INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
O'Day Management 401(k) Profit Sharing Plan
Fargo, North Dakota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **O'Day Management 401(k) Profit Sharing Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **O'Day Management 401(k) Profit Sharing Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **O'Day Management 401(k) Profit Sharing Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **O'Day Management 401(k) Profit Sharing Plan's** ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **O'Day Management 401(k) Profit Sharing Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **O'Day Management 401(k) Profit Sharing Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the O'Day Management 401(k) Profit Sharing Plan ("the Plan") provides only general information. Participants should refer to the Basic Plan Document and Adoption Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of O'Day Management, Inc. ("the Company") who have completed one hour of service and are age 18 or older for elective deferrals and matching contributions, as defined by the Plan. Leased employees are excluded from coverage by the Plan. Employees are eligible for nonelective contributions when they have completed one year of service with a minimum of 1,000 hours and are age 18 or over. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

401(k)

Participants may contribute any percentage of their income up to the maximum amount allowed under the Internal Revenue Code for the plan year. Effective January 14, 2008, the Company elected to withhold 3.0% of a participant's compensation as an automatic deferral amount unless the participant makes a contrary election. The automatic deferral applies to new participants whose entry date is on or following the automatic deferral effective date. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions

401(k) Match

The Company makes a discretionary matching contribution equal to a uniform percentage or dollar amount that a participant contributes to the Plan. Each year, the Company determines the formula for the discretionary matching contribution. For the year ended December 31, 2025, the Company's matching contribution equaled 50% of the first 6.0% of base compensation that a participant contributes to the plan.

Profit Sharing

The Company may elect to make a discretionary nonelective contribution that is determined on an annual basis for all eligible participants. For the year ended December 31, 2025, the Company did not make a discretionary nonelective contribution.

The plan allows rollover contributions into the Plan from another qualified plan.

Plan Amendment

Effective January 1, 2025, the Plan adopted the SECURE 2.0 optional provision for increased catch-up contributions for participants ages 60 through 63. Eligible participants may make catch-up contributions up to the enhanced limit prescribed by the Internal Revenue Code, while participants age 50 and older who are not eligible for the enhanced catch-up provision remain subject to the standard catch-up contribution limit.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) Company's contribution, (b) Plan earnings, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all employee contributions, plus actual earnings thereon. Employer matching and nonelective contributions are subject to a six-year vesting schedule as follows:

Year	Vesting Percentage
Less than 2 years of service	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of the offered investment options. Participants may change their investment options daily.

Notes Receivable from Participants

Participants may borrow from their funds up to a maximum not to exceed the lesser of (a) $50,000 or (b) one-half of the fair market value of a participant's vested account balance. The minimum loan amount that may be borrowed is $1,000. Only one outstanding loan is permitted at any given time.

The term of such loan must not be less than one year nor greater than five years, except in the case of a loan for the purpose of acquiring a primary residence. The term of such loan shall be determined by the employer considering the maturity dates quoted by the representative commercial banks in the local area for a similar loan.

All loans will bear a commercially reasonable rate of interest which the Company has determined to be the prime rate plus 1.0%. Interest rates range from 4.25% to 9.50%. The loan agreement shall also provide that the payment of principal and interest be amortized in level payments not less than quarterly. The loans are secured by 50% of participant's vested account balance.

Payment of Benefits

If upon termination of employment due to separation of service, retirement, disability or death, the vested account balance is less than $5,000, the participant may elect to receive either a lump-sum distribution of the entire vested account balance or rollover the account into an IRA or to another qualified account. If no election is made and the balance is less than $5,000 but greater than $1,000, the funds will be rolled over into an IRA in the participant's name with a provider selected by the Plan Administrator. If no election is made upon termination of service and the participant's account balance is less than $1,000, the vested account balance will be distributed to the participant.

In the event a participant terminates employment due to separation of service, retirement, disability, or death, if the vested account balance exceeds $5,000 a Participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a fixed number of years. The participant may also elect to rollover the distribution to an Individual Retirement Account ("IRA") or to another qualified account. If no election is made, the account balance will remain in the participant's account within the Plan.

Upon attainment of 65 years, participants may withdraw all or any portion of their vested account balances. For participants whose age exceeds 73 years the Internal Revenue Service required minimum distribution rules may apply.

Participants may take hardship withdrawals to satisfy an immediate and heavy financial need and subject to certain limitations as defined by the Plan.

Forfeited Accounts

Forfeiture occurs when a participant terminates employment and all or part of the participant's employer matching contributions are not vested. The nonvested portion is forfeited immediately if the participant either has no vested interest upon termination of employment or receives a distribution of the entire vested interest when the participant terminates employment. If none of these circumstances exist, nonvested balances are forfeited upon the completion of five consecutive years in which the Participant works fewer than twelve months.

Forfeitures may be used to pay any administrative expenses, and then any remaining forfeitures will be used to reduce matching contributions. For the plan year ended December 31, 2025, forfeitures of $14,928 were used to pay Plan administrative expenses. Forfeitures of $16,590 were used in 2025, to reduce matching contributions. At December 31, 2025 and 2024, forfeited non-vested accounts of terminated employees available to pay plan fees and make additional discretionary nonelective contributions totaled $4,925 and $22,456, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for the Key Guaranteed Portfolio Fund valued at contract value, as disclosed in Note 5. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

The classification of investment earnings reported in the statement of changes in net assets available for benefits may differ from the classification of earnings on Form 5500 due to different reporting requirements on Form 5500.

Measurement of Notes Receivable from Participants

Notes receivable from participants are measured at the loans' unpaid principal balance plus any accrued interest.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Current Expected Credit Losses

The Plan's financial assets measured at amortized cost consist primarily of employer contributions receivable.

Management evaluates expected credit losses on these receivables using historical collection experience, current conditions, and reasonable and supportable forecasts.

The Plan maintains an allowance for credit losses to present the net amount expected to be collected. Management considered the financial condition of contributing employers, historical write-off experience, industry conditions, and other relevant factors in estimating expected credit losses.

As of December 31, 2025 and 2024, the allowance for credit losses was $-0-, as management concluded that substantially all employer contributions receivable were expected to be collected.

Subsequent Events

Management has evaluated subsequent events through the date of the auditor's report, which is the date the financial statements were available to be issued.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, no independent auditing procedures were performed with respect to the information certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC.

The Plan Trustees have certified its statements of accounts as of December 31, 2025 and 2024, and for the year ended December 31, 2025. The statement of accounts includes beginning and ending balances of investments held, notes receivable from participants, and detail of all transactions during the period, including interest income on notes receivable from participants and investment earnings.

Insurance contracts held in the Plan are not included under the certification.

NOTE 4 – FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy in accordance with ASC 820 *Fair Value Measurements* are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active or inactive markets and inputs other than quoted prices that are observable for the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Insurance contracts - Valued at cash surrender value per insurance policy, which approximates fair value. The cash surrender value is based on the savings component of the policy and current yields.

Collective trust funds - Valued at the net asset value ("NAV") of units of a collective trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value reported on a recurring basis as of December 31:

	2025			
	Fair Value	**Level 1**	**Level 2**	**Level 3**
Mutual funds	$ 7,011,458	$ 7,011,458	$ -	$ -
Total assets in the fair value hierarchy	7,011,458	7,011,458	-	-
Investments measured at net asset value	81	-	-	-
Total	$ 7,011,539	$ 7,011,458	$ -	$ -

	2024

Total assets at fair value	$ 6,072,726	$ 6,053,686	$ -	$ 18,961

Level 3 Gains and Losses

The table below sets forth a summary of changes in the fair value of the Plan's level 3 assets for the years ended December 31, 2025 and 2024:

	Insurance Contracts
December 31, 2023	$ 15,804
Net appreciation	3,157
December 31, 2024	18,961
Surrender of life insurance policy contract	(18,961)
December 31, 2025	$ -

Quantitative Information about Significant Unobservable Inputs Used in Level 3 Fair Value Measurements

The following table represents the Plan's level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments, and the significant unobservable inputs and the ranges of values for those inputs.

	Fair Value		Principal Valuation Technique	Unobservable Inputs	Range of (Weighted Average)
	2025	2024			
Insurance contracts	$ -	$ 18,961	Cash surrender value	Surrender term	5 - 10 years
				Surrender charges	7% - 8%
				Loan balances	n/a
				Loan rates	n/a

Fair Value of Investments in Entities that use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31:

Investment Type	2025 Fair Value	2024 Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust funds					
Galliard Stable Return	$ 81	$ 79	n/a	Daily	Daily

NOTE 5 – INVESTMENTS CONTRACT WITH INSURANCE COMPANY

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract (GIC) with Empower Annuity Insurance Company of America. Empower Annuity Insurance Company of America maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The GIC issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0.0%. Such interest rates are reviewed on a quarterly basis for resetting.

Because the GIC is fully benefit-responsive, contract value is the relevant measure for the GIC. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract value of the investment contract at December 31, 2025 and 2024, was $184,573 and $196,881, respectively.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that would limit the ability of the Plan to transact at contract value with the participants.

The contract permits the insurance company to terminate the agreement with 60 days advanced written notice.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, participants are entitled to a distribution of their entire vested benefits.

NOTE 7 – TAX STATUS

The Internal Revenue Service has determined and informed the Plan by opinion letter that the Volume Submitter Profit Sharing Plan, as then designed is acceptable under section 401 of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended and restated since adopting the prototype. However, the Plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(k) and the related trust is tax-exempt as of December 31, 2025. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan management is required to evaluate tax positions taken by the Plan and determine if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain tax positions.

NOTE 8 – TRANSACTIONS WITH PARTIES-IN-INTEREST

O'Day Management provides certain accounting and administrative services to the plan, for which no fees are charged. Certain trustee fees based on Plan assets are paid by O'Day Management on behalf of the Plan. These fees would otherwise be paid by the Plan.

Certain plan investments are in shares of mutual funds and guaranteed investment contracts managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the trustees as defined by the Plan and therefore, these transactions are party-in-interest transactions under ERISA.

The Plan paid certain administrative expenses to parties-in-interest. These transactions are considered exempt party-in-interest transactions under ERISA.

NOTE 9 – RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As of December 31, 2025 and 2024, the plan had investments of $4,170,437 and $3,461,845, respectively that were concentrated in three funds each year.

NOTE 10 – NONEXEMPT TRANSACTIONS

Defined contribution plans are required to remit employee contributions to the plan as soon as they can be reasonably segregated from the employer's general assets. During the years ended December 31, 2025 and 2024, employee deferrals of $771 and $14 respectively, were withheld and not remitted on a timely basis (as defined by the Department of Labor "DOL") by the Plan Sponsor. During the years ended December 31, 2025 and 2024, earnings of $38 and $-0-, respectively were remitted in the plan deferrals not remitted on a timely basis (as defined by the Department of Labor "DOL") by the Plan Sponsor. The Plan Sponsor has confirmed that all such deferrals have been deposited to the Plan.
