Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Gateways to Better Living, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Gateways to Better Living, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

HILL, BARTH & KING LLC | 6603 SUMMIT DRIVE | CANFIELD, OH 44406 | TEL 330-758-8613 | FAX 330-758-0357 | HBKCPA.COM

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Gateways to Better Living, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Restatement of Previously Issued Financial Statements

As discussed in Note J to the financial statements, the Plan's previously issued 2024 financial statements have been restated to correct a misstatement related to notes receivable from participants. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gateways to Better Living, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gateways to Better Living, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gateways to Better Living, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H Part IV, Item 4i - schedule of assets held for investment purposes at end of year, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF PLAN

The following brief description of the Gateways to Better Living, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:
The Plan is a defined contribution plan covering all full-time employees of Gateways to Better Living, Inc. (the Company) who have completed one year of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's Board of Directors (the Board) are responsible for oversight of the Plan including the appropriateness of investment offerings and monitoring of investment performance.

Contributions:
The Plan provides for pre-tax and after tax employee salary 401(k) contributions up to the maximum tax deferred limitations established by the Internal Revenue Code. The maximum voluntary contribution for 2025 and 2024 was $23,500 and $23,000, respectively. An additional contribution of $7,500 is allowable in 2025 and 2024, for those employees that are age 50 and older. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

The Company also makes a discretionary 50 percent matching contribution up to the first 6 percent of employee deferrals to the Plan.

Participant Accounts:
Each participant's account is credited with the participant's contributions and allocations of the Company's contributions, plan earnings, and forfeitures of terminated participants' nonvested accounts and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Assets:
The Plan's assets consist of a guaranteed interest account and pooled separate accounts, which invest in various mutual funds as administered by the Plan's trustee, Standard Insurance Company (Standard). The participants of the Plan are responsible for making investment decisions. Participants may direct contributions to any or all of the investments offered by the Plan.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting:
Participants are immediately 100 percent vested in employee salary and rollover contributions and any income or loss thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, is based on years of service. Participants are 20% vested in matching contributions after 2 years and an additional 20% each year thereafter until they become fully vested after 6 years of service.

Notes Receivable from Participants:
Participants may borrow from their accounts subject to certain maximum and minimum amounts as prescribed in the Plan and in the Internal Revenue Code. Participant notes receivable are collateralized by the participant's account balance and bear interest at a market rate.

Benefit Payments:
Distributions are payable upon retirement, death, disability, or termination of employment in the form of a lump-sum amount equal to the vested balance of a participant's account.

Hardship Withdrawals:
Participants may request that all or a portion of their account be distributed in the case of severe financial hardship, as defined in the plan document. The Company must approve any such hardship withdrawals.

Forfeitures:
If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future Company contributions. At December 31, 2025 and 2024, forfeited account balances totaled $0 and $362, respectively. Employer contributions were reduced by forfeitures by $1,575 and $2,260 in 2025 and 2024, respectively.

Administration:
The Company is the sponsor of the Plan. The administrative committee, as provided in the plan agreement, functions as both the plan administrator and plan trustee and has responsibility for the administration of the Plan. The Standard Insurance Company and Minnesota Life Insurance Company function as the custodians. Investment management fees are paid by the Plan in accordance with the Plan agreement.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:
The accompanying financial statements have been prepared on the accrual basis of accounting under accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition:
Investments held by the Plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under terms of the Plan.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments, including realized gains and losses on sales during the year and current changes in unrealized appreciation (depreciation) in the market value of investments held at end of year, is presented in the statement of changes in net assets available for benefits.

Contributions:
Contributions from Plan participants and employer contributions, if any, are recorded in the year in which the participant contributions are withheld from compensation.

Notes Receivable from Participants:
Notes receivable from participants are recorded at their unpaid principal balances plus any accrued interest. Notes receivable from participants are written off when deemed uncollectible.

Benefit Payments:
Benefits are recorded when paid.

Administrative Expenses:
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of distributions are charged directly to the participant's account and are included in the administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates:
The preparation of financial statements in accordance with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events:
The plan administrator evaluated all activity of the Plan through October 6, 2026, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from Standard Insurance Company and Minnesota Life Insurance Company for 2025 and 2024 that all information relating to the Plan's investments and related investment income, notes receivable from participants and net appreciation in fair value of investments are complete and accurate. Information as to the value of the investments in the trust fund managed by the trustee, investment income and all information in the supplemental schedule is presented in reliance solely upon certifications.

In 2022, Minnesota Life Insurance Company ("Minnesota Life") and Standard Insurance Company ("The Standard") entered into a Reinsurance Agreement and other related agreements that transferred administrative, payment, and investment responsibilities with respect to certain insurance contracts from Minnesota Life to The Standard, on a coinsurance basis in the case of general account liabilities and on a modified coinsurance basis in the case of separate account liabilities. Pursuant to the agreements, The Standard is responsible for all administrative services, including the preparation and certification of the Plan's annual reporting on behalf of Minnesota Life. Minnesota Life remains the issuer and retains liability for the insurance contracts that are reinsured and administered by The Standard.

Minnesota Life Insurance Company should be identified as the owner/issuer of the group annuity contracts and, those assets are still with Minnesota Life. The Standard is the recordkeeper and provides administrative services.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (CONTINUED)

The following investment information included in the accompanying financial statements and supplemental schedule was obtained from data prepared and certified to as complete and accurate by the custodians, The Standard and Minnesota Life as of December 31, 2025 and 2024 and for the year ended December 31, 2025:

	2025	2024
Investments at net asset value	**$ 5,747,684**	$ 4,847,912
Investments at contract value	**1,757,982**	1,570,568
Participant notes receivable	**382,956**	371,932

	2025
Net appreciation in fair value of investments	**$ 738,048**
Interest from unallocated contract	**27,367**
Interest from participant notes receivable	**21,725**

NOTE D - INVESTMENTS AT NET ASSET VALUE

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Fund	**Fair Value at December 31,**		**Unfunded Commitments**	**Redemption Frequency (If Currently Eligible)**	**Redemption Notice Period**
	2025	**2024**			
Pooled separate accounts	**$ 5,747,684**	$ 4,847,912	N/A	Daily	12 months

Pooled separate accounts are valued at the unit price reported by the sponsoring insurance company.

NOTE D - INVESTMENTS AT NET ASSET VALUE (CONTINUED)

The underlying investments owned can include money market funds, stable value funds, fixed-income securities, registered investment companies, common stocks, corporate bonds, U.S. Government securities, other pooled separate accounts, or guaranteed insurance contracts priced by the sponsoring insurance company using applicable interest rates and contract provisions. The unit price is based on the fair value of the underlying investments owned, less any accruals of fees and expenses borne by the account and divided by the number of units outstanding. The unit price is readily determinable and quoted on the active private market on which participants can transact daily with no significant redemption restrictions on these investments. There have been no changes in methodologies used at December 31, 2025 and 2024.

NOTE E - PLAN TERMINATION

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan holds a traditional investment contract in the Minnesota Life guaranteed return account. This contract meets the fully benefit-responsive investment contract criteria and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The following represents the disaggregation of contract value between types of investment contracts by the Plan.

NOTE G - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY(CONTINUED)

The traditional investment contracts held by the Plan include wrapper contracts that provide a guarantee that the credit rate will not fall below 1.5 percent. Cash flow volatility (for example, timing of benefit payments) as well as asset underperformance can be passed through to the Plan through adjustments to future contract crediting rates. Formulas are provided in each contract that adjusts renewal crediting rates to recognize the difference between the fair value and the book value of the underlying assets. Crediting rates are reviewed monthly for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contracts
3. Amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan)
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary), that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of a material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer.

NOTE H - TAX STATUS

The Plan Sponsor adopted a plan which received a favorable opinion letter, from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. The Plan is required to operate in conformity with IRC to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not, based on the technical merits, would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the statute of limitations for the IRS to assess taxes on a plan expires three years from the due date of the return or the date on which it was filed, whichever is later.

The Plan is required to be amended, for legislative and regulatory changes applicable to qualified retirement plans, including provisions of the Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 ("SECURE 2.0"). SECURE 2.0 was enacted as part of the Consolidated Appropriations Act, 2023, on December 29, 2022. The Plan has operationally implemented Secure 2.0 provisions and expects to adopt conforming written amendments within the applicable remedial amendment period.

NOTE I - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Standard Insurance Company and Minnesota Life Insurance Company. Standard Insurance Company is the trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Minnesota Life Insurance Company is the owner of the group annuity contracts and, therefore, these transactions qualify as party-in-interest transactions.

NOTE J - RESTATEMENT OF PREVIOUSLY ISSUED FINANCIAL STATEMENTS

During the year ended December 31, 2025, the Plan identified an error in the previously issued financial statements related to the reporting of notes receivable from participants. Defaulted participant loans that were deemed distributed for Form 5500 purposes had been removed from notes receivable from participants in the Plan's GAAP financial statements. Under GAAP, participant loans are reported as notes receivable from participants and measured at unpaid principal balance plus accrued unpaid interest.

The Plan restated the previously issued financial statements to correct the error. As of December 31, 2024, notes receivable from participants and net assets available for benefits were increased by $56,250. Notes receivable from participants increased from $315,682 to $371,932.

NOTE K - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following schedule is a reconciliation of the net assets available for benefits per the financial statements at December 31, 2025, to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	**$ 7,888,622**	$ 6,790,412
Less: deemed distributions	**(135,172)**	(56,250)
Net assets available for benefits per Sch. H of the Form 5500	**$ 7,753,450**	$ 6,734,162

The following schedule is a reconciliation of total expenses per the financial statements, for the year ended December 31, 2025, to Form 5500:

	2025
Total expenses per the financial statements	**$ 457,547**
Add: deemed distributions	**78,922**
Total expenses per Sch. H of the Form 5500	**$ 536,469**
