INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
The Jewish Family Service of Atlantic County 403(b) Thrift Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Jewish Family Service of Atlantic County 403(b) Thrift Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Jewish Family Service of Atlantic County 403(b) Thrift Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note K to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Jewish Family Service of Atlantic County 403(b) Thrift Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Jewish Family Service of Atlantic County 403(b) Thrift Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Jewish Family Service of Atlantic County 403(b) Thrift Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in aggregate, that raise substantial doubt about the Jewish Family Service of Atlantic County 403(b) Thrift Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JEWISH FAMILY SERVICE OF ATLANTIC COUNTY
403(b) THRIFT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 and 2024

NOTE A – PLAN DESCRIPTION:

The following description of the Jewish Family Service of Atlantic County 403(b) Thrift Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. **General:** The Plan, adopted by the Jewish Family Service of Atlantic County (the Company) in January 2009, was amended effective August 1, 2016, to be known as 403(b) Thrift Plan, as per the plan specifications noted in the adoption agreement. The Plan is a 403(b) Thrift plan offering employee and employer contributions to substantially all employees who meet the following requirements. For an employee to receive employer base contributions, an employee must have two years of service, a year of service being defined as 1,000 hours. There is no minimum age requirement for employer base contributions. For participant salary reduction contributions, there is no age or service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

2. **Contributions:** Each year, participants may contribute up to 100% of compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may direct the investment of their account balances and future contributions in any or all of the investment programs that the Plan has selected with Mutual of America Life Insurance Company. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation and their contributions invested in a designated fund until changed by the participant. The Company will make a base contribution each Plan year equal to 8% of the eligible participant's compensation for the year. The Company's base contribution will be made whether or not the participant makes a contribution. Contributions are automatically invested in a Mutual of America Retirement Fund appropriate to the participant's age at the time of allocation, unless otherwise specified by the participant. Contributions are subject to certain limitations and employer matching contributions are not permitted by the Plan.

3. **Participant Accounts:** Each participant's account is credited with the salary reduction amount and the employer base contribution, an allocation of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. **Vesting:** Participants are immediately vested in all contributions plus earnings thereon.

5. **Notes Receivable from Participants**: Participants may request a note based on the vested value of their individual account ranging from a minimum of $1,000 to a maximum equal to the lesser of $50,000 or 50% of their account balance. Note transactions are treated as a transfer from the investment fund to the participant note fund. Note terms range from one to five years or up to ten years if used to purchase a principal residence. The notes are secured by the balance in

the participant's account and bear interest at rates ranging from 3.25% to 5.85%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through semi-monthly payroll deductions.

6. **Payment of Benefits:** Participants may withdraw amounts in their salary reduction contribution account at any time after reaching the age of 59½. If this age requirement is not met, withdrawals are subject to federal tax law restricts. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum equal to the value of the participant's vested interest in his or her account, or a retirement benefit may also be distributed in the form of a monthly annuity. Each participant is entitled to receive a retirement benefit beginning at the Annuity Commencement Date, as defined by the Plan. Such retirement benefit shall be the monthly amount that can be provided by the application of 100% of the value of the participant's account. Upon the death of a participant before retirement, the value of the participant's account is paid to the participant's designated beneficiary.

7. **Forfeited Accounts**: Forfeitures shall be used to reduce future employer contributions. At December 31, 2025 and 2024, there were no forfeited nonvested accounts.

8. **Termination of the Plan:** Although it has not expressed any intent to do so, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

9. Plan Expenses: The total Plan administrative expenses for the years ended December 31, 2025 and 2024 were $1,802 and $1,337, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for the general interest accumulation account, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement data. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the

investment advisors, custodians and insurance company. See Note C for the discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. The Plan accrues interest at 3% higher than the General Account interest rate on participant notes from the time funds are borrowed until the account is fully paid. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make note repayments and the Company considers the participant note to be in default, the note balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Employee and Employer Contributions

All employee contributions are paid to Mutual of America Life Insurance Company following the pay period in which they were earned/deducted. All employer contributions are paid by the Company to Mutual of America Life Insurance Company once a month following the pay periods in which they were earned/deducted.

NOTE C – FAIR VALUE MEASUREMENTS:

The Plan's investments, with the exception of the general interest accumulation account which is reported at contract value, are reported at fair value in the accompanying Statement of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted price for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or collaboratively by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were noted available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

The following is a description of the valuation methodologies used assets measured at fair value. There have been no changes to methodologies used at December 31, 2025 and 2024.

Level 1: Fair Value Measurements

The fair value of the pooled separate accounts are based on quoted net asset values of the shares as reported by the fund. The funds held by the Plan are pooled assets registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The following tables illustrate the fair value hierarchy for the Plan's investments at fair value as of December 31, 2025 and 2024:

December 31, 2025	Fair Value (Level 1)	Total
Pooled Separate Accounts	$ 8,064,557	8,064,557
Total Assets at Fair Value	$ 8,064,557	8,064,557

December 31, 2024	Fair Value (Level 1)	Total
Pooled Separate Accounts	$ 7,245,308	7,245,308
Total Assets at Fair Value	$ 7,245,308	7,245,308

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024, are reported in the net appreciation/(depreciation) in the fair value of investments.

NOTE D – INVESTMENTS:

All investment balances at December 31, 2025 and 2024 are certified by Mutual of America Life Insurance Company and are valued at fair and contract value as stated by Mutual of America Life Insurance Company.

During 2025 and 2024, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated/(depreciated) in value as follows:

	2025	2024
Net appreciation/(depreciation) in Fair value of investments	$ 1,052,097	959,659

NOTE E – INTEREST ACCUMULATION ACCOUNT:

The Plan has an interest accumulation account with Mutual of America Life Insurance Company (Mutual). Mutual maintains the Plan's contributions in its general account. The account is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by Mutual. The account is included in the financial statements at contract value as reported to the Plan by Mutual. Contract value represents contributions made into the Plan, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment. The interest accumulation account is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan with adjustments on the rate on a quarterly basis. The year end balance noted below includes the notes to participants balance.

The interest accumulation account represents approximately 6% of the Plan's net assets at December 31, 2025 and 6% at December 31, 2024. The average yield on the Plan's insurance contract for the years ended December 31, 2025 and 2024 were as follows:

	2025	2024
Interest Earnings	$ 18,234	12,190
Year End Balance	$ 459,096	454,591
Yield	3.972%	2.682%

NOTE F – NOTES RECEIVABLE FROM PARTICIPANTS:

Per the Plan's accounting policy, note transactions are treated as transfers from the investment fund to the participant note fund. Accordingly, the general account balance per Plan records does not include Notes Receivable from Participants at December 31, 2025 and 2024. The individual participant accounts are restricted to the amount of outstanding note at any time. Notes issued in 2025 had an original rate of 5.85%. Since the Plan trustee maintains the notes, interest income is not earned by the Plan. The activity for the previous two years was as follows:

	Beginning Balance	Originations	Payments	Ending Balance
2025	$ 10,472	34,200	(7,529)	$ 37,143
2024	$ 19,590	-	(9,118)	$ 10,472

NOTE G – TAX STATUS:

The provisions of the Plan have been designed by Mutual of America Life Insurance Company to meet the requirements of the Internal Revenue Service Code and the requirements of the Internal Revenue Service dealing with master and prototype plans, when used in conjunction with certain group annuity contracts issued by Mutual of America Life Insurance Company. 403(b) plans currently are not required to submit plans to the Internal Revenue Service for determination. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in conformity with the applicable requirements of the IRC to maintain the tax-exempt status for the Plan participants under Section 403(b) and therefore believe that the Plan is qualified.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine tax audits by taxing authorities: however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

NOTE H – RELATED PARTY TRANSACTIONS:

Certain Plan investments are shares of pooled separate accounts and a general interest accumulation account managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is the Plan trustee as defined by the Plan and, therefore these transactions qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500:

The Form 5500 was prepared on the cash basis for the Plan year ended December 31, 2025 and 2024 and the financial statements were prepared on the accrual basis of accounting. The balances per the Form 5500 include both the audited 403(b) Thrift Plan and the Tax Deferred Annuity Plan balances. In previous audit periods, the Company filed a separate TDA Form 5500, however since both the TDA Plan and the 403(b) Thrift Plan fall under the same IRS code 403(b), the 403(b) Thrift Plan is not considered a "new" plan and therefore both plan balances are aggregated on one form / filing. The balances noted below from the TDA Plan have not been and are not subject to an independent audit due to the number of participants. The balances were verified against the Fund Report provided by Mutual of America Life Insurance Company. The following is a reconciliation of net assets available for benefits per the financial statements and the amounts reported on the IRS Form 5500 as of December 31, 2025 and 2024.

	2025	2024
Net assets available for benefits per the financial statements	$ 8,560,796	7,699,899
Deemed distributions on participant Notes receivable	-	-

NOTE J – RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities and funds. Investment securities and funds are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits, however no estimated gain or loss is measurable.

NOTE K – INFORMATION PREPARED AND CERTIFIED BY PLAN'S TRUSTEE:

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation(depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2025, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Mutual of America Life Insurance Company (the trustee of the Plan), a qualified institution. As noted in the Auditor's report, the audit performed was an ERISA Section 103(a)(3)(C) audit.

NOTE L – ROLLOVERS:

The Plan allows for rollover contributions with the exception of governmental 457(b) plan and non-Roth after tax contributions. As of December 31, 2025 and 2024 rollovers contributions were $11,668 and $34,931 respectively.

NOTE M – SUBSEQUENT EVENTS:

The Company has evaluated subsequent events through September 30, 2026, the date which the financial statements were available to be issued.
