INDEPENDENT AUDITORS' REPORT

To the Board of Directors
403(b) Thrift Plan of
Neighborhood Legal Services of Los Angeles County

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan of Neighborhood Legal Services of Los Angeles County, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of 403(b) Thrift Plan of Neighborhood Legal Services of Los Angeles County financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Neighborhood Legal Services of Los Angeles County and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Neighborhood Legal Services of Los Angeles County's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Neighborhood Legal Services of Los Angeles County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Neighborhood Legal Services of Los Angeles County's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following brief description of 403(b) Thrift Plan of Neighborhood Legal Services of Los Angeles County ("the Plan") is provided for general information purposes only. Participants should refer to the Plan's agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of Neighborhood Legal Services of Los Angeles County ("NLSLA") except for nonresident aliens with no U.S. source of income, those considered to be leased employees and employees who normally work less than 17 ½ hours a week. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and Section 403(b) of the Internal Revenue Code ('IRC').

The Board of Directors is responsible for oversight of the Plan. The appropriateness of the Plan's investment options, and the investment performance are monitored by the Board with the assistance of the Plan's third-party administrator.

Contributions

Each year, NLSLA will contribute to the Plan 3%, 6% or 9% of the employees' annual compensation depending on their years of service. To be eligible, employees must have completed six months of service regardless of whether or not they are making voluntary employee contributions.

Each year the participants may contribute any percentage of their annual compensation, as defined in the Plan, up to the maximum permitted by the IRC. In addition, participants qualifying for age-based provisions may contribute additional catch-up deferrals. Participants may also contribute amounts representing distributions from other eligible retirement plans.

Participants may make either or both of the following types of contributions to the Plan:

- Before tax contributions - deducted from salary before federal income tax is imposed
- Designated Roth contributions - deducted from salary after federal income tax is imposed

Effective July 1, 2023, NLSLA implemented an automatic contribution feature for the Plan. Unless otherwise elected by the Participant using a form provided by NLSLA, all new and current participants are considered to have directed NLSLA to make Salary Reduction Contributions on their behalf. This directive becomes effective as of the first pay period beginning on or after the latest of (i) July 1, 2023, which is the effective date of this provision, (ii) the Participant's Entry Date into the Plan, or (iii) the date the Participant satisfies the eligibility requirements.

Under this automatic enrollment provision, each Participant will have contributions made on their behalf equal to 3% of their Compensation for each Plan Year in which Automatic Enrollment Contributions are initiated.

continued

1. Description of Plan, continued

Participant Accounts

Each participant's account is credited with the participant's voluntary contribution, the participant's rollover contribution transferred into the Plan, an allocation of NLSLA's contribution and the Plan's earnings. Allocations are based on account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are fully vested in their contributions and in the employer base contribution plus actual earnings.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in any of the investment options offered by Mutual of America Life Insurance Company ("the Custodian"). Participants may change their investment options at any time.

Payment of Benefit

Upon termination of service, a participant may elect to receive payments as: 1) lump sum distribution, 2) income under an annuity, 3) transfer to an individual retirement arrangement, or 4) purchase of a guaranteed lifetime annuity.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Presentation

The financial statements of the Plan are reported on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are stated at fair value, except for the Plan's investment in the general account (Interest Accumulation Account), which is reported at contract value as described in Note 6. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains on investments bought and sold as well as held during the year.

continued

2. Summary of Significant Accounting Policies, continued

Payment of Benefits

Benefits are recorded when paid.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets
Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets
Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure certain investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relates to the element.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of and for the period presented. Actual results could differ from those estimates.

Administrative Expenses

Employees of NLSLA perform certain administrative functions. Neither NLSLA nor its employees receive compensation from the Plan. Annual audit fees are paid by NLSLA.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risk. It is reasonably possible, given the level of risk associated with certain investment securities that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

The Plan's exposure to a concentration of credit risk is limited by diversification of investments across various assets classes and the utilization of investment managers.

Subsequent Events

Management has evaluated subsequent events through September 29, 2026, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

continued

3. Notes Receivable from Participants

Participants may borrow up to 50% from their vested account balance, except the portion attributable to their Designated Roth Contributions, to a maximum loan of $50,000. The minimum loan is $1,000. The maximum loan term is five years, although it may be longer for the purchase of a primary residence. These policy loans are secured by the balance in the participant's general account representing an amount equal to 120% of the loan balance and bear interest at a rate that is 3% higher than the general account interest rate applied to amounts held in the general account as collateral security. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are repaid semi-monthly at an interest rate of 5.85% with various maturities. Notes receivable from participants at December 31, 2025 and 2024, were $505,975 and $431,323, respectively.

4. Information Prepared and Certified by the Custodian

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan's investments and investment income have been prepared and certified by the trustee/custodian of the Plan. Accordingly, these amounts were excluded from the scope of the audit, and our opinion on the financial statements does not extend to the investment information that is certified.

The following summarizes the information certified by, Mutual of America Life Insurance Company, the custodian of the Plan as of December 31, 2025 and 2024, respectively:

	2025	2024
Pooled separate accounts	**$26,919,156**	$22,245,581
General account	**3,279,557**	3,052,460
	$30,198,713	$25,298,041

During the years ended December 31, 2025 and 2024, the Plan's investments (including investments bought, sold, and held during the year) appreciated in value by $3,326,513 and $3,133,286, respectively.

5. Fair Value Measurements

The table below sets forth, by level within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2025 and 2024:

	Level 1	**Level 2**	**Level 3**	**Total**
December 31, 2025				
Pooled separate accounts	$26,919,156	$ -	$ -	**$26,919,156**
December 31, 2024				
Pooled separate accounts	$22,245,581	$ -	$ -	$22,245,581

5. Fair Value Measurements, continued

The fair value of pooled separate accounts has been measured on a recurring basis using observable inputs other than quoted prices in active markets for identical assets (Level 1 inputs).

The Plan's investment in the fully benefit-responsive investment contract described in Note 6 is measured at contract value and, therefore, is not included in the fair value hierarchy presented below.

6. General Account Investments

The following table summarizes general account investments as of December 31, 2025 and 2024:

	2025	2024
General account	**$3,279,557**	$3,052,460

The general account (Interest Accumulation Account) is comparable to a cash equivalent and therefore exempt from classification as a Level 1, 2, or 3 asset under ASU 820-10 for the following reasons: 1) there are no front- or back-end charges, so investments in the general account are completely liquid; 2) the interest rate credited to investments in the general account is a current rate determined by Mutual of America Life Insurance Company and is not dependent upon the length of time the assets are invested; 3) requests for withdrawal can be made at any time and are processed on the day they are received and are not dependent on the company having to liquidate securities in order to generate a payment; and 4) the value shown on the pension fund report is the redeemable value of the fund; there are no deferred sales charges, load assessments, or interest rate adjustments that would affect the value as a result of a withdrawal request.

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of total additions and net increase in net assets available for benefits per the financial statements to the amounts reflected in the Form 5500 for the year ended December 31, 2025:

Total additions per Form 5500	$5,794,020
Add: accrual-basis employer contribution receivable at end of year	42,176
Add: accrual-basis employee contribution receivable at end of year	48,636
Less: cash-basis employer contribution received at beginning of year	(35,346)
Less: cash-basis employee contribution received at beginning of year	(42,689)
Total additions per financial statements	$5,806,797

Net increase in net assets available for benefits per Form 5500	$4,975,324
Add: accrual-basis employer contribution receivable at end of year	42,176
Add: accrual-basis employee contribution receivable at end of year	48,636
Less: cash-basis employer contribution received at beginning of year	(35,346)
Less: cash-basis employee contribution received at beginning of year	(42,689)
Net increase in net assets available for benefits per financial statements	$4,988,101

continued

8. Related Party and Party-in-Interest Transactions

ERISA defines parties-in-interest more broadly than generally accepted accounting principles' related parties, encompassing all service providers to the Plan. Management identified no related parties that were not also parties-in-interest, and no material related party transactions occurred during the Plan year regarding compensation arrangements, expense allowances, or similar items.

Parties-in-interest transactions include those with Plan fiduciaries or employees, service providers, employers with covered employees, employee organizations with covered members, and persons owning 50% or more of such employers or employee associations, along with their relatives. Trustee transactions, including revenue sharing and fee offset agreements, as well as the Plan's payment of certain plan fees and expenses, qualify as parties-in-interest transactions. Administrative fees paid by the Plan to the trustee were $3,423.

The Plan's investment options include funds managed by the custodian or its affiliates. As custodian and recordkeeper, Mutual of America Life Insurance Company's transactions qualify as exempt parties-in-interest transactions.

9. Plan Termination

Although it has not expressed any intent to do so, NLSLA has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

10. Tax Status

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service ("IRS") in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

11. Other Income

Other income consists primarily of adjustments related to participant loan balances, loan fees, and other miscellaneous amounts identified during the reconciliation of Plan activity.
