B Three-digit plan number (PN) ▶ 001

C Plan sponsor's name as shown on line 2a of Form 5500
NEW ENGLAND WIRE TECHNOLOGIES CORP.

D Employer Identification Number (EIN)
02-0171141

Part I Asset and Liability Statement

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

To the Trustees and participants of
New England Wire Technologies Corporation
401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of New England Wire Technologies 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of New England Wire Technologies 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 11 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of New England Wire Technologies 401(k) Plan and to meet our other ethical responsibilities in accordance with

the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about New England Wire Technologies 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New England Wire Technologies 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about New England Wire Technologies 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of "Assets Held at end of Year" and "Assets Acquired and Disposed of within the Plan Year" are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – PLAN DESCRIPTION

The following description of the New England Wire Technologies Corporation 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General:
The Plan is a defined contribution plan covering full-time employees of the Company who have six consecutive months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Administrative Committee oversees governance of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions:
An eligible employee may contribute up to ninety percent of their pay for the year, not to exceed $23,500 for 2025. Eligible employees, who are at least fifty years old may make a catch-up contribution of $7,500 for 2025 in addition to the maximum if they prefer. The Corporation may make a matching contribution to each participant based on his or her elective deferrals in a percentage set by the employer prior to the end of the plan year. Employee and employer match contributions are for participant directed investments that are managed by John Hancock Life Insurance Company. The Corporation may also contribute an additional amount determined it its sole judgment. This additional allocation if any would be a profit sharing contribution for nonparticipant directed investments, managed by Measured Wealth LLC currently, with investments with Charles Schwab and would be allocated to all eligible employees in proportion to each eligible employee's compensation as a ratio of all eligible employees' compensation. These contributions are subject to withdrawal restrictions. Contributions are also subject to certain statutory limitations.

Participant Accounts:
Each participant's account is credited with the participant's contribution and allocations of (a) the Corporation's 401(k) matching contribution, (b) allocable share of Corporation's profit sharing contribution, (c) participant directed earnings (loss) from their 401(k) account, less allocable expenses netted against those earnings, and (d) profit sharing earnings (loss), less related expenses netted against those earnings for allocation purposes. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:
Participants are immediately vested in their 401(k) contributions plus actual earnings thereon. Vesting in the Corporations 401(k) matching and profit sharing contributions is based on years of service. A participant is 100% vested after six years of credited service.

NOTE 1 – PLAN DESCRIPTION (CONT.)

Payment of Benefits:
On termination of service due to death, disability or retirement or upon attaining age 65, participants are entitled to the vested value of their account. Participants who terminate prior to age 65 with a vested balance in excess of $1,000 may postpone the distribution until age 65. Participants that continue to work beyond age 65 or retire at age 65 may postpone distributions but must take minimum required distributions at age 73.

Forfeited Accounts:
December 31, 2025 and 2024, forfeited nonvested accounts totaled $8,851 and $2,270 for the 401(k) feature of the Plan, respectively, and is classified as cash in the financial statements. Upon the termination of a participant prior to their vesting in 100% of the account balance, the unvested portion of their account remains in suspense, subject to rehiring for a period of five years. These accounts can be used to reduce future Plan administrative expenses or employer matching contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:
The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates:
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition:
Investments are reported at fair value. Generally, quoted market prices are used to value investments for the nonparticipant directed profit sharing investments. The participant directed 401(k) investments are pooled separate accounts and are reported at fair value, which is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits:
Benefits are recorded when paid.

Date of Management's Review:
Subsequent events were evaluated through October 5, 2026, which is the date the financial statements were available to be issued.

NOTE 3 – OPERATING AND ADMINISTRATIVE EXPENSES

The operating expenses for the Plan are the management fees and contract fees for the investment holdings. Management fees for Measured Wealth were charged an annualized rate of 1.25% for the year ended December 31, 2025. The total fees paid to Measured Wealth amounted to $27,923 and $26,091 for the years ended December 31, 2025 and 2024. Contract fees and administrative expenses for the pooled separate accounts for the participant directed investments in the 401(k) portion of the plan amounted to $56,054 and $46,210 for the years ended December 31, 2025 and 2024. The Plan sponsor pays for 100% of the other administrative expenses of the Plan.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, level 2 inputs consist of pooled separate accounts, which is adjusted periodically based on the closing prices reported on the active market, and level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements:
The fair values of equity securities, corporate bonds, mutual funds, exchange traded funds, and U.S. Government securities are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements:
Each plan's share of a pooled separate account is determined on a participation-unit. The plan's equity account provides a cumulative record of the number of participation units credited to the account and the number of units allocated or withdrawn from the account. The balance of participation units credited to the account multiplied by the current participation-unit value equals the amount of equity account assets held on behalf of the policyholder at any given time. The participation-unit value is adjusted periodically, usually each business day, to reflect investment results under the separate account. Pooled separate accounts invest in a variety of securities and mutual funds valued at the closing prices reported on the active market on which the securities or mutual funds are traded.

NOTE 4 – FAIR VALUE MEASURMENTS (CONT.)

The guaranteed interest contract accounts are not actively traded and are valued at fair value, which is the amount Plan participants would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity. Because the methods in valuing the guaranteed interest contracts are observable and the fact that the contracts are not fully benefit responsive, the investments are deemed to be level 2 fair value measurements.

Level 3 Fair Value Measurements:
The Plan has no investments measured as level 3 investments.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2025 and 2024:

		Fair Value Measurements at the End of the Reporting Date Using:		
	Fair Value	Quoted Prices in Active Markets for Identical assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Total	$30,225,971	$10,484,299	$19,741,672	$ 0

NOTE 5 – INVESTMENTS

The Plan's investments are controlled by two different financial institutions.

The non-elective employer contributions are invested through Charles Schwab, with the investment managers for the Plan being Measured Wealth. These investments are for the profit sharing feature of the Plan and these investments are all nonparticipant directed investments.

Elective contributions are invested in various pooled separate accounts and guaranteed accounts maintained by John Hancock Life Insurance Company, USA, which is also the custodian of these investments. Participants, at their discretion, may allocate contributions and account balances between various investment options offered by the Plan. These investments are for the 401(k) feature of the Plan and these investments are all participant directed investments.

During 2025, the Plan's investments (including investments bought, sold, and held during the year appreciated in value by $4,958,229 as follows:

	Current	Cumulative
Non-participant-directed:		
Exchange Traded Funds	1,340,948	2,381,054
Fixed Income	(4,350)	0
Mutual Funds	12,277	7,130
Stocks	357,488	509,536
Other assets	19,021	0
Participant-directed:		
Separate pooled accounts	3,230,751	8,594,290
Guaranteed interest accounts	2,094	43
	$ 4,958,229	$11,492,053

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their account balances.

NOTE 7 - TAX STATUS

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. It is a volume submitter plan. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 8 – FORFEITURES

There were $8,610 and $2,825 of matching 401(k) contribution forfeiture reductions for the years ended December 31, 2025 and 2024. There were $20,499 and $16,689 in forfeitures for the profit sharing feature of the 401(k) Plan for the years ended December 31, 2025 and 2024.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

NOTE 10 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by John Hancock Life Insurance Co. John Hancock Life Insurance is one of the trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment contract fees amounted to $54,024 and $46,210 for the years ended December 31, 2025 and 2024. Other plan investments are currently managed by Measured Wealth, which is one of the custodians of the Plan and therefore, the fees paid to Measured Wealth qualify as party-in-interest transactions. The total fees paid to Measured Wealth amounted to $111,692 and $86,519 of which the plan sponsor absorbed $83,769 and $60,428 of these costs for the years ended December 31, 2025 and 2024.

NOTE 11 – CERTIFICATION OF INVESTMENTS

John Hancock Life Insurance Company, U.S.A. has certified the valuation of the pooled separate accounts balance and the guaranteed interest investment contracts at December 31, 2025 and 2024, and all of the transactions associated with these investments for the year ended December 31, 2025. The following are the balances, which were certified by the custodian that held the securities at December 31, 2025 and 2024:

	2025	2024
Pooled Separate Accounts	$23,737,380	$19,681,418
