Independent Auditors' Report

To the Trustees
L.E. Jones Company 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of L.E. Jones Company 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of L.E. Jones Company 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about L.E. Jones Company 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter – Supplemental Schedule Required by ERISA
The supplemental schedules of assets (held at end of year) and delinquent participant contributions as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A | SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of the L.E. Jones Company 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General*

The Plan was adopted January 1, 1987, and restated effective November 2, 2021. The Plan is a defined contribution plan and 401(k) plan under Section 401(k) of the Internal Revenue Code that covers all eligible employees of L.E. Jones Company, LLC (Plan Sponsor) and LEJ International Company, LLC (collectively "Employers").

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. *Administrative Fees*

The Plan Sponsor has elected to pay certain administrative fees for the Plan while the remainder of the expenses are paid by the Plan. Total administrative expenses paid by the Plan were $165,800 and $152,645 for years ended December 31, 2025 and 2024, respectively.

3. *Contributions*

Each year, participants may contribute up to 100% of their compensation, as defined in the Plan. Participants are permitted to designate a portion or all of their deferral contributions as either pre-tax or Roth 401(k) contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

In addition to the participants' contributions, the Employers match participants' deferrals. The Employers match 50% of the first 6% of eligible compensation contributed by participants to the Plan. These Employer contributions totaled $634,295 and $609,505 for 2025 and 2024, respectively.

The Plan Sponsor, under its collective bargaining contract, must make profit-sharing contributions of 70 cents per hour worked to collectively-bargained employees. Additionally, the Employers may make discretionary profit-sharing contributions to the plan for non-collectively-bargained employees. For the years ended December 31, 2025 and 2024, this discretionary contribution was 6% of each employee's compensation as defined in the Plan. Employers' profit-sharing contributions totaled $845,645 and $812,198 for 2025 and 2024, respectively.

4. *Participant Accounts*

Each participant's account is credited with the participant's contribution, employer contributions, and an allocation of Plan earnings. The benefit to which a participant is entitled is the benefit that could be provided from the participant's account.

NOTE A | SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

5. *Use of Estimates*

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that are used.

6. *Vesting*

Participants are immediately 100 percent vested in the participant's contributions and Employer contributions.

7. *Payment of Benefits*

On termination of service, death, disability, or retirement, a participant may receive a lump sum amount equal to the value of the participant's interest in his or her account. Distributions may also be taken as installments. A participant that terminates employment whose account balance is less than $5,000 will receive a distribution of their account in the form of lump sum cash. In-service withdrawals of all or a portion of the participant's vested account balance are also permitted upon the participant's attainment of age 59 ½. Under certain conditions, participants may receive a hardship distribution.

8. *Notes Receivable from Participants*

Participants can borrow from their fund accounts a minimum of $1,000 and to a maximum equal to the lesser of $50,000 or 50 percent of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms range from one to five years or up to fifteen years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Interest rates range from 4.25% to 10.50% for all loans outstanding. Principal and interest are paid ratably through payroll deductions. Interest income received on these notes totaled $82,886 and $69,522 for the years ended December 31, 2025 and 2024, respectively, and is included in interest and dividend income on the statements of changes in net assets available for benefits. The Plan deems all participant notes receivable to be fully collectible; therefore, no allowance for uncollectible accounts is required. Participant notes receivable are treated as distributions when they are determined to be uncollectible.

9. *Investment Valuation*

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE A | SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

10. *Income Tax Status*

The Internal Revenue Service has determined that the prototype plan and related trust from which the Plan was drafted are designed in accordance with applicable sections of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The Plan Sponsor believes that the Plan continues to qualify and to operate as designed. The Plan administrator is not aware of any course of action or series of events that has occurred that might adversely affect the Plan's qualified status. The Plan follows the accounting standards for uncertainty in income taxes; however, the Plan does not believe it has any uncertain tax positions and has no unrecognized tax benefits or liabilities for penalties or interest.

11. *Subsequent Events*

Management has evaluated subsequent events for recognition and disclosure in the financial statements through October 7, 2026, which is the date the financial statements were available to be issued. No subsequent events required recognition or disclosure.

NOTE B | INVESTMENTS

All the Plan's investments are participant directed and held by a trust company. Participants can direct their contributions into any of the investment options offered by the Plan. Investment option changes and transfers can be made by the participants on a daily basis, subject to certain limitations.

NOTE C | RISKS AND UNCERTAINTIES

Investments, in general, are inherently subject to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that a change in the value of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and statements of changes in net assets available for benefits.

NOTE D | FAIR VALUE MEASUREMENT

The Plan follows the fair value measurement guidance for financial assets and financial liabilities. The guidance defines fair value, establishes a framework for measuring value, and expands disclosure about fair value measurements. In addition, the guidance permits an entity to measure eligible financial instruments and other items at fair value. The Plan has not made any fair value elections.

NOTE D | FAIR VALUE MEASUREMENT

Fair value is defined to be the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A three-level hierarchy has been established for fair value measurements based upon the inputs to the valuation of an asset or liability as follows:

Level 1 - Valuation is based on quoted prices for identical assets and liabilities in active markets.

Level 2 - Valuation is derived from inputs, other than quoted prices included in Level 1, which are observable for the asset or liability either directly or indirectly. Investments classified as Level 2 are generally valued by benchmarking model-derived prices to quoted market prices and trade data for identical or comparable securities. The significant inputs used in this approach include interest rates, prepayment timing, yield spreads, maturities, credit losses, and credit ratings of the securities.

Level 3 - Valuation is derived from unobservable inputs that are not corroborated by market data.

The fair value of mutual funds is equal to the net asset value of the funds multiplied by the number of shares held by the Plan, primarily using quoted market prices. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan invests in a collective trust, which provides for various investment options. Fair values of the collective trust are reported to the Plan based on the NAV of the units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value.

Assets that were accounted for at fair value on a recurring basis as of December 31 are as follows:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 50,988,094	$ -	$ -	$ 50,988,094
Collective trust fund measured at net asset value				1,817,138
Total investments				$ 52,805,232

	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 44,259,018	$ -	$ -	$ 44,259,018
Collective trust fund measured at net asset value				1,668,130
Total investments				$ 45,927,148

NOTE D | FAIR VALUE MEASUREMENT

In accordance with Subtopic 820-10, certain investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

As a part of the Plan's investment portfolio, there are investments in entities in which purchases and withdrawals are not made in an open market. Instead, the purchases and withdrawals occur with the entity, and in certain circumstances, those transactions are entirely controlled and/or restricted by the entity. The fair values of these investments are determined by the management of the entities and are reported to the Plan as the Plan's proportionate share of the net asset value of the entity.

The following table provides information relative to these types of investments. Additional information on those investments which are direct filing entities can be found by viewing their U.S. Department of Labor Form 5500. Information as of December 31 is as follows:

	2025			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective Trust Fund				
Metlife Stable Value Fund	$ 1,817,138	-	Daily	Daily

	2024			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective Trust Fund				
Metlife Stable Value Fund	$ 1,668,130	-	Daily	Daily

NOTE E | RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 54,020,348	$ 46,904,437
Contributions receivable	(189,129)	(11,720)
Net assets available for benefits per Form 5500	$ 53,831,219	$ 46,892,717

NOTE E | RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of total income per the financial statements to Form 5500:

	2025	2024
Net increase per the financial statements	$ 7,115,911	$ 3,671,700
Change in contributions receivable	(177,408)	(11,720)
Total income per Form 5500	$ 6,938,503	$ 3,659,980

The above differences are due to Form 5500 being prepared on the cash basis of accounting.

NOTE F | PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE G | CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held and notes receivable from participants at December 31, 2025 and 2024, and net appreciation in fair value of investments and interest and dividend income for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Trust Company (the trustee of the Plan).

NOTE H | DELINQUENT CONTRIBUTIONS

Subsequent to December 31, 2024, it was determined that certain participants' elective deferrals were not remitted to the Plan timely. This was corrected using the voluntary fiduciary correction program. As a result of this correction, an additional amount was deposited into the Plan during 2025 in the amount of $11,720, which consisted of employee deferrals of $9,810 and lost earnings of $1,910. This was shown as contributions receivable on the statements of net assets available for benefits as of December 31, 2024.
