Part I Asset and Liability Statement

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

To the Employee Benefits Administration Board of the Kraft Heinz Company
and the participants of the Kraft Heinz Company Group Benefits Plan
Chicago, Illinois

Opinion

We have audited the financial statements of the Kraft Heinz Company Group Benefits Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the year ended December 31, 2025 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

(Continued)

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Part IV, Line 4j - Schedule of Reportable Transactions as of and for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of the Plan

The Kraft Heinz Company Group Benefits Plan (the "Plan") is a welfare benefit plan sponsored by Kraft Heinz Foods Company ("KHFC"), a wholly-owned subsidiary of The Kraft Heinz Company (the "Company" or "Kraft Heinz"). The Employee Benefits Administration Board of Kraft Heinz ("EBAB") acts as plan administrator.

The Plan provides benefits that are partially funded by employer contributions and cover medical, employee assistance program, dental, vision, short-term disability, statutory disability insurance premiums, long-term disability, life insurance, and accidental death and dismemberment benefits. Participants should refer to the official Plan document that legally governs the operation of the Plan for a complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Plan is funded through a Voluntary Employees' Beneficiary Association within the meaning of Section 501(c)(9) of the Internal Revenue Code of 1986, as amended (the "Code") (hereinafter referred to as the "Trust"). The programs under the Plan are primarily self-insured covering eligible domestic (U.S.) current employees of the Company. The Northern Trust Company (the "Trustee") serves as the trustee for the Trust. The Trustee holds the Plan's investment assets and executes investment transactions.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements are prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts in the financial statements and related disclosures. Actual results could differ from those estimates. The Plan's obligation for claims incurred but not reported and long-term disability obligations are particularly subject to change in the near term.

Valuation of Investments

The Plan's investments are reported at fair value. The guidance defines fair value as the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Collective trusts: The fair value of participation units held in the collective trusts is based on the net asset value, as reported by the managers of the collective trusts and as supported by the unit price of actual purchase and sale transactions occurring as of, or close to, the financial statement date. The fair value of the investments measured at net asset value as a practical expedient is excluded from the fair value hierarchy. The investments provide for daily redemptions by the Plan with no advance notice requirements; and have a redemption price that is determined by each fund's net asset value per unit as of the redemption date.

While the Plan believes the valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis are summarized below:

	Fair Value Measurements as of December 31, 2025	
		Total
Investments measured at net asset value[(a)]	$	339,263,969

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent as a practical expedient) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

	Fair Value Measurements as of December 31, 2024	
		Total
Investments measured at net asset value[(a)]	$	164,007,387

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent as a practical expedient) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Investment transactions are accounted for on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned on an accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan invests in various investment securities. These investments are exposed to various risks, such as interest rate, credit, liquidity, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

Benefit obligations, including claims incurred but not reported ("IBNR") and long-term disability obligations, are determined based on certain assumptions pertaining to interest rates, inflation rates, per capita claim costs, claim lag patterns, and employee demographics, all of which are subject to change. Due to uncertainties

inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could be material to the financial statements.

Postretirement Asset Surplus Repurposing

On November 11, 2025, the Company repurposed $200 million of the Kraft Heinz Company Retiree Group Benefits Plan's asset surplus to cover active non-union medical costs in the Plan. The $200 million in assets that were transferred to the Plan were transferred along with the $0.2 million benefit obligation of the pre-65 non-union retiree group at the Company's Columbia and Kirksville locations. The assets transferred into the Plan will be used to pay for active non-union benefits as well as the benefits for the pre-65 non-union Columbia and Kirksville retirees. As the Plan is primarily covering active medical claims, the Plan will continue to be accounted for as an active medical plan and the pre-65 non-union Columbia and Kirksville obligations will continue to be presented in the Kraft Heinz Retiree Group Benefits Plan financials.

On December 13, 2024, the Company repurposed $150 million of the Kraft Heinz Company Retiree Group Benefits Plan's asset surplus to cover active union medical costs in the Plan. The $150 million in assets that were transferred to the Plan were transferred along with the approximate $1 million benefit obligation of the pre-65 union retiree group at the Company's Jacksonville location. The assets transferred into the Plan will be used to pay for active union benefits as well as the benefits for the pre-65 union Jacksonville retirees. As the Plan is primarily covering active medical claims, the Plan will continue to be accounted for as an active medical plan and the pre-65 union Jacksonville obligation will continue to be presented in the Kraft Heinz Company Retiree Group Benefits Plan financials.

Funding and Expenses

The funding of the Plan is provided by the Company's contributions, based on claims filed and administrative expenses incurred and other discretionary considerations, and by active employees through payroll deductions based on Plan requirements. Certain participants, such as individuals receiving coverage in accordance with U.S. federal continuation rules, also contribute toward the cost of coverage.

Employees are generally required to contribute specified amounts to extend coverage to eligible dependents.

Expenses of the Plan may be paid from the Trust's assets. Trust investment gains are also applied to pay Plan benefits and expenses.

Claim Payments

Claim payments made on behalf of participants are recorded when paid by the Trust.

Pharmacy rebates are not estimable, therefore are recorded when received. Approximately $19.9 million of these rebates have been netted with claim payments in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.

Claims Administration

The Plan uses a variety of claims administrators including Aetna Life Insurance Company, Cigna, CVS Caremark, Delta Dental, Highmark Blue Cross Blue Shield, Sedgwick, United Healthcare, and Metropolitan Life Insurance Company ("Metropolitan Life"). The Plan pays service fees to the claims administrators in accordance with administrative services agreements.

Deposit with Insurance Company

The Plan provided certain insurance companies with deposits, which represent a reserve for medical claims. The required deposits are evaluated annually by the insurance companies.

3. Benefit Obligations

Medical and Dental

The Plan's medical, prescription, and dental obligations for active employees at the end of the plan year include claims payable and IBNR obligations, which are based on completion factors developed through studies of claim lag patterns over the last 36 months and a provision for administrative expenses based on the ratio of actual administrative expenses to paid claims.

As a result, the Plan benefit obligations, including claims incurred but not reported, are as follows:

	December 31, 2025	December 31, 2024
Medical	$ 20,455,000	$ 18,178,000
Prescription	274,000	1,170,000
Dental	602,000	587,000
Total	$ 21,331,000	$ 19,935,000

As of December 31, 2025 and 2024, benefit obligations for medical, prescription, and dental claims incurred by active participants but not reported as of the respective date have been estimated by the actuary and the claims administrators. Such estimated amounts are reported in the accompanying statements of benefit obligations for each of the respective periods.

The Company makes contributions to the Plan as needed to fund claims, premiums and administrative expenses in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is generally funded by the Company on a pay-as-you-go basis.

Long-Term Disability

The estimated long-term disability benefit obligations as of December 31, 2025 and 2024 are based on the present value of the future stream of benefits for current claims and claims expected to arise after December 31, 2025 and 2024, for conditions prior to that date and include a provision for administrative expenses related to those claims.

The Plan obligations as of December 31, 2025 and 2024, for claims incurred by participants but not reported as of the respective date, have been estimated by the actuary and the claims administrator. Such estimated amounts are reported in the accompanying statements of plan's benefit obligations.

Effective January 1, 2017, long-term disability benefits became fully insured for participants with a claim after that date. Claims prior to that date continue to be paid from the Plan.

Costs were determined by using the term cost method. Under this method, the annual cost is the incurred benefit obligation that is expected to arise due to disabilities over the next year. The more significant assumptions underlying the actuarial computations are as follows:

December 31, 2025	
Discount rate	4.15% for Former Kraft Foods Group, Inc. Group Benefits Plan
	4.04% for Former Kraft Foods Group, Inc. Employee-Paid Group Benefits Plan
	4.02% for Former H.J. Heinz Company Long-Term Disability Plan
Claim Termination Rates	Based on the 2012 Group Long Term Disability Valuation Table adjusted by the following factors:
	Claim Durations 1 through 10 Years: 50%
	Claim Durations 11 Years and Beyond: 60%
Loss Adjustment Expenses	Present value of $24 per claim per month, calculated using claim termination rate assumptions
Overpayment Recoveries	75% of overpayment balance will be recovered

December 31, 2024	
Discount rate	4.71% for Former Kraft Foods Group, Inc. Group Benefits Plan
	4.66% for Former Kraft Foods Group, Inc. Employee-Paid Group Benefits Plan
	4.65% for Former H.J. Heinz Company Long-Term Disability Plan
Claim Termination Rates	Based on the 2012 Group Long Term Disability Valuation Table adjusted by the following factors:
	Claim Durations 1 through 10 Years: 50%
	Claim Durations 11 Years and Beyond: 60%
Loss Adjustment Expenses	Present value of $24 per claim per month, calculated using claim termination rate assumptions
Overpayment Recoveries	75% of overpayment balance will be recovered

Life Insurance

Employer-sponsored life insurance benefits are funded through the Trust under contracts currently held with Metropolitan Life. The employer-sponsored life insurance benefits administered through the Metropolitan Life contracts are funded through the Trust on a prospectively rated basis. No reserve was required as of December 31, 2025 or as of December 31, 2024 for claims incurred but not reported as the Metropolitan Life insurance contracts are fully insured.

4. Tax Status

The Plan's related Trust received a determination letter from the Internal Revenue Service ("IRS") dated February 2, 1988, confirming its tax-exempt status under Section 501(c)(9) of the Code. The Plan has been amended since the Trust received the determination letter. However, EBAB believes that the Plan and the Trust are currently designed and operated in compliance with the applicable requirements of the Code. U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. EBAB has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. EBAB believes it is no longer subject to income tax examinations for years prior to 2022.

5. Transactions with Parties-in-Interest

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. As of December 31, 2025 and 2024, the Plan

held party-in-interest investments consisting of shares of a collective trust issued by Northern Trust Asset Management, an affiliate of The Northern Trust Company. The Plan held an investment issued by a third-party administrator or its affiliate that qualifies as a party-in-interest. Investment management fees charged to the Plan by parties-in-interest pertaining to its investments are deducted from fund returns on a daily basis and are not separately reflected in the statement of changes in net assets available for benefits.

The parties-in-interest transaction described in Note 2 to transfer asset surplus from the Kraft Heinz Company Retiree Group Benefits Plan to the Plan did not result in a prohibited transaction as no portion of the Plan was reverted to the Company. See Note 2 for further information.

In addition, actual fees paid by the Plan for Trustee, actuarial, investment management, recordkeeping and consulting services also qualifying as party-in-interest transactions are included in administrative expenses in the accompanying financial statements. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

EBAB believes these transactions are exempt from the party-in interest transaction prohibitions of ERISA.

6. Termination of Plan

The Company intends to continue the Plan; however, the Plan, or any of the programs under the Plan, may be terminated by the Company at any time. If the Company terminates the Plan, all of the assets of the Plan (except as permitted by law) will be used to provide benefits for the Plan's participants in accordance with the provisions of ERISA.

7. Reconciliation of Plan's Financial Statements to Form 5500

The following is a reconciliation of net assets/(deficit) available for benefits per the financial statements to the Form 5500:

	December 31, 2025	December 31, 2024
Net assets available for benefits per the financial statements	$ 343,315,400	$ 166,686,132
Benefit obligation currently payable (Medical, dental, and prescription benefits)	(21,331,000)	(19,935,000)
Net assets/(deficit) per the Form 5500	$ 321,984,400	$ 146,751,132

The following is a reconciliation of the increase/(decrease) in net assets available for benefits per the financial statements to the net income/(loss) per the Form 5500 for the year ended December 31, 2025:

Increase/(decrease) in net assets available for benefits before transfers per the financial statements	$ (23,370,732)
Less: Amounts currently payable at end of year	(21,331,000)
Add: Amounts currently payable at beginning of year	19,935,000
Net income/(loss) per the Form 5500 before transfers	$ (24,766,732)

Amounts currently payable to or for participants, dependents, and beneficiaries are recorded on the Form 5500 for claims incurred but not reported as well as benefit claims that have been processed and approved for payment prior to December 31, 2025, but not yet paid as of that date.

8. Subsequent Events

Plan management has evaluated subsequent events for recognition and disclosure through October 8, 2026, which is the date the financial statements were available to be issued.
