Plan Trustee
Arrowstar Hospitality Partners 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Arrowstar Hospitality Partners 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Arrowstar Hospitality Partners 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements of information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section—

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of Arrowstar Hospitality Partners 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Arrowstar Hospitality Partners 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Arrowstar Hospitality Partners 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Arrowstar Hospitality Partners 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (held at end of year) as of December 31, 2025, and the supplemental schedule of delinquent participant contributions for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2024 Financial Statement

Plan management is responsible for the accompanying financial statement of Arrowstar Hospitality Partners 401(k) Plan, which comprises the statement of net assets available for benefits as of December 31, 2024. We have performed a compilation engagement in accordance with the Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services committee of the AICPA. We did not audit or review the financial statement, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Plan management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the financial statement.

NOTE 1. DESCRIPTION OF PLAN

The following description of the Arrowstar Hospitality Partners 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan. Arrowstar Hospitality Partners (the Company) is the administrator and sponsor of the Plan. The Plan was established on January 1, 2022, and uses Alerus Financial, N.A. as the Plan trustee/custodian. The Plan is maintained for the benefit of eligible employees of the sponsor and certain affiliated entities that have adopted the Plan. Management is responsible for determining the appropriateness of the plan's investment offerings, monitors investment performance and for determining the appropriate education of the participants. The participants are responsible for the direction of their account balances into specific investment options. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility:

Employees of the Company who are not leased employees, who are not non-resident aliens, who are not covered by collective bargaining agreements and have attained 21 years of age and 90 days of service are eligible to participate in the Plan. The Plan entry dates are first day of the first and seventh month of the plan year following the employee fulfillment of the eligibility requirements.

Contributions:

Each year, participants may contribute up to 100% of compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan at 3% of eligible compensation, unless they affirmatively elect not to participate in the Plan. The Company will make Safe Harbor matching contribution based on eligible compensation the employee contributes to the plan. The Company elected to match 100% of salary deferrals up to the first 1% of eligible plan compensation, plus 50% of salary deferrals up to the next 5% of eligible compensation. The Company may make discretionary matching and profit-sharing contributions. No discretionary matching or additional profit-sharing contributions were made for year ended December 31, 2025. Contributions are subject to IRS limitations.

Participant accounts:

Each participant's account is credited with participant pre-tax deferrals, participant post-tax Roth contributions, Company safe harbor matching contributions, any other discretionary contributions made by the Company and an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Participant accounts are valued at the end of each business day. The benefit the participant is entitled to is the benefit that can be provided from the participant's vested account.

NOTE 1. (CONTINUED)

Vesting:

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's discretionary match contribution and profit-sharing contribution portions of their account is based on years of continuous service. A participant is completely vested after six years of service. Employer Safe Harbor contributions are subject to 2-year cliff vesting. Participant accounts become 100% vested upon death or disability while employed with the Company or upon reaching normal retirement age.

Payment of benefits:

Distributions to terminated or retired participants are made in a single lump-sum payment to the participant (or in the case of death, the participant's beneficiary). If terminated/retired participants do not voluntarily elect to move their funds out of the plan, vested account balances between $1,000 and $4,999 are rolled into an IRA on the employee's behalf. If a participant terminates employment and the participant's account balance does not exceed $1,000, the Plan administrator can authorize the benefit payment without the Participant's consent.

Active (not terminated/retired) participants experiencing financial hardship may withdraw a portion of their elective deferral and rollover contribution account balance as defined in the Plan and withdrawals are limited pursuant to the Plan's provisions.

Forfeited accounts:

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $5,459 and $179, respectively. These accounts will be used to reduce future employer contributions or pay plan administrative expenses. During the year ended December 31, 2025, the Company used $17,624 to reduce employer contributions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting:

The financial statements of the Plan are maintained on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

NOTE 2. (CONTINUED)

Investment valuation and income recognition (continued):

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to administration of distributions are charged directly to the participant's account and are included in the administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

Subsequent events:

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 7, 2026, the date the financial statements were available to be issued.

NOTE 3. CERTIFICATION OF INVESTMENT INFORMATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Alerus Financial, N.A., the trustee (custodian) of the Plan, have certified as to the completeness and accuracy of all investment information reflected in the accompanying statements of net assets available for benefits as of December 31, 2025, the statement of changes in net assets available for benefits for the year ending December 31, 2025, and the supplemental schedule of assets (held at end of year) as of December 31, 2025.

NOTE 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1*:* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

NOTE 4. (CONTINUED)

Level 2*:* Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets and liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3*:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The Mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025 *- Audited*

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,341,209	$ -	$ -	$ 1,341,209
Investments at fair value	**$ 1,341,209**	**$ -**	**$ -**	**$ 1,341,209**

Assets at Fair Value as of December 31, 2024 *- Compiled*

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 870,050	$ -	$ -	$ 870,050
Investments at fair value	**$ 870,050**	**$ -**	**$ -**	**$ 870,050**

NOTE 5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Alerus Financial, N.A., which serves as trustee/custodian and as the Plan recordkeeper. Life, Inc. provides third party administrator services. These transactions qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7. PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated June 30, 2020, received from the Internal Revenue Service (IRS) on the Prototype Non-standardized Pre-Approved Profit-Sharing Plan with CODA indicating that the Plan, as designed, is qualified under Section 401 of the Internal Revenue Code (IRC) and is therefore not subject to tax under the current income tax law. The prototype Plan has been amended since receiving the opinion letter; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9. NON-EXEMPT TRANSACTIONS

During the Plan year ended December 31, 2025, the Employer failed to remit employee 401(k) deferral contributions for certain payrolls within the timeframe prescribed by the Department of Labor. This is deemed a prohibited transaction in accordance with ERISA and the IRC. Plan management is working on correcting these errors.

NOTE 10. OPERATIONAL ERRORS

During the Plan year ended December 31, 2025, the Plan Sponsor identified operational errors related to the Plan's provisions. The Plan Sponsor has taken corrective actions to prevent recurrence and will make any required corrective contributions, including related earnings, in accordance with applicable guidance.

NOTE 11. SECURE ACT 2.0

In December 2022, Securing a Strong Retirement Act (SECURE 2.0) was passed into law. The effective date of the provisions of SECURE 2.0 vary from becoming effective immediately through 2028. Those provisions include both required and optional elements. Management has evaluated those provisions and will determine optional provisions to elect in the future.
