Part I Asset and Liability Statement

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Independent Auditor's Report

Plan Administrator and Board of Trustees
C.C. Clark, Inc.
Health and Welfare Benefit Plan
Bowling Green, Kentucky

Opinion

We have audited the financial statements of the C.C. Clark, Inc. Health and Welfare Benefit Plan (Plan), an employee benefit Plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits and of Plan benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and Plan benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and Plan benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1. Description of the C.C. Clark, Inc. Health and Welfare Benefit Plan

General

The following description of the C.C. Clark, Inc. Health and Welfare Benefit Plan (Plan) provides only general information. Participants should refer to the Plan document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan administrator.

The Plan provides health and certain other welfare benefits covering substantially all employees and covered dependents, as applicable, of the following companies (collectively, Company):

- Clark Distributing Company, Inc.
- Clark Beverage Group, Inc. (Kentucky).
- Clark Beverage Group, Inc. (Mississippi).
- Clark Beverage Group Holdings, Inc. (f/k/a C.C. Clark, Inc.)

The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended. The Plan's trustees are William Dallas Clark III, Robert Clark, and George Clark.

Benefits

The Plan provides health benefits (medical and prescription drugs) to full-time participants with at least 30 days of service and to their beneficiaries and covered dependents. The Plan also provides continuation of certain benefits upon termination of employment through the *Consolidated Omnibus Budget Reconciliation Act* (COBRA) and certain other postemployment benefits. Benefits are paid on behalf of eligible participants after they have satisfactorily complied with the claim's procedures specified in the Plan.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for individual participant claims over a specific dollar amount.

Self-Insured Benefits

All Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only arrangements. The Plan pays claims processed by third-party claims processors directly to providers on behalf of participants. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers is retained by the Plan.

Contributions

In addition to deductibles and copayments, participants contribute specified amounts, based on applicable premiums for their respective benefit elections. The Company makes contributions to the Plan, as needed, to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, incurred but not reported, claims payable, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Payment of Benefits

Claim payments are recorded when paid by the third-party claims processors. The third-party claims processors process claims of participants, dependents, and beneficiaries, but the responsibility for payments to providers is retained by the Plan. These payments are recorded as claims paid in the accompanying statements of changes in net assets available for benefits.

Stop Loss

Premiums for stop-loss insurance are included in administrative expenses in the accompanying statements of changes in net assets available for benefits. The insurance limited the Plan's exposure per individual for the Plan years ended December 31, 2025 and 2024, to $500,000. No claims exceeded the stop-loss limits during the years ended December 31, 2025 and 2024.

Refunds

Refunds received by the Plan are recorded when earned and are netted with benefits paid in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024. Refunds due as of the financial statement date are recorded as a receivable, if applicable.

Other Plan Benefits

Plan obligations for health and other claims incurred but not reported, are estimated based upon historic claims experience and actual claims reported subsequent to the Plan year-end. Additional accruals are included for the estimated ultimate cost of future claims, only if such claims are covered as of the Plan's fiscal year-end and the Plan is obligated to pay for the care, regardless of continued participation in the Plan.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value and consist solely of an interest-bearing cash account. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3. Disclosures About Fair Value of Plan Assets and Liabilities

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities.

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Recurring Measurements

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2025 and 2024:

		Fair Value Measurements Using		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2025				
Interest-bearing cash	$ -	$ -	$ -	$ -
December 31, 2024				
Interest-bearing cash	$ 758,041	$ 758,041	$ -	$ -

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets, pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2025 or 2024. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections, and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. The Plan has no investments valued within level 2 or 3 of the hierarchy.

Note 4. Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

Fees in the amount of $678,095 and $652,699 for the years ended December 31, 2025 and 2024, respectively, were paid by the Plan to MaxorPlus, LTD., TrueScripts Management Services, and UnitedHealthcare, the Plan's third-party administrators, for certain administrative services and stop-loss premiums. Fees paid for professional and other services totaled $89,094 and $125,224 for the years ended December 31, 2025 and 2024, respectively. The Company provides certain administrative services at no cost to the Plan.

Note 5. Reconciliation of Financial Statements to Form 5500

Amounts currently payable to or for participants, dependents, and beneficiaries are recorded on the Form 5500 for estimated benefit claims that have been processed and approved for payment prior to December 31, but not yet paid as of that date.

Note 6. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time, and to terminate the Plan, subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 7. Tax Status

The trust established under the Plan to hold the Plan's assets is intended to qualify, pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC) and, accordingly, the trust's net investment income is exempt from income taxes. The trust has obtained a favorable tax determination letter from the IRS and the Plan sponsor believes the trust continues to qualify and to operate in accordance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Plan Amendment

Effective January 1, 2023, the Plan was amended to change the eligibility requirements from 60 days of service to 30 days of service.

Note 9. Trust Dissolution and Transfer of Net Assets

Effective December 31, 2025, the Plan's trust was dissolved, and all remaining trust assets were transferred to and are maintained by the Plan Sponsor, Clark Beverage Group Holdings, Inc. The dissolution of the trust did not result in the termination of the Plan, and participants' eligibility, benefit provisions, and rights under the Plan remained unchanged.

Following the dissolution of the trust, the Company assumed responsibility for funding and paying all Plan benefits and administrative expenses. Assets previously held in trust and any related liabilities were transferred to the Company effective December 31, 2025. The Plan continues to operate as a self-funded employee welfare benefit plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits are funded through participant contributions and Company contributions, as necessary, to satisfy Plan obligations.

Note 10. Subsequent Events

Subsequent events have been evaluated through September 10, 2026, which is the date the financial statements were available to be issued.
