# Independent Auditor's Report

Plan Administrator of
Greater Erie Community Action Committee Tax Deferred Annuity Program

**Scope and Nature of ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Greater Erie Community Action Committee Tax Deferred Annuity Program, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Greater Erie Community Action Committee Tax Deferred Annuity Program's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Greater Erie Community Action Committee Tax Deferred Annuity Program and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Erie Community Action Committee Tax Deferred Annuity Program's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we;

- Exercise professional judgement and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Greater Erie Community Action Committee Tax Deferred Annuity Program's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Erie Community Action Committee Tax Deferred Annuity Program's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2025 and assets (held at end of year) at December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTE A - DESCRIPTION OF PLAN

The following brief description of the Greater Erie Community Action Committee ("Agency") Tax Deferred Annuity Program ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### 1. General

The Plan is a 403(b) defined contribution plan covering all employees of the Agency. Full time employees are eligible to make salary deferrals upon hiring and must complete six months of service to receive employer matching contributions. Employees who normally work less than 20 hours per week can participate but are not eligible for matching contributions. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective December 9, 2024, the custodian of the Plan changed from Lincoln Financial Group to American Trust Custody and a new plan document was executed. All investments held by Lincoln Financial Group were transferred to American Trust Custody and invested in other investment vehicles, with the exception of the group fixed annuity contract (Note E). The adoption of the new plan had no effect on net assets.

### 2. Contributions

Each year, participants may contribute amounts ranging from a minimum of 2% of their compensation up to the maximum deferral allowed by law. Participants also have the option of making Roth deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contributions plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds, collective trusts, and a group fixed annuity contract as investment options for participants. Absent employee direction, assets are placed into a Qualified Default Investment Alternative, which are target date funds based on the participant's date of birth. The Agency contributes 5% of each participant's compensation.

### 3. Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Agency's matching contribution, and (b) Plan earnings, and are charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF PLAN - Continued

4. Vesting

Participants are always 100% vested in their entire account balance.

5. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 8.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid monthly.

6. Payment of Benefits

Benefits may be paid to a participant or beneficiary upon death, disability, termination from employment, or after the participant reaches ages 59 ½. Benefits will be provided as (1) a lump-sum amount equal to the value of the participant's vested interest in his or her account, (2) installment distributions over a specified time period not to exceed the life or life expectancy of the participant, or (3) a distribution in the form of an annuity.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Date of Management's Review

Subsequent events were evaluated through September 30, 2026, the date the financial statements were available to be issued.

2. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are measured at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

3. Use of Estimates in Financial Statements

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

4. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. As of December 31, 2025 and 2024, an allowance for credit losses of $22,244 and $0, respectively, has been recorded.

5. Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note C).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

6. Payment of Benefits

Benefits are recorded when paid.

7. Operating Expenses

Certain expenses of maintaining the Plan are paid by the Agency and are therefore excluded from these financial statements. Investment advisory fees and contract administration fees are charged to participants. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

## NOTE C - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits, except for fully benefit-responsive investment contracts, which are reported at contract value. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2025 and 2024.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the funds. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

NOTE C - FAIR VALUE MEASUREMENTS - Continued

| | Fair Value | Level 1 | Level 2 | Level 3 |
|---|---|---|---|---|
| December 31, 2025 | | | | |
| Mutual Funds | $ 9,887,527 | $ 9,887,527 | $ - | $ - |
| Total | $ 9,887,527 | $ 9,887,527 | $ - | $ - |
| December 31, 2024 | | | | |
| Mutual Funds | $ 9,843,687 | $ 9,843,687 | $ - | $ - |
| Total | $ 9,843,687 | $ 9,843,687 | $ - | $ - |

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024 are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and 2024, there were no transfers into or out of Level 3.

NOTE D - CERTIFIED INVESTMENTS

The December 31, 2025 and 2024 statements of net assets available for benefits, the investment activities included on the statement of changes in net assets available for benefits for the year ended December 31, 2025 and 2024, and the accompanying notes to the financial statements were prepared in part or entirely from information certified as complete and accurate by Lincoln Financial Group Trust Company and American Trust Custody, qualified institutions, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes the following as of and for the years ended December 31, 2025 and 2024:

| | 2025 | 2024 |
|---|---|---|
| Total Investments | $ 11,045,947 | $ 11,289,249 |
| Notes Receivable from Participants | - | 45,075 |
| Investment Income | 1,365,543 | 1,127,938 |

## NOTE E - GROUP FIXED ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a traditional fully benefit-responsive group fixed annuity contract with Lincoln National Life Insurance Company (Lincoln). Lincoln maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group fixed annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed by the plan.

Because the fixed annuity contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fixed annuity contract. The fixed annuity contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported by Lincoln, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The value of the contract at December 31, 2025 and 2024 was $1,158,420 and $1,445,562, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1.70%. Such interest rates are reviewed on a quarterly basis or resetting.

Certain events limit the Plan's ability to transact at contract value with Lincoln. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The Plan terminated the contract on December 9, 2024. The Plan elected the five year book value installment option in connection with the termination. Under this option, 20% of the contract balance was transferred to the new custodian on December 9, 2024. The remaining 80% will be distributed to the custodian over the next 5 years. Funds remaining with Lincoln will continue to earn interest in the same manner as described above.

## NOTE F - RELATED PARTY TRANSACTIONS & PARTY IN INTEREST TRANSACTIONS

The group fixed annuity contract is managed by Lincoln National Life Insurance Company and Lincoln Financial Group. Certain mutual funds are managed by Mutual of America or one of its affiliates. Lincoln Financial Group and Mutual of America's affiliates are the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan for the investment management and advisory services amounted to $48,077 and $94,142 for the years ended December 31, 2025 and 2024, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

## NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Agency has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

## NOTE H - TAX STATUS

The Plan is designed to comply with the applicable requirements of Section 403(b) of the Internal Revenue Code (IRC). The Internal Revenue Service (IRS) has established a program under which pre-approved plan sponsors of Section 403(b) plans may apply to the IRS for an advisory letter for volume submitter plans. The Plan had been operating under a volume submitter plan sponsored by Lincoln Retirement Services Company, LLC. Effective December 9, 2024, the Plan was amended by adopting a volume submitter 403(b) plan sponsored by Mutual of America Financial Group. The IRS previously issued advisory letters dated March 31, 2017 and March 2, 2020 stating that the sponsored volume submitter 403(b) plans are designed in accordance with applicable IRC requirements as of those dates. Therefore, the Plan administrator and the Plan sponsor believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

## NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

## NOTE J - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Form 5500 has been prepared on the cash basis of accounting while these financial statements have been prepared on the accrual basis of accounting. For the years ended December 31, 2025 and 2024, there were no differences between the statement of net assets available for benefits and Form 5500. Also, there were no differences between the statement of net assets available for benefits and Form 5500 for the year ended December 31, 2025. The following is a reconciliation of the change in net assets available for benefits per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2024:

| | |
|---|---|
| Change in net assets available for benefits per the financial statements | ($ 449,646) |
