be issued.

## Note 3. Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Certain other administrative expenses are paid directly by the Plan. Investment-related expenses are included in net appreciation of fair value of investments.

### Note 4. Information Certified and Provided by Empower Trust Company, LLC (Trustee)

The following is a summary of the Plan's asset and investment income information as of December 31, 2025 and 2024, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC, a qualified institution:

| | December 31 | |
|---|---|---|
| | 2025 | 2024 |
| Investments at fair value: | | |
| Mutual funds | $ 24,722,221 | $ 18,817,175 |
| Common collective trust funds | - | 1,297,722 |
| Self-directed brokerage accounts | 2,826 | - |
| | $ 24,725,047 | $ 20,114,897 |

The trustee also certified to the completeness and accuracy of $659,487 of interest and dividend income, $1,562 of other income and $3,104,173 of net appreciation in fair value of the Plan's investments (including investments bought, sold and held during the year) for the year ended December 31, 2025.

### Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their entire account.

### Note 6. Tax Status

The Plan has adopted a preapproved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022, stating that the form of the preapproved plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator believes the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC.

U.S. GAAP require the plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits or any tax periods in progress.

### Note 7. Related-Party Transactions

Certain plan investments are shares of common collective trust (CCT) funds managed by Empower Trust Company, LLC. Empower Trust Company, LLC is a trustee as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the trustee totaled $130,380 for the year ended December 31, 2025.

## Note 8. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants and required the use of valuation techniques that are consistent with the market approach, the income approach and/or the cost approach. Inputs to valuation techniques refer to the assumptions that market participants would use in pricing the asset or liability. Inputs may be observable, meaning those that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from independent sources, or unobservable, meaning those that reflect the Plan's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The fair value hierarchy is as follows:

**Level 1:** Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date

**Level 2:** Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active or other inputs that are observable or can be corroborated by observable market data

**Level 3:** Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability

A description of the valuation methodologies used for instruments measured at fair value, as well as the general classification of such instruments pursuant to the valuation hierarchy, is set forth below. The level to which an asset or liability is classified is based upon the lowest level of input that is significant to the fair value measurements. There have been no changes in valuation methodologies at December 31, 2025, compared to December 31, 2024. During the year ended December 31, 2025, the Plan did not make significant transfers between Level 1, 2 or 3 assets.

***Mutual funds:*** Mutual funds are reported at fair value based on the quoted market price of the fund. These investments are classified within Level 1 of the valuation hierarchy.

***Self-directed brokerage accounts:*** These accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices and are classified within Level 1 of the valuation hierarchy.

***Common collective trust funds:*** Common collective trust funds invest in collective trust funds as well as a variety of separate accounts and mutual funds. The net asset value is used as a practical expedient to determine fair value for these accounts. Each collective investment trust account provides for redemptions by the Plan at reported net asset values per share, with little to no advance notice requirement. Investments measured at net asset value per share used as a practical expedient are not required to be classified in the fair value hierarchy.

## Note 8. Fair Value Measurements (Continued)

Financial assets and financial liabilities measured at fair value on a recurring basis as of December 31, 2025 and 2024, are as follows:

| | Assets at Fair Value as of December 31, 2025 | | | |
|---|---|---|---|---|
| Description | Total | Level 1 | Level 2 | Level 3 |
| Mutual funds | $ 24,722,221 | $ 24,722,221 | $ - | $ - |
| Self-directed brokerage accounts | 2,826 | 2,826 | - | - |
| Total assets in the fair value hierarchy | 24,725,047 | $ 24,725,047 | $ - | $ - |
| Investments measured at NAV (a) | - | | | |
| Investments at fair value | $ 24,725,047 | | | |

| | Assets at Fair Value as of December 31, 2024 | | | |
|---|---|---|---|---|
| Description | Total | Level 1 | Level 2 | Level 3 |
| Mutual funds | $ 18,817,175 | $ 18,817,175 | $ - | $ - |
| Total assets in the fair value hierarchy | 18,817,175 | $ 18,817,175 | $ - | $ - |
| Investments measured at NAV (a) | 1,297,722 | | | |
| Investments at fair value | $ 20,114,897 | | | |

(a) In accordance with ASC 820-10, certain investments that were measured at net asset value (NAV) per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share as of December 31, 2025 and 2024. The common collective trust funds file Form 5500 with the DOL as direct filing entities and accordingly, the investment strategies of the bank common trust funds are not included herein.

| | Fair Value | | Unfunded | Redemption | Redemption |
|---|---|---|---|---|---|
| Investment | 2025 | 2024 | Commitment | Frequency | Notice Period |
| Common collective trust funds: | | | | | |
| Balanced/asset allocation | $ - | $ 1,297,722 | $ - | Immediate | None |
| Total common collective trust funds | $ - | $ 1,297,722 | | | |

## Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
