Independent Auditors' Report

To the Plan Administrator of the
TRUMPF, Inc. Employee Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the TRUMPF, Inc. Employee Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(c) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at year end as of December 31, 2025 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

To the Plan Administrator of the
TRUMPF, Inc. Employee Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the TRUMPF, Inc. Employee Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(c) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at year end as of December 31, 2025 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRUMPF, Inc.
Employee Retirement Savings Plan

Notes to Financial Statements

1. Description of Plan

As approved by the TRUMPF, Inc. Employee Savings Plan (the Former Plan) trustees, the TRUMPF, Inc. Pension Plan (the Pension Plan), a defined contribution plan established by TRUMPF, Inc. (the Company), merged all of its assets totaling $12,009,204 into the Former Plan on December 31, 2001. As of that date, all members of the Pension Plan participated fully in the Former Plan.

Effective December 31, 2001, the Former Plan was amended and restated to reflect the merger of the Pension Plan. The Former Plan was then renamed the TRUMPF, Inc. Employee Retirement Savings Plan (the Plan).

The following description of the Plan provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is an employee savings plan, subject to the provisions of the Internal Revenue Code (IRC or the Code). Employees generally become eligible participants in the Plan after three months of service, as defined in the Plan Document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Eligible participants are permitted to contribute the lesser of 50% of their annual wages on a pre-tax basis, or the dollar limitation as set forth by the IRC. Such limitation on participant contributions was $23,500 and $23,000 for Plan years 2025 and 2024, with the exception of certain allowable catch-up contributions for participants over the age of 50. The maximum amount a participant may contribute as a catch-up contribution for the Plan years 2025 and 2024 was $7,500.

Effective January 1, 2011, the Plan was formally amended to become a 401(k) Safe Harbor Plan, and as a result, participants became eligible to receive an employer safe harbor matching contribution of 100% of the first 3% of each participant's compensation contributed, and 50% of the next 3% of each participant's compensation contributed.

The Company makes an additional contribution equal to 3% of each participant's compensation as outlined in the Summary Plan Description for Plan years 2025 and 2024. Employees generally become eligible for this contribution after one year of service.

1. Description of Plan (continued)

Contributions (continued)

The Plan includes an annual supplemental Company matching contribution true-up for highly compensated employees who approach the Internal Revenue Service (IRS) stipulated contribution limits. Such contributions are ultimately subject to the prescribed IRC limits. The amount of such supplemental Company matching contribution true-up, if any, shall be equal to the employer safe harbor matching contribution the participant would have received had his or her participant salary reduction contributions been made ratably throughout the Plan year, less the amount of the employer safe harbor matching contribution the participant actually received for such Plan year. Such true-up contributions totaled $162,602 and $147,212 for the Plan years ended December 31, 2025 and 2024, respectively. The December 31, 2025 and 2024 true-up contributions were funded through the Plan's forfeiture account during 2026 and 2025, respectively.

Employees become a participant in the Plan the first day of the month following the date which is ninety days after commencement of employment with the Participating Employer (Trumpf Inc., Trumpf Photonics, Inc. and Trumpf Huettinger, Inc.). However, non-resident aliens with no United States source earned income or temporary employees are not eligible to participate in the Plan.

Historically, participants were required to file a signed application designating their contribution percentage, authorizing a deduction of the contribution amount from the participants' compensation, authorizing investment elections, agreeing to the terms of Plan and designating a beneficiary. During 2016, the Plan transitioned to outsourcing the enrollment function to Vanguard Fiduciary Trust Company (Vanguard), the Trustee of the Plan, and Vanguard sends enrollment kits to participants after they meet the eligibility and entry requirements. Participants also contact Vanguard directly in order to make changes to their deferral elections and investment allocations.

Effective January 1, 2022 the Plan instated automatic enrollment for all eligible employees into the Plan with an automatic contribution of 3% of participant's compensation.

Effective July 1, 2018, the Plan was formally amended to offer Roth Contributions as an option for employees to make salary deferrals. The Employer Roth Contribution is under the same matching term stipulations as the employer safe harbor matching contribution.

1. Description of Plan (continued)

Participant Accounts

Each participant's account is credited with the Company's contribution and an allocation of Plan earnings based on individual account balances.

Vesting

The Plan provides that all employee contributions relating to benefits previously provided through the Former Plan, and the employer safe harbor matching contribution made to a participant's account are 100% vested upon deposit. As a result, there are no forfeitures related to these balances.

The Company's additional contribution representing 3% of each participant's compensation during the 2025 and 2024 Plan years, and applicable earnings, previously made in the Pension Plan will become fully vested upon attainment of age 65, if still employed by the Company, or upon termination of employment due to disability or death. Otherwise, if termination occurs for other reasons, these contributions and applicable earnings are subject to a 6-year vesting schedule; 0% vested if employed for less than one year, 10% in year 1, 20% in year 2, and then 20% per year thereafter until 100% vested. Forfeitures of these balances are used to reduce future Company contributions and to pay administrative expenses. Forfeiture additions and related earnings totaled $243,542 and $224,355 for the years ended December 31, 2025 and 2024, respectively. Of accumulated forfeiture amounts, $152,249 and $177,111 were used to offset Company contributions and pay for Plan expenses for the years ended December 31, 2025 and 2024, respectively. As of December 31, 2025 and 2024, there were unallocated forfeitures and related earnings thereon of $287,512 ($162,602 of which was used in 2026 to offset the 2025 true-up contributions) and $196,219 ($147,212 of which was used in 2025 to offset the 2024 true-up contributions), respectively.

Investment Options

Upon enrollment in the Plan, participants may direct contributions in whole or half percentages in any of the investment options offered under the Plan. Participants may elect to change their investment options at any time throughout the year. At December 31, 2025 and 2024, all investments were participant-directed.

1. Description of Plan (continued)

Notes Receivable from Participants

The Plan includes a loan provision which, except for certain limitations, allows participants to borrow up to the lesser of 50% of their vested account balances, as defined in the Summary Plan Description, reduced by a participant's highest outstanding loan during the prior twelve-month period, or $50,000.

The loans are payable in equal installments over a period from 1 to 5 years (unless for purposes of a home purchase in which case the repayment term may range from 5 to 10 years) and include interest at a fixed rate determined at the loan origination date.

As of December 31, 2025 and 2024, the range of interest rates on loans outstanding was between 4.25% and 9.50%. The Plan's loan policy restricts participants from receiving a new loan until at least 90 days have elapsed since the repayment of a previous loan under Plan specifications. If a Participant ceases to make loan repayments and the Plan Administrator deems the loan to be in default, the Participant's loan balance is reduced and a benefit payment is made in accordance with the plan document. Loans to Participants are reported as notes receivable from participants at the unpaid principal balance plus any accrued but unpaid interest.

Payment of Benefits

Participants can receive their account balances upon retirement, death, disability, termination of service, or, for selected accounts, participants can receive in-service distributions upon attainment of age 55 or 59 ½. Plan benefits are paid in one single lump sum payment (unless it is a Required Minimum Distribution, in which case, benefits may be paid in partial distributions). Participants that transferred balances from the Pension Plan may generally elect to receive a life annuity or joint and survivor annuity, depending on marital status at the commencement of benefit payments, or elect to receive a single lump sum payment. Vested account balances below $1,000 will automatically be disbursed in a single lump sum distribution upon separation of service.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all contributions will become fully vested and distributed to the participants as soon as practicable.

2. Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Income Recognition

Purchases and sales of securities are reflected on a trade-date basis. The change in market value from one period to the next is recognized as net appreciation (depreciation) in fair value of investments in the accompanying Statements of Changes in Net Assets Available for Benefits. Interest and dividend income is recorded on accrual basis. Dividends are recorded on the ex-dividend date.

Investment Valuation and Fair Value of Financial Instruments

Investments of the Plan are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for additional information related to fair value measurements.

The Plan follows Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, for all financial assets and liabilities and nonfinancial assets and liabilities that are recognized or disclosed at fair value in the financial statements on a recurring basis. ASC 820 defines fair value, establishes a fair value hierarchy, and expands disclosures about fair value measurements.

ASC 820 defines fair value as the price that would be received upon sale of an asset or paid upon the transfer of a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market for that asset or liability.

The fair value should be calculated based on assumptions that market participants would use in pricing the asset or liability, not on assumptions specific to the entity. In addition, the fair value of liabilities should include consideration of non-performance risk including the Plan's own credit risk.

2. Significant Accounting Policies (continued)

Investment Valuation and Fair Value of Financial Instruments (continued)

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy prioritizes the inputs into three levels based on the extent to which inputs used in measuring the fair value are observable in the market. Each fair value measurement is reported in one of the three levels which is determined by the lowest level input that is significant to the fair value measurement in its entirety.

These levels are:

> Level 1 – Inputs are based upon unadjusted quoted prices for identical instruments traded in active markets.
>
> Level 2 – Inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
>
> Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The fair values are therefore determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques.

Shares of mutual funds are valued at quoted market prices which represent the fair value of shares held by the Plan at year-end.

The Plan's investments in common collective trusts, Vanguard Retirement Savings Trust III and Vanguard Target Retirement Trust II, are reported at fair value. The fund calculates fair value using the net asset value per share (NAV) or its equivalent in a manner consistent with the measurement principles of Topic 946, *Financial Services – Investment Companies.* As such, the fund qualifies for the NAV practical expedient, which permits the fund to be omitted from the fair value hierarchy under ASU 2015-07, *Fair Value Measurement and Disclosures* (FASB ASC 820).

2. Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Payments of Benefits

Benefits are recorded when they have been approved for payment and paid by the Plan.

Administrative Expenses

Administrative expenses, including legal and accounting services are paid by the Company. However, to extent such administrative expenses are not paid by the Company, they are paid by the Plan, including investment management, recordkeeping and advisory fees.

3. Information Prepared and Certified by Trustee

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2025 and 2024, net appreciation (depreciation) in fair value of investments, interest and dividend income earned on investments, and notes receivable for the years ended December 31, 2025 and 2024, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Vanguard Fiduciary Trust Company, the Trustee.

4. Fair Value Measurements

The following table summarizes the fair values and levels within the fair value hierarchy in which the fair value measurements fall, for assets measured on a recurring basis as of December 31:

Description	Level 1	Level 2	Level 3	Total
2025:				
Investments:				
Mutual funds	**$ 79,212,193**	**$ -**	**$ -**	**$ 79,212,193**
Investments in fair value hierarchy	**$ 79,212,193**	**$ -**	**$ -**	**$ 79,212,193**
Common collective trust*				**$ 234,558,879**
Total investments at fair value				**$ 311,771,072**

Description	Level 1	Level 2	Level 3	Total
2024:				
Investments:				
Mutual funds	$ 69,066,536	$ -	$ -	$ 69,066,536
Investments in fair value hierarchy	$ 69,066,536	$ -	$ -	$ 69,066,536
Common collective trust*				$ 204,501,490
Total investments at fair value				$ 273,568,026

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the Statement of Net Assets Available for Benefits.

5. Reconciliation of the Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

	2025	2024
Net assets available for benefits per the financial statements	**$ 316,886,218**	$ 277,024,243
Deemed loans	**(27,526)**	(27,570)
Net assets available for benefits per the Form 5500	**$ 316,858,692**	$ 276,996,673

5. Reconciliation of the Financial Statements to Form 5500 (continued)

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Form 5500 for the years ended December 31:

	2024	**2024**
Net change per the financial statements	**$ 39,861,975**	$ 28,879,175
Change in deemed loans	**44**	13
Net change per Form 5500	**$ 39,862,019**	$ 28,897,188

6. Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated October 28, 2013, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualifications. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

7. Party-in-Interest Transactions

Certain Plan investments are held and managed by the Vanguard Fiduciary Trust Company, the Trustee, as defined by the Plan, and therefore, purchases and sales of these securities qualify as party-in-interest transactions.

8. Risks and Uncertainties

The Plan provides for various investment options in any combination of mutual funds and a common collective trust. Such investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Subsequent Events

The Plan has evaluated events occurring between December 31, 2025 and September 25, 2026, the date the financial statements were available to be issued.
