INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Rodeo Dental and Orthodontics 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Rodeo Dental and Orthodontics 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Rodeo Dental and Orthodontics 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2025, and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Rodeo Dental and Orthodontics 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Rodeo Dental and Orthodontics 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Rodeo Dental and Orthodontics 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Rodeo Dental and Orthodontics 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented

and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) for plan year ended December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Rodeo Dental and Orthodontics 401(k) Plan (the "Plan") provides only general information. Plan participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General
The Plan was organized effective October 1, 2020, as a defined contribution retirement savings plan covering all eligible employees of ROX Access Network, the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Accounts
Each participant's account is credited with the participant's contributions and the Plan Sponsor's contributions, and Plan earnings. Participant accounts may also be charged with an allocation of certain administrative expenses of the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions
Each year, participants may contribute to the Plan on a pretax basis up to the maximum percentage allowable, subject to certain Internal Revenue Code ("IRC") limitations. The participating employer may contribute a discretionary percentage of the amount deferred by the employees. The employer may also contribute a discretionary amount determined each year by the participating employer. As of December 31, 2025, the Plan's contributions receivable totaled $0. Contributions are accumulated and invested, as directed by the participants, and held in trust by the trustee.

Profit-sharing contributions may be made at the option of the Plan Sponsor's board of directors at the end of each Plan year and allocated to participants' accounts based on criteria established in the Plan document.

Participants direct the investment of their contributions, as well as those made by the Plan Sponsor, into various investment options offered by the Plan.

Vesting
Participants are vested immediately in their contributions and actual earnings thereon. Vesting in the Plan Sponsor's discretionary profit-sharing contribution portion of their account is based on years of service. A participant is 20% vested after two years of credited service, 40% vested after three years of service, 60% vested after four years of service, 80% vested after five years of service, and 100% vested after six years of service. Non-vested balances of employees who terminate are forfeited and may be used to reduce future employer matching contributions or Plan expenses at the end of the Plan year.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

A participant is vested according to the following table:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures
Forfeitures from non-vested accounts may be used to reduce matching or non-elective employer contributions or Plan expenses. For the year ended December 31, 2025, no forfeited accounts were used to reduce employer contributions or pay plan expenses. As of December 31, 2025, forfeited non-vested accounts totaled $0.

Investments
Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers pooled separate accounts in various mutual funds and one stable value fund from registered investment companies as investment options for plan participants.

Hardship Withdrawals
Participants may withdraw from the Plan part or all of the participant's contributions in the event of undue financial hardship. The maximum hardship withdrawal is the total of a participant's 100% vested balance. The Trustees shall determine what portion of such account balance is necessary to alleviate the hardship. A financial hardship must be one of the reasons specified below:

1. Medical expense incurred by the participant, the participant's spouse, or any dependents of the participant;

2. The purchase (excluding mortgage payments) of a principal residence of a participant;
3. Certain educational expenses for the participant, his or her spouse, or dependents of the participant;

4. The need to prevent the eviction of the participant from his or her principal residence or foreclosure on the mortgage of his or her principal residence;

5. Payments for funeral or burial expenses for the participant's deceased parent, spouse, child or dependent;

6. Expenses for casualty loss to participant's principal residence;

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

7. Expenses and losses (including loss of income) incurred by the employee on account of a disaster declared by the Federal Emergency Management Agency (FEMA);

8. Other events as may be prescribed by the Internal Revenue Service Commissioner in revenue rulings, notices, and other documents of general applicability.

Payment of Benefits
On termination of service due to death, disability, retirement, or other reasons, a participant may, upon advance notice, direct the plan fiduciary to withdraw any contract account to pay plan benefits as allowed for or required under the Plan. Withdrawals are paid as directed by the participant, as applicable, in a single sum or mutually agreeable option within 30 days of receipt of Advance Notice.

Notes Receivable from Participants
Subject to limitations, a participant may borrow from the vested portion of his or her elective account. The minimum amount of any loan is $1,000 and the maximum amount is the lesser of 50% of a participant's vested amount or $50,000. A participant may only have one loan outstanding at any given time and a loan may be refinanced. The loan is secured by the participant’s vested interest in his or her account. The interest rate on a loan will bear a reasonable fixed rate of interest to be determined by the loan administrator. Principal and interest are paid ratably through payroll deductions. All loans are required to be repaid within 5 years, except loans to acquire the participant’s principal residence which may not exceed 360 months.

Income Tax
Accounting principles generally accepted in the United States require management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements.

The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in process. The Plan is subject to income tax examinations for the prior three plan years.

Plan Expenses
Administrative expenses for maintaining the Plan may be paid by the Plan Sponsor or the Plan, at the Plan Sponsor’s discretion. Loan administration fees are charged directly to the participant’s account and are included in administrative expenses.

Basis of Accounting
The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates
The preparation of the Plan's financial statement in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits at the date of the financial statements and the changes in net assets available for plan benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
Participants have the right to direct employer and employee contributions to any of the investment options offered by the Plan. The investment options are with registered investment companies and include a stable value fund and various stock and bond funds. The fund values are computed daily by the custodians and reflect changes in the unit values of the investments. Participant loans are valued at their outstanding balances, which approximate fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on an accrual basis and dividends are recorded on the ex-dividend date.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Notes receivable from participants are deemed to be in default if a scheduled installment payment has not been received within 90 days of the date it was due. Defaulted participant loans are reclassified as distributions based upon the terms of the plan document. On a periodic basis, the Plan sponsor evaluates notes receivable from participants and, if necessary, establishes an allowance for doubtful accounts. As of December 31, 2025, the Plan sponsor estimates the allowance for credit losses to be $0.

Payment of Benefits
Benefit payments to participants are recorded when paid.

NOTE 3 - INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, Principal Trust Company, the trustee of the Plan, has certified the completeness and accuracy of all investments reported in the accompanying Statement of Net Assets Available for Benefits as of December 31, 2025, and 2024, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the period from January 1, 2025 to December 31, 2025.

	2025	2024
Statements of Net Assets Available for Benefits:		
Investments, at fair value	$7,252,758	$4,898,365
Statement of Changes in Net Assets Available:		
Net appreciation (depreciation) in fair value investments	1,084,364	452,268

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan has categorized its assets and liabilities that are measured at fair value into a three-level fair value hierarchy. The hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any

input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1
Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2
Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3
Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation

techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025.

Mutual funds: Valued at market value of shares held by the Plan at year end.

Common collective trust: Collective trust funds: Valued at net asset value by the Plan at year end. As permitted by ASC 820-10-35-54A, investments measured at net asset value as a practical expedient are not classified within the fair value hierarchy (Level 1, Level 2, or Level 3). The fair value amounts presented in the table below are intended to permit reconciliation to the amounts presented in the statements of net assets available for benefits.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Following is a summary, by major nature and risks class within each level of the fair value hierarchy, of the Plan's investment assets that are measured at fair value on a recurring basis as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,987,717	$ -	$ -	$ 1,987,717
Total assets at fair value	1,987,717	-	-	1,987,717
Pooled separate accounts				10,051
Common collective trust				5,254,990
Total investments at fair value				$ 7,252,758

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 4,844,652	$ -	$ -	$ 4,844,652
Total asset at fair value	4,844,652	-	-	4,844,652
Pooled separate accounts				11,797
Common collective trust				41,916
Total investments at fair value				$ 4,898,365

Pooled separate accounts: Presented at net asset value based on number of units held in the pooled accounts multiplied by unit values. As permitted by ASC 820-10-35-54A, investments measured at net asset value as a practical expedient are not classified within the fair value hierarchy (Level 1, Level 2, or Level 3). The fair value amounts presented in the table below are intended to permit reconciliation to the amounts presented in the statements of net assets available for benefits.

The Plan has adopted a volume submitter plan document whose sponsor has received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, stating that the volume submitter plan document was designed in accordance with the applicable sections of the IRC. Although the Plan and the volume submitter plan document have been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan is qualified, and the related trust is tax-exempt.

NOTE 5 - TAX STATUS

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or assets) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2025, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The prior three plan years are subject to income tax examinations.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, interest not previously vested will become immediately, completely vested and nonforfeitable.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

During the year ended December 31, 2025, there were transactions involving the investment of plan assets in investment funds maintained by Principal Life Insurance Company, a party-in-interest as defined in Section 3(14) of ERISA.

Fees for contract administration and record keeping were paid to Principal Life Insurance Company in the amount of $31,577 for the year ended December 31, 2025.

Onedigital Investment Advisors received fees for investment management services. Fees paid to Onedigital Investment Advisors are reflected in the accompanying statement of changes in net assets available for plan benefits totaled $20,634 for the year ended December 31, 2025.

Notes receivable from participants are permitted party-in-interest transactions.

Jason F. Clausen, P.C. is the auditing firm for the plan. Fees paid for the audit were paid by the plan sponsor.

NOTE 8 - CONCENTRATION OF CREDIT RISK

As of December 31, 2025, the Plan had greater than 10% of net assets available for Plan benefits in the following investments:

Investment	Amount	Percentage
BlackRock LFPTH INDX 2055 R1 FD	$ 1,405,024	20%
Fidelity 500 Index Fund	1,134,298	16%
BlackRock LFPTH INDX 2060 R1 FD	834,588	12%
BlackRock LFPTH INDX 2050 R1 FD	812,640	11%

NOTE 9 - FIDELITY BOND

As of December 31, 2025, the plan was covered by a fidelity bond in the amount of $500,000.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11 – CORRECTIVE PARTICIPANT CONTRIBUTIONS PAYABLE

The Plan failed the Actual Deferral Percentage (ADP) test for the year ended December 31, 2025. As a result, excess participant contributions of $118,113 are included in excess contributions payable on the statement of net assets available for benefits. The Plan Sponsor intends to distribute these amounts to affected participants by December 31, 2026. Because the distribution will be made after March 15, 2026, the Plan Sponsor will be subject to a 10% excise tax on the excess contributions. Management believes that the corrective action will preserve the Plan's tax-qualified status.

NOTE 12 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of Net assets available for benefits per the financial statements to the Net assets available for benefits per Schedule H of Form 5500 for the year ended December 31, 2025:
