Independent Auditors' Report

To the Plan Administrator
Kimberton Whole Foods 401(k) Plan
Kimberton, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Kimberton Whole Foods 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Kimberton Whole Foods 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section.

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kimberton Whole Foods 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kimberton Whole Foods 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kimberton Whole Foods 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kimberton Whole Foods 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - GENERAL DESCRIPTION OF THE PLAN

The following description of the Kimberton Whole Foods 401(k) Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which commenced January 1, 2006. Employees of Kimberton Whole Foods, Inc. (the "Company") who have completed one year of service are eligible to participate in the Plan on the first of the following month. The one year of service is met by completing 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute a portion of their gross compensation on a pre-tax basis to the Plan through salary deductions. Participants' elective deferrals are subject to the limitations of Internal Revenue Code Section 402(g). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company has elected to match 100% of the participants' contributions up to 3% of the participants' compensation plus 50% of the participants' contributions that exceed 3% up to 5% of the participants' compensation.

Participant Accounts

A separate investment account is maintained for each Plan participant. Participants may direct the investment of their accounts into various funds specified by the Plan. Participant accounts are credited with the participant's contribution, the Company's matching contribution, an allocation of Plan earnings (losses) and charged with an allocation of administrative expenses, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Loans

Participants may borrow from their fund accounts a minimum of $1,000 and a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at fixed rates equal to 1% above the "prime rate" published in the *Wall Street Journal*. Principal and interest are paid ratably through payroll deductions. The maximum loan term is five years unless the loan qualifies to purchase a principal residence. The amount of any loan not repaid is taxed as a distribution.

NOTE A - GENERAL DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are always 100% vested in their own contributions. In addition, participants are 100% vested in Matching Contributions and Profit-Sharing Contributions after completing 1,000 hours of vesting service.

Payment of Benefits

The Plan provides that under certain conditions participants may withdraw their vested interest or a portion thereof. A participant is entitled to receive the value of his or her account in a lump sum distribution in the event of retirement, termination, disability, death, or the attainment of age 59 1/2 as an active employee. Benefit payments to participants are recorded upon distribution.

Forfeitures

This plan qualifies as a safe-harbor plan, therefore, there are no forfeitures. Participants are fully protected from losing any accrued benefits, and all contributions remain secure and accessible as outlined in the plan's provisions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, distribution of participants' accounts shall be in accordance with the Plan document.

Plan Amendments

On December 29, 2022, the "Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act" was signed into law in the United States. The Secure 2.0 Act is an expansion of the Secure Act passed during 2019. The Act includes several mandatory and optional provisions that will become effective across several years. The Secure 2.0 Act aims to expand retirement access, increase retirement savings, and simplify plan administration. Plans may choose to operationally implement the provisions of the Secure 2.0 Act, however plan administrators have until December 31, 2026 to officially amend the plan document to reflect the provisions adopted by the plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies employed in the preparation of the accompanying financial statements are described below.

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

See the independent auditors' report.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Plan investments in mutual funds and a money market fund are stated at fair value. Quoted market prices (Level 1 inputs) are used to value mutual funds and the money market fund. Net appreciation or depreciation of investments is reported on the statement of changes in net assets available for benefits and consists of realized gains and losses and the unrealized appreciation or depreciation of these investments.

Purchases and sales of mutual funds and the money market fund are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Participant Loans Receivable

Participant loans receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses, excluding transaction fees, are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Party-in-Interest Transactions

Certain investments of the Plan may be managed by the custodian, and, therefore, the transactions involving these investments qualify as party-in-interest transactions. In addition, the Plan issues loans to participants, which are secured by the balances in the participants' accounts. These transactions are exempt from the prohibited transaction rules.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

See the independent auditors' report.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Date of Management's Review

Management has evaluated subsequent events through September 28, 2026, the date which the financial statements were available to be issued.

NOTE C - TAX STATUS OF THE PLAN

The Plan is designed based upon the Acensus LLC's non-standardized pre-approved profit sharing/money purchase/CODA plan documentation. The Internal Revenue Service has determined and informed Acensus LLC on June 30, 2020, that the plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter; however, the Plan administrator and the Plan's tax counsel believe that Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions by the Plan and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE D - RELIANCE ON TRUSTEE'S REPORT

The administrator of the Plan chose the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by Capital Bank and Trust Company, the trustee of the Plan, as of December 31, 2025 and 2024 and for the year ended December 31, 2025, other than comparing such information to that contained in the financial statements and supplemental schedule.

See the independent auditors' report.

NOTE D - RELIANCE ON TRUSTEE'S REPORT (Continued)

The information certified by the trustee, which was relied upon in the presentation of these financial statements and supplemental schedule includes:

	2025	2024
Investments, at fair value		
Money market fund	$ 36,702	$ 23,825
Mutual funds	5,674,524	4,482,917
Loans	79,981	57,186
Investment income		
Participant, loan interest	3,638	*
Interest income	26	*
Dividend income	334,917	*
Net appreciation in fair value of mutual funds	443,565	*

*2024 investment income was not presented in the financial statements.

NOTE E - FAIR VALUE MEASUREMENTS

Professional accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels.

Level 1 inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. *Level 2* inputs are other than quoted prices that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. *Level 3* inputs are unobservable inputs based on the Plan's assumptions used to measure assets and liabilities at fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

See the independent auditors' report.

NOTE E - FAIR VALUE MEASUREMENTS (Continued)

Assets of the Plan for which fair values are determined on a recurring basis are summarized as follows:

	Assets at Fair Value	
	Level 1	Level 1
	2025	2024
Money market fund	$ 36,702	$ 23,825
Mutual funds	5,674,524	4,482,917
	$ 5,711,226	$ 4,506,742

Mutual funds and the money market fund have quoted prices for identical assets in active markets; therefore, the investments are measured at fair value using these readily available Level 1 inputs. There were no Level 2 or Level 3 assets at December 31, 2025 and 2024.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE F - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	2025	2024
NET ASSETS AVAILABLE FOR BENEFITS PER FINANCIAL STATEMENTS	$ 5,791,193	$ 4,563,914
Benefit claims payable	14	14
NET ASSETS AVAILABLE FOR BENEFIT PER FORM 5500	$ 5,791,207	$ 4,563,928

See the independent auditors' report.

NOTE G - RISKS AND UNCERTAINTIES

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investments securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H - SUBSEQUENT EVENT

Effective January 1, 2026, the Plan was amended to permit designated Roth contributions. Under the amendment, eligible participants may elect to make after-tax Roth deferrals to the Plan, which are maintained in separate Roth contribution accounts.

See the independent auditors' report.
