INDEPENDENT AUDITOR'S REPORT

October 9, 2026

To the Pension Committee of
CCP 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed the audits of the accompanying financial statements of CCP 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of CCP 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Trust Company and Empower Life & Annuity Insurance Company of New York as of and for the years ended December 31, 2025 and 2024, and Principal Trust Company as of December 31, 2024 and for the period from January 1, 2024 to May 12, 2025 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

INDEPENDENT AUDITOR'S REPORT
(Continued)

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CCP 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CCP 401(k) Retirement Savings Plan 's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CCP 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CCP 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA
The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule, that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule, related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The CCP 401(k) Retirement Savings Plan (Plan) was formed effective January 2, 1985. The Plan is sponsored by Community Care Physicians, PLLC (CCP PLLC). The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible full-time and part-time employees of CCP PLLC and a participating employer affiliated through common management, CCP TASS, Inc. (collectively referred to as the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan assets are held by the trustee. Company contributions, participant elective deferrals, and participant accounts are held and administered by the trustee, who invests cash received and income from investments based on written instructions from the Company and participants and makes distributions to participants. The Company's Pension Committee and investment advisor are responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

At December 31, 2024, the custodian and trustee of substantially all of the Plan's assets was Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York, with the remaining assets held by Principal Trust Company. During 2025, the remaining assets held by Principal Trust Company were transferred to Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York. As of December 31, 2025, all of the Plan's assets were held by Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York.

Plan Eligibility

Employees are eligible to participate in the Plan with respect to employee contributions after attainment of age 21 years old with no service requirement. With respect to employer contributions, employees expected to work at least 30 hours per week are required to complete one month of service. Employees expected to work less than 30 hours per week are required to complete 12 months of service in which they were credited with 1,000 hours of service during the eligibility computation period. The "initial eligibility computation period" is defined as the twelve-month period that begins with the date the employee is hired. If the employee does not meet the service requirements during the first year following the date of hire, the eligibility period changes to the Plan year. The requirements could then be met during the Plan year.

Contributions and Contributions Receivable

Employees can elect to defer up to 100% of their eligible compensation, subject to certain limitations. Once eligibility requirements are met (unless the employee elects otherwise), 6% of a participant's eligible compensation will be automatically deferred into the Plan for the benefit of the participant. The automatic enrollment provision of the Plan included annual escalations of 1%, until reaching a maximum of 10% of eligible compensation. Effective January 1, 2025, the Plan increased the maximum automatic enrollment deferral to 15% of eligible compensation. Contributions are automatically invested in a default alternative fund until changed by the participant. Participants may also make Roth contributions into the Plan.

1. DESCRIPTION OF PLAN (Continued)

Contributions and Contributions Receivable (Continued)

Participants who have attained age of 50 before the end of the Plan year are eligible to make "catch-up" contributions. Effective January 1, 2025, eligible participants between the ages of 60 and 63 before the end of the Plan year, are eligible to make higher catch-up contributions, subject to certain limitations. Rollover contributions from other plans and certain IRA's are permitted.

Subsequent to the satisfaction of Plan eligibility, active employees share in employer discretionary profit-sharing contributions and employer discretionary non-elective ADP test safe harbor contributions, regardless of hours worked during the year. Terminated employees are eligible for employer discretionary profit-sharing contributions during the year of termination when credited with at least 500 hours of service during the year.

Profit-sharing contributions from the Company are based on a class allocation formula, with each physician in a separate class, as well as a class for each of the following groups: (1) senior management, (2) advanced practitioners, and (3) all other employees. Contributions allocated to each class are discretionary and determined annually by the Board of Directors. For the years ended December 31, 2025 and 2024, the Company's profit sharing contribution amounted to approximately $6,928,000 and $7,006,000, respectively, net of forfeitures applied.

The Company makes a 3%, nonelective ADP test safe harbor contribution to the Plan based on eligible employee compensation during the period. Non nonelective ADP test safe harbor contributions amounted to approximately $4,595,000 and $4,587,000 for the years ended December 31, 2025 and 2024, respectively.

Participants direct their elective deferral amounts and Company contributions, if any, to any of several investment options, which are held and administered by the trustees of the Plan.

Investments

The Plan currently offers mutual funds, collective trust funds, self-directed brokerage accounts, and a stable value fund. As of December 31, 2024, a portion of investments were held in a pooled separate account administered by the prior recordkeeper, but participants were no longer able to direct contributions to that fund. As of December 31, 2025, all investments held in pooled separate accounts were administered by the current recordkeeper. Participants may change their investment options daily.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000, or 50% of their vested account balance. In addition, the 50% limit is reduced by the highest outstanding loan balance of any previous loans made in the previous twelve months. In general, loans must be repaid within five years; however, if the loan is used to purchase a principal residence, the term may be longer. Notes receivable from participants are secured by the balance in the participants' accounts and bear interest at the prime rate plus 1% (7.75% at December 31, 2025). Principal and interest are paid ratably through regular payroll deductions, which cannot be less frequent than quarterly.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and (a) the participant's share of the Company's contributions, (b) plan earnings (losses), and (c) charged with an allocation of any administrative expenses paid by the Plan. Administrative expenses charged to participants, if any, are allocated in a manner deemed reasonable by the Plan administrator and that complies with applicable law. Allocations are based on participant earnings/losses or account balances, as defined by the Plan. The entitled benefit is the participant's account balance subject to vesting.

Vesting

Participants are immediately vested in their elective deferral amounts, rollover contributions, and the Company's non-elective ADP test safe harbor contribution, plus actual earnings or losses thereon. Vesting in the Company's profit-sharing contribution is based on years of continuous service. A participant is 100% vested upon: (1) attaining six years of credited service in accordance with the schedule below; (2) disability; (3) death; (4) normal retirement at age 59½; or (5) termination of the Plan. If a participant's employment with the Company is terminated before age 59½ for any reason other than disability or death, the participant shall be entitled to an amount equal to the vested percentage of his or her account balance.

A participant shall have a vested and nonforfeitable interest in his or her account balance determined by the number of years of service as follows:

Years of Service	Vesting %
Less than 2	0
2 but less than 3	20
3 but less than 4	40
4 but less than 5	60
5 but less than 6	80
6 or more	100

Payment of Benefits

On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in their account as a lump sum distribution or defer distribution until a later date. However, if the vested portion of a participant's account balance is $1,001 or less, this amount will be paid as a lump sum distribution as soon as possible following termination, retirement, disability, or to the beneficiary following death.

While employed, a participant may also withdraw his or her vested account balance on account of financial hardship, as defined in the Plan document. All hardship withdrawals must comply with the rules relating to hardships which are uniformly applicable to all participants and be used to pay qualifying expenses of certain immediate and heavy financial need.

Forfeitures

Forfeitures may be first used to pay administrative expenses under the Plan. Forfeitures not used to pay administrative expenses are used to reduce the employer's discretionary profit-sharing contributions and are allocated to participant accounts in the same manner. As of December 31, 2025 and 2024, the balance of forfeited accounts available was approximately $186,200 and $213,700, respectively, which were used to reduce the employer's discretionary profit-sharing contributions.

1. DESCRIPTION OF PLAN (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. The Company paid legal, audit, and administrative costs on behalf of the Plan amounting to approximately $54,000 and $0 in 2025 and 2024, respectively. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants and distributions are included in administrative expenses and charged directly to the participant's account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) for defined contribution plans.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Estimates also affect the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Allowance for Credit Losses

The Plan records a receivable for the employer contribution that is remitted to the Plan subsequent to the Plan’s year-end. The Plan considers an expected allowance for credit losses that is updated to reflect any changes in credit risk since the receivable was initially recorded. The estimated allowance for credit losses is based on historical, current, and expected future conditions. The Plan has not experienced any historical credit losses relative to contributions receivable and future economic conditions are not expected to change relative to historical financial information, therefore management has determined that no allowance for credit losses is necessary as of December 31, 2025 and 2024.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions
Contributions from participants are recorded in the year in which the related participant contributions are withheld from compensation.

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Risks and Uncertainties
The Plan provides for various investment options in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate risk, financial market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of assets available for benefits.

Financial Instruments Measured at Fair Value
Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement).

The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2: Inputs to the valuation methodology include:

    - quoted prices for similar assets or liabilities in active markets;
    - quoted prices for identical or similar assets or liabilities in inactive markets;
    - inputs other than quoted prices that are observable for the asset or liability;
    - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

    If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Instruments Measured at Fair Value (Continued)
Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the net asset value of shares held by the Plan at year end based on quoted market prices in an active market.

Collective trust fund and pooled separate accounts: Value based on the fair value using the net asset value (NAV) practical expedient as determined by the issuer based on current fair values of the underlying assets of the fund.

Self-Directed Brokerage Accounts: Accounts consist of mutual funds, exchange-traded funds, and corporate stock that are valued on the basis of readily determinable market prices.

Stable Value Fund - value based on the fair value using the NAV practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. FAIR VALUE MEASUREMENTS

At December 31, 2025, the Plan's investments are measured at fair value on a recurring basis and are valued within the fair value hierarchy as follows:

	Fair Value Measurements at the End of the Reporting Period Using:			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Total
Mutual funds	$ 126,770,394	$ -	$ -	$ 126,770,394
Common stock	12,814,194	-	-	12,814,194
Money market	571,043	-	-	571,043
	$ 140,155,631	$ -	$ -	140,155,631
Collective trust funds measured at NAV as a practical expedient				237,944,067
Stable value fund measured at NAV as a practical expedient				4,236,438
Total investments at fair value				$ 382,336,136

3. FAIR VALUE MEASUREMENTS (Continued)

At December 31, 2024, the Plan's investments are measured at fair value on a recurring basis and are valued within the fair value hierarchy as follows:

	Fair Value Measurements at the End of the Reporting Period Using:			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Total
Mutual funds	$ 123,610,592	$ -	$ -	$ 123,610,592
Common stock	7,327,102	-	-	7,327,102
Money market	397,676	-	-	397,676
	$ 131,335,370	$ -	$ -	131,335,370
Collective trust funds measured at NAV as a practical expedient				205,888,817
Stable value fund measured at NAV as a practical expedient				759,532
Pooled separate accounts measured at NAV as a practical expedient				1,659,905
Total investments at fair value				$ 339,643,624

In accordance with ASC 820, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and 2024, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

Investments Measured using the Net Asset Value per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2025	Fair Value	Unfunded Commitments	Frequency (If Eligible)	Notice Period
Stable value fund	$ 4,236,438	N/A	Daily	30-60 Days
Collective trust funds	$ 237,944,067	N/A	Daily	Daily

3. FAIR VALUE MEASUREMENTS (Continued)

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (If Eligible)	Redemption Notice Period
Pooled separate accounts	$ 1,659,905	N/A	Daily	Daily
Stable value fund	$ 759,532	N/A	Daily	30-60 Days
Collective trust funds	$ 205,888,817	N/A	Daily	Daily

Pooled Separate Accounts
Principal U.S. Property account is a pooled separate account which invests the majority of assets in owned private equity commercial real estate. It focuses on properties anticipated to return both lease income and appreciation of the buildings' marketable value. The property holdings usually contain real estate from the multi-family, office, warehouse/manufacturing, and retail sectors. This Separate Account is subject to investment and liquidity risk and other risks inherent in real estate such as those associated with general and local economic conditions. This asset was liquidated in 2025.

Stable Value Fund
New York Life Guaranteed Interest Account (“GIA”) is a stable value fund managed by New York Life Trust Company (“NYLTC”). The GIA is a group annuity contract which consists of a broadly diversified fixed income portfolio within New York Life Insurance Company’s (“NYLIC”) general account and is intended to provide a stable crediting rate consistent with preservation of principal. Interest is accrued daily and credited monthly to the GIA and reflects the crediting rate declared in advance and guaranteed by NYLIC.

The key factors that impact the crediting rate under the group annuity contract are the timing and magnitude of the cash flows in and out of the general account as well as prevailing market rates on fixed income assets available for investment by the general account. The interest crediting rate may not be reset more frequently than semi-annually after the first contract year. The crediting rate is subject to a minimum rate provision as provided in the group annuity contract but may never fall below 1% after deduction for any expenses. Participant-initiated transactions are permitted on a daily basis.

The group annuity contract provides that, subject to certain limitations, withdrawals for benefit payments at death, retirement, disability, termination of employment, and for loans, hardship withdrawals or in-service withdrawals as permitted by the Plan are completed at contract value. Certain distributions, including but not limited to distributions resulting from employer-initiated events such as Plan termination, merger, spin-off, and early retirement incentives may be completed subject to a market value adjustment, however the Plan administrator deems these employer initiated events as not probable to occur.

The group annuity contract may be terminated by the contract holder at any time, provided written notice of terminations is received by NYLTC at least 30 days but not more than 60 days prior to the intended termination date.

4. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Empower Trust Company and Empower Life & Annuity Insurance Company of New York as of and for the years ended December 31, 2025 and 2024, and Principal Trust Company as of December 31, 2024 and for the period from January 1, 2024 to May 12, 2025:

	2025	2024
Investments, at fair value	$ 382,336,136	$ 339,643,624
Notes receivable from participants	$ 2,367,518	$ 2,509,675
Net appreciation in fair value of investments	$ 48,851,907	$ 39,096,743
Interest and dividends	$ 7,023,504	$ 3,513,695
Interest income from notes receivable from participants	$ 192,504	$ 183,884
Schedule of Assets (Held At End of Year)	Schedule I	

5. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Principal Trust Company, Empower Retirement, LLC and Empower Life & Annuity Insurance Company of New York, who provides certain recordkeeping services for the Plan. Therefore, transactions amongst these accounts qualify as party-in-interest transactions, which are exempt from prohibited transactions rules.

The Plan also allows current employees who are participants to receive notes receivable under specific circumstances. As such, transactions between the participants that have notes receivable to the Plan qualify as party-in-interest transactions

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan terminates, participants will become 100% vested in their accounts.

7. TAX STATUS

The Plan is tax-exempt under Section 401(a) of the Internal Revenue Code. A prototype document was used by the Plan to obtain its latest opinion letter on November 14, 2022, in which the Internal Revenue Service stated that the prototype plan and related trust, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended subsequent to receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. PLAN TRANSFERS

Transfers from affiliated plans represent fund transfers made between the Plan and the Practice Support Services, LLC 401(k) Profit Sharing Plan due to an employment transfer. For the years ended December 31, 2025 and 2024, transfers from the Practice Support Services, LLC 401(k) Profit Sharing Plan totaled $4,941 and $709,862, respectively.

All participant elections effective immediately prior to the transfer under Practice Support Services, LLC 401(k) Profit Sharing Plan continued to apply in the Plan until changed by the participant. Also, as a transfer (which differs from a rollover), all accounts under Practice Support Services, LLC 401(k) Profit Sharing carried over into the Plan retained their same character and treatment.

9. RECONCILIATION TO FORM 5500

While net assets available for benefits and changes in net assets available for benefits agree between the financial statements and Form 5500 in total as of and for the years ended December 31, 2025 and 2024, certain classifications differ between the financial statements and Form 5500.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 9, 2026, which is the date the financial statements were available to be issued.
