Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Haverford College Retirement Healthcare Savings Program (formerly Emeriti Retiree Health Plan for Corporation of Haverford College), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Haverford College Retirement Healthcare Savings Program's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Haverford College Retirement Healthcare Savings Program and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Haverford College Retirement Healthcare Savings Program's ability to continue as a going concern for one year after the date that the financial statements are available to be issued .

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Haverford College Retirement Healthcare Savings Program's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Haverford College Retirement Healthcare Savings Program's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

See accompanying Notes to Financial Statements.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN

The following description of the Haverford College Retirement Healthcare Savings Program (the Plan) (formerly Emeriti Retiree Health Plan for Corporation of Haverford College) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established July 1, 2005, is a defined contribution health and welfare plan covering substantially all employees of Haverford College (the College) who are not seasonal employees or employees scheduled to work less than 910 hours (1,000 hours effective July 1, 2024) per year. Plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Employees are eligible to participate in after-tax salary reduction arrangement in the Plan after attaining age 21. Employees are eligible to participate in College contributions after attaining age 40. Fixed-Term Employees have a one year waiting period before eligibility. Entry into the Plan is the month in which eligibility requirements are met.

Contributions

Eligible employees and retirees may voluntarily contribute a portion of their after-tax compensation, as defined by the Plan. The College begins making employer contributions to the Plan on behalf of each eligible employee as soon as administratively possible after the employee attains age 40. The College's annual contribution amount per participant is $1,000 ($83.34 monthly). The College will cease making employer contributions to a participant's account as of the date when the College has made contributions for 25 years, the employee ceases to be employed by the College, or if the participant dies.

Benefit Payments

A participant who is employed by the College meets the requirements for eligibility under the Plan upon attaining age 60 and having performed at least seven years of continuous service. Upon meeting the requirements for retirement eligibility under the Plan, participants are reimbursed for allowable medical expenses for themselves, spouses, domestic partners, and those individuals designated as dependents. The Plan also provides eligible participants with the option to enroll in medical and dental insurance coverage through Aetna Life Insurance Company. In addition, participants who cease employment with the College are eligible for reimbursement benefits from their vested account balance.

Insured Benefits

The Plan provides for fully insured medical, dental, and prescription drug benefits. The College purchases annual insurance contracts for these insured benefits. Premiums for all insured benefits are paid from the participant's account balance or retiree contributions.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the College's contributions, allocations of Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. Income is allocated daily based on the shares in the participant's vested account. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting and Forfeitures

Participants are immediately vested in their employee contributions plus actual earnings thereon. A participant who has met the requirements for retirement eligibility, or has completed at least seven years of continuous service, will not forfeit his or her accumulated employer account balance upon termination of employment. If a participant ceases to be employed by the College and has not met the eligibility requirements for vesting of employer contributions, those contributions are forfeited to the Plan. Forfeitures of employer contributions are used to reduce future College contributions or can also be used to pay Plan expenses. Any residual balance remaining in the employee after-tax contribution account upon the participant's death and the death of any related dependents will be forfeited to the Plan. Forfeited employee contributions are allocated among participants with a positive balance in their employee contribution account.

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $34,343 and $17,360, respectively. There were $5,269 of forfeitures used to offset College contributions for the year ended December 31, 2025.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTNUED)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

The College pays certain administrative expenses incurred in connection with the operation of the Plan. The administrative expenses on the statement of changes in net assets available for benefits primarily represent fees deducted from participants' accounts for recordkeeping, consulting, and custodial services.

Contributions

Contributions from participants recorded in the year in which the employee contributions are withheld from compensation. The College contributions are recorded in the year in which participants earn the contribution based on service or other eligibility criteria under the terms of the Plan.

Payment of Benefits

Reimbursements for qualified medical expenses are recorded when paid. Premiums paid by the Plan are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 7, 2026, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Alta Trust, the qualified institution of the Plan, has supplied the Plan administrator with certifications as to the completeness and accuracy of investments as of December 31, 2025 and 2024 and investment income for the year ended December 31, 2025, in the accompanying financial statements and ERISA-required supplemental schedule.

NOTE 4 FAIR VALUE OF INVESTMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2025 and 2024.

Money Market Fund: Valued at the net asset value (NAV) of shares held by the Plan at year-end based on a quoted price in an active market.

Registered Investment Companies: Valued at the NAV of shares held by the Plan at year-end as quoted in active markets. In an effort to reduce market timing and excessive trading, shareholders will be locked out of a fund for 90 days if a purchase, sale, and repurchase with that fund is made within a 60-day period.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Assets:				
Money Market Fund	$ 343,526	$ -	$ -	$ 343,526
Registered Investment Companies	12,115,060	-	-	12,115,060
Total Investments at Fair Value	$ 12,458,586	$ -	$ -	$ 12,458,586

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

	2024			
	Level 1	Level 2	Level 3	Total
Assets:				
Money Market Fund	$ 438,140	$ -	$ -	$ 438,140
Registered Investment Companies	10,238,459	-	-	10,238,459
Total Investments at Fair Value	$ 10,676,599	$ -	$ -	$ 10,676,599

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the College has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 PLAN TAX STATUS

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS) dated October 11, 2006, stating that the trust is tax-exempt under the provisions of Section 501(c)9 of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 for unrelated business taxable income.

In addition, the Plan and trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

The Plan investments are managed by Alta Trust, the qualified institution as defined by the Plan, and therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for recordkeeping, consulting, and custodial services during the year ended December 31, 2025 also qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
