To: The Plan Administrator of
Performance Systems Development of New York, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of Performance Systems Development of New York, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Performance Systems Development of New York, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Performance Systems Development of New York, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Performance Systems Development of New York, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Performance Systems Development of New York, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Performance Systems Development of New York, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA
The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – Supplemental Schedule Required by ERISA (Continued)
In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following brief description of Performance Systems Development of New York, LLC 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General
The Plan is a defined contribution plan available to all employees of Performance Systems Development of New York, LLC (the Company) who meet certain eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility
Employees are eligible to begin making elective deferrals upon commencement of employment. Employees are eligible to receive employer contributions after attaining one year of service. The Plan entry date is the first day of the month coinciding with or next following the date the eligibility requirements are satisfied.

Contributions
The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible pretax compensation. Participants may contribute a percentage of annual compensation, as defined in the Plan, on a pretax basis or Roth after tax basis (collectively, Elective deferrals), not to exceed the maximum contribution limits established by the Internal Revenue Code (IRC). There is no auto-increase provision included within the Plan. Participants may complete a salary deferral agreement to elect an alternative deferral amount or to elect not to defer under the Plan in accordance with the deferral procedures of the Plan.

Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Effective January 1, 2025, the Plan permits eligible participants who attain age 60 through 63 during the calendar year to make enhanced catch-up contributions (“super catch-up contributions”) in accordance with applicable provisions of the IRC.

The Plan also allows for discretionary matching contributions to be determined annually by Plan management. For the years ended December 31, 2025 and 2024 the Company contributed a matching contribution equal to 100% of the first 3% of eligible compensation deferred by a participant and 50% of the next 2% of eligible compensation deferred. The Company matching contributions amounted to $273,749 and $228,779 for the years ended December 31, 2025 and 2024, respectively.

Additional profit-sharing contributions may be made at the option of the Company’s management. Contributions are subject to certain limitations, such as requiring employment on the last day of the Plan year. The Company did not make a profit-sharing contribution in 2025 or 2024.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts
Each participant's account is credited with the participant's contribution, the employer's matching contributions, and Plan earnings/losses on all contributions. Allocations of employer profit-sharing contributions, earnings/losses and administrative expenses are based on account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are immediately fully vested in their voluntary and profit-sharing contributions to the Plan. Employer matching contributions made by the Company are vested at the following percentages:

Years of Service	Vesting Percentage
Less than 3	0%
3 or more	100%

Payment of Benefits
On termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account as either a lump-sum amount or installment payments.

Benefit payments from the Plan will be made if the balance is less than $7,000 and the participant does not direct the Plan otherwise in a lump sum to the participant.

Hardship withdrawals are permitted by the Plan in the event of immediate financial need. Participants may withdraw elective deferrals, rollover contributions, and fully vested employer contributions plus their respective earnings.

In-service withdrawals are permitted for participants that are age 59 ½ or older.

Investment Options
Investments are held within various investment options maintained by Ascensus Trust Company. Contributions are invested, at the discretion of the participant, in one or a combination of available investment options.

Forfeited Accounts
At December 31, 2025 and 2024, forfeited non-vested accounts totaled to $1,328 and $25,754, respectively. These amounts are used to reduce future Company contributions. Company contributions were reduced by $26,709 and $394 through the application of forfeitures in 2025 and 2024, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and qualified institutions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)
Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Risks and Uncertainties
The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the accompanying financial statements.

Payment of Benefits
Benefit payments to participants are recorded when paid.

Administrative Expenses
At the Company's discretion, administrative expenses of the Plan may be paid out of the Plan's assets or may be paid by the Company. Expenses paid by the Company may include expenses relating to the function of the Plan, including recordkeeping, accounting, legal, consulting, or other administrative expenses. Investment management fees are charged directly against the related investments of the Plan. Expenses related to distributions are deducted from those participant accounts as transactions occur.

Fair Value Measurement – Definition and Hierarchy
The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

A description of where the Plan's investments fall within the ASC 820 hierarchy is provided in Note 4. There were no transfers between levels of the fair value hierarchy during 2025 or 2024.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates
The preparation of financial statements in accordance with GAAP requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The Plan administrator has received a certification from Ascensus, LLC as an agent for Ascensus Trust Company, the trustee of the Plan, that states that the following information is complete and accurate as of and for the years ended December 31:

	2025	2024
Statements of net assets available for benefits		
Investments, at fair value	$ 6,103,517	$ 4,977,883
Statements of changes in net assets available for benefits:		
Interest and dividend income	$ 133,980	$ 103,989
Net appreciation in fair value of investments	$ 786,432	$ 466,153
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money Market Fund: valued at cost plus accrued interest, which approximates fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2025:

	Level 1	Level 2	Level 3	Total
Money market fund	$ 22,769	$ -	$ -	$ 22,769
Mutual funds	6,080,748	-	-	6,080,748
	$ 6,103,517	$ -	$ -	$ 6,103,517

4. FAIR VALUE MEASUREMENTS (Continued)

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2024:

	Level 1	Level 2	Level 3	Total
Money market fund	$ 43,434	$ -	$ -	$ 43,434
Mutual funds	4,934,449	-	-	4,934,449
	$ 4,977,883	$ -	$ -	$ 4,977,883

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Vanguard Group Inc., which acts as the recordkeeper as defined by the Plan. Ascensus, LLC is the Plan's third-party administrator. Transactions between these companies and the Plan qualify as party-in-interest transactions.

6. INCOME TAX STATUS

The Plan adopted a pre-approved plan offered by Ascensus, LLC. The pre-approved plan received an IRS Opinion Letter dated June 30, 2020, that the Plan and the related trust is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since the date of the letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified, and the related trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA In the event of Plan termination, participants will become 100% vested in their accounts.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	2025	2024
Net assets available for benefits per the financial statements	$ 6,167,703	$ 5,039,391
Add: Excess contributions payable	25,085	-
Net assets available for benefits per Form 5500	$ 6,192,788	$ 5,039,391

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (Continued)

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31:

	2025	2024
Total changes in net assets available for benefits	$ 1,128,312	$ 1,280,032
Change in excess contribution payable	25,085	-
Change in employer contribution receivable	-	51,346
Total changes in net assets available for benefits per Form 5500	$ 1,153,397	$ 1,331,378

Excess contributions payable represent amounts due to certain active participants for the return of excess elective deferrals in accordance with the Plan's nondiscrimination provisions. These amounts will not be reported on the Form 5500 until they are paid.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 8, 2026, which is the date the financial statements were available to be issued.
