INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Management
Edwards Auto Group 401(k) Plan
Council Bluffs, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Edwards Auto Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Edwards Auto Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025 stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Edwards Auto Group 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Edwards Auto Group 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Edwards Auto Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Edwards Auto Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF PLAN

The following brief description of Edwards Auto Group 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Employers participating in the Plan under common control and ownership (collectively, the Companies) include the following:

Edwards Chevrolet – Cadillac, Inc.
Lake Manawa Nissan Kia, Inc. d/b/a Lake Manawa Nissan
Edwards Auto Plaza, Inc. d/b/a Edwards Subaru & Hyundai
Edwards Motorsports, LLC
Edwards Storm Lake, Inc.
Edwards Auto Group, Inc.
EAG West Omaha, Inc.

General. The Plan was established January 1, 1995, and most recently amended on October 17, 2022, and is a defined contribution plan covering certain groups of employees of the Companies who have attained the age of 21 and have completed one year of service in the Plan year. Entry is available on the first day of the month subsequent to the employee's completion of the participation requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Elective Contributions. Each year eligible employees may make pre-tax salary reduction contributions to the Plan not to exceed Internal Revenue Code limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover). The plan allows participants to designate contributions as Roth contributions. Upon enrollment to the Plan, a participant may direct deferrals and employer contributions to any of the funds offered by the Plan. Participants may change their investment options daily. The Plan currently offers 5 mutual funds and 25 funds held in a collective trust as investment options for participants.

Employer Contributions. The Companies may make a discretionary matching contribution equal to a uniform percentage of participant salary deferrals. For 2025, the matching contribution was equal to 100% of up to 2% of elective deferrals.

Participant Accounts. Each participant's account is credited with the participant's contribution (including rollovers), and allocations of the Companies' contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participants' compensation, account balances, or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the employer contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service, if they are an employee and reach normal or early retirement age, upon death, or total permanent disability.

NOTE A - DESCRIPTION OF PLAN – CONTINUED

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested interest in the Plan. The notes are secured by the balance in the participant's account and bear interest rates as determined by the Plan Administrator after considering similar types of loans by other lenders. Principal and interest are paid ratably through regular payroll deductions over a period not to exceed five years, unless the purpose of the note is to acquire or construct the primary residence of the participant. A participant may have no more than one outstanding note at a time.

Payment of Benefits. On termination of service due to death, disability, retirement, or termination, a participant may elect to receive either a lump-sum or partial amount equal to the value of their vested interest. Distributions may be made to a participant who has not separated from service upon reaching normal retirement age. Distributions may be made at the participant's election prior to termination upon attainment of age 59 ½ or hardship as defined in the Plan document.

Termination of employment prior to normal retirement requires distribution if the account balance does not exceed $7,000. A terminated participant with a balance between $1,000 and $7,000 can elect to receive: (a) a direct rollover to an IRA or another qualified retirement plan or (b) a payment in cash, subject to federal tax withholding and generally a penalty tax if under 59 ½.

Forfeited Accounts. Forfeiture accounts are used to reduce the Companies' discretionary contribution and pay administrative expenses. At December 31, 2025 and 2024, these accounts totaled $13,232 and $35,223 respectively. During the year ended December 31, 2025, $10,558 of forfeitures were used to pay administrative expenses, and $29,899 of forfeitures were used to reduce employer contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The financial statements of the Plan have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition. The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan utilizes a framework to prioritize the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full-term of the asset or liability.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition. – Continued

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Transfers between levels shall occur at the actual date of the event or change in circumstances that caused the transfer. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs. See Note C for discussion of fair value measurements.

Investments measured at net asset value (NAV) per share (or its equivalent using the practical expedient in FASB's fair value measurement guidance) are not required to be categorized in the fair value hierarchy.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employer Contributions Receivable. Employer contributions receivable is measured at the amount owed to participants by the Companies at December 31, 2025 and 2024.

Participant Contributions Receivable. Participant contributions receivable is measured at the amount owed to participants' accounts that has been withheld from participant paychecks at December 31, 2025 and 2024.

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits. Benefits are recorded when paid.

Expenses. Certain expenses of maintaining the Plan are paid either by the Plan or Companies, as provided by the Plan document. Expenses paid by the Companies are excluded from these financial statements. If incurred directly by the Plan, these expenses are included in administrative expenses on the statement of changes in net assets available for benefits. Other investment-related expenses are included in net appreciation in fair value of investments.

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE C - FAIR VALUE

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used during the years ended December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust: Collective trust accounts are valued based on each underlying contract's pro-rata share of the fair value of the securities in the underlying separate accounts in which the contracts participate. Units of the Fund are valued each day on which the New York Stock Exchange (NYSE) is open for trading in accordance with the valuation procedures established by the Trustee. The NAV per unit is computed by dividing the total assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the Fund and included in the determination of unit values.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

December 31, 2025	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 918,378	$ 918,378	$ -	$ -
Investments measured at NAV	9,827,378	-	-	-

NOTE D – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at and notes receivable from participants at December 31, 2025 and investments held at December 31, 2024 and net appreciation in fair value of investments and dividends and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Matrix Trust Company (the former custodian of the Plan) at December 31, 2024 and for the period January 1, 2025 to July 17, 2025 and by Ascensus Trust Company and Newport Trust Company LLC (the custodian of the Plan) at December 31, 2025 and for the period July 18, 2025 to December 31, 2025. Accordingly, the custodians have certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate:

	December 31,	
	2025	2024
Cash and cash equivalents	$ -	$ 6,331
Investments, at fair value	10,745,756	9,573,256
Notes receivable from participants	105,285	-
Total	$ 10,851,041	$ 9,579,587

NOTE D – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS – CONTINUED

	Year Ended December 31, 2025
Investment income	
Net appreciation in fair value of investments	$ 1,352,709
Dividends	33,297
Total investment income	$ 1,386,006
Interest income on notes receivable from participants	$ 10,728

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE E - RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Mutual of Omaha Investor Services Inc., Cambridge Investment Research and Mesirow all served as investment advisors and therefore qualify as party-in-interest transactions. The Plan made direct payments of $7,981 to Mutual of Omaha Investor Services, Inc., $16,911 to Cambridge Investment Research, and $5,022 to Mesirow for investment advisory services during 2025.

Ascensus LLC served as the recordkeeper and therefore qualifies as a party-in-interest. The Plan made direct payments of $39,010 to Ascensus LLC for recordkeeping, distribution, and loan services during 2025. Other indirect investment management fees are included in net appreciation in fair value of the investments. The Plan Sponsor pays directly any other fees related to the Plan's operations.

The Plan paid HBE LLP $6,985 during 2025. HBE LLP qualifies as a party-in-interest as they serve as the independent auditor for the Plan.

NOTE F - PLAN TERMINATION39

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE G - TAX STATUS

The Plan is based on the Prototype Non-Standardized Profit-Sharing Plan with CODA of Mutual of Omaha Insurance Company, which received a determination letter from the IRS dated September 21, 2020, stating that the Plan was designed in accordance with the provisions of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax exempt.

NOTE G - TAX STATUS - CONTINUED

For the years ended December 31, 2025 and 2024, the Plan had no tax liability on unrelated business activity. The Plan believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Plan's Federal Returns for December 31, 2025, 2024, and 2023 are subject to examination by the IRS, generally for three years after they were filed.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

NOTE I - SUBSEQUENT EVENTS

Subsequent events have been evaluated through the audit report date, the date the financial statements were available to be issued.
