Board of Directors
Commonwealth Primary Care, Inc. 401(k) Profit-Sharing Plan and Trust
Richmond, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Commonwealth Primary Care, Inc. 401(k) Profit-Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Commonwealth Primary Care, Inc. 401(k) Profit-Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

300 Arboretum Place, Suite 660, North Chesterfield, Virginia 23236 Tel: 804-560-0560 Fax: 804-560-0553 hhjcpa.com

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Commonwealth Primary Care, Inc. 401(k) Profit-Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Commonwealth Primary Care, Inc. 401(k) Profit-Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Commonwealth Primary Care, Inc. 401(k) Profit-Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Commonwealth Primary Care, Inc. 401(k) Profit-Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including it's form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

NOTE A - DESCRIPTION OF PLAN

The following description of Commonwealth Primary Care, Inc. 401(k) Profit-Sharing Plan and Trust (the "Plan") is provided for general information purposes only. For a more complete description of the Plan's provisions, refer to the document governing the Plan (adoption agreement and summary plan description).

General

The Plan is a defined contribution plan established effective July 1, 1979. The Plan covers all employees, excluding union, leased, and nonresident alien employees of Commonwealth Primary Care, Inc. (the "Company") who have completed three months of service and are age 21 or older. The Plan requires a participant to be employed as of year end to be eligible to receive employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Administrative Committee is responsible for oversight of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Administrative Committee.

Contributions

Employee Contributions: Each year, participants may contribute up to 90 percent of pretax annual compensation, as defined in the Plan document, up to the maximum limits of the Internal Revenue Code (IRC). Participants also may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Contributions: The Plan is an "elective safe harbor" 401(k) plan, and as such, the Company contributes a matching amount equal to 100% of the amount of the participant's elective deferrals that do not exceed 4%. As of December 31, 2025 and 2024, the safe harbor match represented $181,409 and $165,413, respectively, of the employer contribution receivable.

Employer-Profit Sharing Contributions: Additional profit-sharing amounts may be contributed at the option of the Administrative Committee. For the years ended December 31, 2025 and 2024, the Company approved profit-sharing contributions to the Plan of $974,729, net of $50,441 in forfeitures applied and $836,844, net of $58,069 in forfeitures applied, respectively. Additional discretionary amounts may be contributed by the Company at the option of the Administrative Committee. For the year ended December 31, 2025, there were no additional discretionary contributions to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, and allocations of (a) Company matching contributions, Company's profit-sharing contributions (when applicable), Company's discretionary contributions (when applicable), and (b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF PLAN - Continued

Vesting
Participants are vested immediately in their contributions, employer safe harbor contributions, and actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 20 percent vested after two years of credited service and continues to vest in increments of 20 percent until 100 percent vested after six years of credited service.

Notes Receivable from Participants
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates determined daily, set at one percent above the prime rate, as defined. Principal and interest are paid ratably through monthly payroll deductions. Terms range from one to five years or greater for the purchase of a primary residence.

Payment of Benefits
On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installment payments as provided in the Plan document. If a terminated participant's vested balance is less than or equal to $7,000, the amount may be automatically distributed in the form of a lump-sum cash payment. In addition, the Plan allows for hardship distributions if certain criteria are met. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts
For the years ended December 31, 2025 and 2024, forfeited nonvested accounts totaled $50,471 and $58,085, respectively. These accounts will be used to reduce future employer contributions or to pay Plan administrative expenses. During 2025 and 2024, employer contributions were reduced by $58,067 and $28,065, respectively, from forfeited nonvested accounts in accordance with Plan provisions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company, as applicable. See Note C for discussion of fair value measurements.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Investment Valuation and Income Recognition - Continued
The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Cash & Money market funds - These investments are stated at cost, which approximates fair value.

Mutual funds - Valued at daily closing prices as reported by the Fund. Mutual Funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Common collective trust funds - Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The Practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust to ensure that securities liquidations will be carried out in an orderly business manner.

Self-Directed Brokerage Account: Insurance (annuity) contract - The Plan holds a Nationwide New Heights 12 fixed indexed annuity contract (contract no. 07-1335437) issued by Nationwide Life and Annuity Insurance Company, owned by the Plan. The contract is reported at fair value, estimated as the Balanced Allocation Value ("BAV"), which under the contract is the greater of (1) the contract value plus any strategy earnings from the beginning of the current strategy term not yet credited to the contract value, or (2) the Return of Purchase Payment Guarantee Amount. The BAV is calculated daily by the issuer. Because the measurement relies on significant inputs that are not observable in an active market, the contract is classified within Level 3 of the fair value hierarchy. Rider charges for the elected Lifetime Income Benefit Rider are deducted from the contract quarterly and are reflected in net appreciation (depreciation) in fair value of investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make note repayments and the Plan administrator deems the participant note to be in default, the participant note balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits paid to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Forfeitures

Forfeitures of nonvested employer contributions are recorded as plan assets and are available to be used in accordance with the Plan document. Forfeitures are disposed of in the Plan year following the Plan year in which the forfeiture occurs. Forfeitures attributable to discretionary employer contributions are used to reduce future employer contributions, pay Plan administrative expenses, or restore forfeitures.

NOTE C - FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

Investments at fair value as of December 31, 2025	Level 1	Level 3	Net Asset Value*	Total
Cash and money funds	$ 1,235,033	$ -	$ -	$ 1,235,033
Mutual funds	44,442,677	-	-	44,442,677

Total investments in the fair value hierarchy	45,677,710	503,939	-	46,181,649
Common collective trust	-	-	834,927	834,927
Investments at fair value	$ 45,677,710	$ 503,939	$ 834,927	$ 47,016,576

Investments at fair value as of December 31, 2024	Level 1	Level 3	Net Asset Value*	Total
Cash and money funds	$ 1,157,987	$ -	$ -	$ 1,157,987
Mutual funds	37,936,191	-	-	37,936,191
Self-directed brokerage accounts	-	503,939	-	503,939
Total investments in the fair value hierarchy	39,094,178	503,939	-	39,598,117
Common collective trust	-	-	940,085	940,085
Investments at fair value	$ 39,094,178	$ 503,939	$ 940,085	$ 40,538,202

* In accordance with FASB ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured at Net Asset Value

The following table summarizes investments for which fair value is measured using the net asset value (NAV) per share (or its equivalent) practical expedient as of December 31, 2025 and 2024. In accordance with FASB ASC 820, investments measured at NAV using the practical expedient have not been classified in the fair value hierarchy.

NOTE C - FAIR VALUE MEASUREMENTS - Continued

	Fair Value 12/31/2025	Fair Value 12/31/2024	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Galliard Stable Return Fund C (Common Collective Trust)	$ 834,927	$ 940,085	None	Daily	Up to 12 months

The Galliard Stable Return Fund C (the "Fund") is a common collective trust maintained by SEI Trust Company, as trustee, and advised by Galliard Capital Management LLC. The Fund is a stable value vehicle that invests substantially all of its assets in the Galliard Stable Return Fund Core, the underlying portfolio of which is comprised principally of investment contracts issued by financial institutions including guaranteed investment contracts (GICs), separate account GICs (SAGICs), and security-backed investment contracts (SBICs) designed to permit participants to transact at contract (book) value. The Fund's investment contracts are not accounted for as fully benefit-responsive investment contracts of the Plan under FASB ASC 962-325, because the Plan holds an interest in the common collective trust rather than the underlying contracts directly; the Fund's unit value is used as a practical expedient to estimate fair value.

Participant-directed transactions (purchases and withdrawals) in the Fund may be made daily at the Fund's NAV. Qualifying participant withdrawals (such as those resulting from death, disability, retirement, termination of employment, hardship, participant loans, and required distributions) are paid at NAV without a plan-level notice period, subject to the trustee's right to delay payment for up to 30 days to maintain Fund liquidity.

There were no unfunded commitments to the Fund as of December 31, 2025 and 2024. The Plan has no investments in the NAV class that can never be redeemed.

A plan-directed request to withdraw all or part of the Plan's interest in the Fund (a plan-level withdrawal) is generally subject to a deferred book-value withdrawal mechanism, under which the trustee acts in good faith to pay the withdrawal on the first business day that is 12 months after receipt of a proper withdrawal request, unless the trustee accelerates payment in its discretion. In addition, the trustee may suspend or delay withdrawals if aggregate withdrawal requests exceed available Fund liquidity or if the trustee otherwise determines that a delay is in the best interests of the Fund. No such restriction was in effect as of December 31, 2025 or 2024, and no events are probable of occurring that would require the Fund to be sold at an amount different from its reported NAV.

Level 3 Fair Value Measurements

The Plan's Level 3 investment is a fixed indexed annuity contract measured at fair value based on the Balanced Allocation Value reported by the issuer. The following table presents quantitative information about the significant unobservable inputs used in that measurement as of December 31, 2025:

NOTE C - FAIR VALUE MEASUREMENTS - Continued

Level 3 Fair Value Measurements - Continued

	Fair Value 12/31/2025	Valuation Technique	Unobservable Inputs
Fixed indexed annuity contract	$ 503,939	Balanced Allocation Value, as reported by the issuer (greater of contract value plus uncredited strategy earnings, or the Return of Purchase Payment Guarantee Amount)	Index strategy: NYSE Zebra Edge, 100% equity index allocation; strategy spread 1.70%; declared rate 0.00%; 3-year strategy term (05/12/2024-05/12/2027); contract value $472,040; surrender value $424,627 (net of a market value adjustment of $1,110)

The following table presents a reconciliation of the Plan's Level 3 investment measured at fair value on a recurring basis for the year ended December 31, 2025:

	Fixed Indexed Annuity Contract
Balance, December 31, 2024 BAV	$ 503,939
Rider charges	(7,985)
Net appreciation in fair value of investments	7,985
Balance, December 31, 2025 BAV	$ 503,939

There were no transfers into or out of Level 3 during the year ended December 31, 2025. During the year there were no purchase payments and no withdrawals. The contract was charged $7,985 of rider fees, and no strategy earnings were credited because the current strategy term had not reached its term-end date.

NOTE D - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in the fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Ascensus Trust Company receives revenue from investment fund service providers for services Ascensus Trust Company provides to the funds. This revenue is used to offset certain amounts owed to Ascensus Trust Company for its administrative services to the Plan. If the revenue received by Ascensus Trust Company from such investment fund service providers exceeds the amount owed for its services, Ascensus Trust Company remits the excess to the Plan’s trust on a quarterly basis. The Plan or Plan Sponsor may make a payment to Ascensus Trust Company for administrative expenses not covered by revenue sharing. Additionally, the Plan issues loans to participants, which are secured by the participant’s account balances. These transactions qualify as party-in-interest transactions. Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE F - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for Plan benefits.

NOTE H - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, Ascensus Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of all investments, except those noted in Note I, and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, and the supplemental Schedule H, Line 4(i) - schedule of assets (held at end of year) as of December 31, 2025, and the related investment activity reported in the statement of changes in net assets available for benefits for the year ended December 31, 2025.

NOTE I - SELF-DIRECTED BROKERAGE ACCOUNTS NOT COVERED BY CERTIFICATION

The Plan permits participants to direct certain account balances into self-directed brokerage accounts. These investments are included in investments at fair value in the accompanying Statements of Net Assets Available for Benefits. Self-directed brokerage accounts with fair values of $503,939 as of December 31, 2025 and 2024, and related net appreciation/depreciation in fair value of investments, distributions, fees, and investment income/loss resulted in no effect in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025, were not covered by the certification from Ascensus Trust Company.

NOTE J - SUBSEQUENT EVENTS

In the preparation of its financial statements, Commonwealth Primary Care, Inc. 401(k) Profit-Sharing Plan and Trust considered subsequent events through October 5, 2026, which was the date the financial statements were available to be issued. There are no material subsequent events that require disclosure in the accompanying financial statements.
