Retirement and Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Riverbend Head Start & Family Services, Inc. Retirement and Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Riverbend Head Start & Family Services, Inc. Retirement and Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulates for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Riverbend Head Start & Family Services, Inc. Retirement and Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statement that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Riverbend Head Start & Family Services, Inc. Retirement and Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Riverbend Head Start & Family Services, Inc. Retirement and Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Riverbend Head Start & Family Services, Inc. Retirement and Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedules, listed in the table of contents as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RIVERBEND HEAD START & FAMILY SERVICES, INC.
RETIREMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2025 AND 2024

NOTE 1. DESCRIPTION OF PLAN

The following description of the Riverbend Head Start & Family Services, Inc. (the Company) Retirement and Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who have completed one year of service in which the employee worked 1,000 hours and attained age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974.

Contributions

Each year, participants may contribute any amount of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Employees may also transfer amounts from other qualified plans; these amounts are kept in a separate participant rollover account. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2 percent of eligible compensation and their contributions invested in a target fund based on the participant's retirement age until changed by the participant. Every year, the deferral rate increases 1 percent, to a maximum of 6 percent. Beginning January 1, 2022, automatically enrolled participants will have their deferral rate initially set at 5 percent, with an annual rate increase of 1 percent, up to a maximum of 10 percent. Participants automatically enrolled prior to 2022 will continue to receive the initial 2 percent auto enroll rate with a 1 percent annual increase up to a maximum of 6 percent. Contributions are subject to certain IRS limitations.

The Plan elected to adopt Safe Harbor provisions, in which the employer makes a Non-Elective contribution equal to 5% of the compensation of each eligible participant, regardless of whether the participant makes elective deferrals. The Company makes its contributions on a monthly basis based on the compensation paid to the employee during the month.

Vesting

Participants are fully and immediately vested in the contributions made by the participants through elective deferrals and by the Company through Safe Harbor non-elective contributions.

Participant Accounts

Each participant's account is credited with the participant's and Company's contributions, and an allocation of Plan earnings, and is charged with an allocation of plan losses and expenses. Allocations are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Administration

The Plan is governed by the Company's board of trustees. The Standard Insurance Company serves as the record keeper and the asset custodian.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

On termination of employment, distribution shall be made in an amount equal to the value of the participant's account. If the vested portion of the participant's account does not exceed $1,000, the Plan can distribute the vested portion in a lump sum without the need for written consent from the participant. If the vested account balance exceeds $5,000, the participant must consent to any distribution before it may be made. If the account balance does not exceed $5,000, the distribution may only be paid in a single lump-sum payment. If the account balance, including rollovers, exceeds $5,000, distribution will be made in the form of an annuity, unless waived. If the annuity distribution is waived, payment may be made in a single lump-sum payment, partial withdrawals, or the purchase of a different form of annuity.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts included in net assets totaled $0. These accounts, if any, are used to reduce the Plan's expenses in future years, in accordance with plan provisions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of the vested interest of the participant in the Plan. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participants' loan fund. Loans are required to be repaid within 5 years of the loan unless the purpose of the loan is to purchase a primary residence. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate. Loans are to be repaid on the basis of substantially level amortization over the term of the loan with payments made through ACH withdrawals from the participant's bank account or payment by check.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Investment income (loss) includes the plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Note Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Participant fees and fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in realized and unrealized earnings (losses).

NOTE 3. INVESTMENTS

Unaudited Information Certified by the Asset Custodian

The December 31, 2025 and 2024 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025, and the accompanying notes to the financial states were prepared in part or entirely from information certified by The Standard Insurance Company, the asset custodian, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments and notes receivable from participants of $9,608,035 and $8,079,365 at December 31, 2025 and 2024, respectively, and related investment income of $1,003,053 for the year ended December 31, 2025.

NOTE 4. RELATED PARTY TRANSACTIONS

Fees paid by the plan for administrative services amounted to $25,644 for the year ended December 31, 2025.

Certain plan investments are managed by The Standard Insurance Company, the custodian, and therefore, these transactions qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will receive the full amount in their accounts.

NOTE 6. FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value in the accompanying statements of net assets available for plan benefits, except for fully benefit-responsible investment contracts, which are reported at contract value. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which level 1 inputs were not available. Level 3 inputs would only be used if level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 1 or Level 3 inputs for the periods present.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Pooled Separate Account: The fair value of the funds in the pooled separate account is based on the unit value of the units held by the Plan at year-end.

Guaranteed Investment Contracts: These fully benefit-responsive guaranteed investment contracts are reported at contract value and therefore are not included in the fair value table below.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

		Fair Value Measurements Using:		
December 31, 2025	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Pooled Separate Accounts	$ 8,329,221		$ 8,329,221	
	$ 8,329,221		$ 8,329,221	

NOTE 6. FAIR VALUE MEASUREMENT (CONTINUED)

		Fair Value Measurements Using:		
December 31, 2024	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Pooled Separate Accounts	$ 6,964,290		$ 6,964,290	
	$ 6,964,290		$ 6,964,290	

NOTE 7. INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the open tax years are those years ended December 31, 2022 through December 31, 2025.

NOTE 8. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Minnesota Life Insurance Company totaling $1,131,423 for 2025 and $985,725 for 2024. Minnesota Life Insurance Company maintains the contributions in a general account. The account is credited with actual earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.5 percent. The credit rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contact value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Minnesota Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 8. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability for the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of employer contributions per the financial statements to Schedule H of the Form 5500:

Participant contribution receivable- 2025	(21,073)
Net increase (decrease) in net asets per Schedule H of Form 5500	$ 1,528,670

NOTE 11. PLAN AMENDMENT

Pursuant to the Fourth Amendment to the Plan, effective January 1, 2026, the eligibility conditions for all contributions changed. Prior to the Amendment, to become a participant in the Plan, you must attain age 21, and complete one Year of Service. Effective January 1, 2026, to become a participant in the Plan, you must attain age 18, and complete one Year of Service.

NOTE 12. SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through September 28, 2026. From this evaluation, no events were identified that met the requirement for disclosure except as followings:

Effective January 1, 2025, Riverbend Head Start & Family Services is an Adopting Employer of the Total Plan Alliance PEP. However, Elective Deferrals and Roth Elective Deferrals are not effective until August 7, 2026. By adopting the Pooled Employer Plan, your employer has become an "affiliate" of the Pooled Plan Provider for purposes stated in the Summary Plan Description. During 2026 all assets of the Riverbend Head Start & Family Services, Inc. Retirement and Savings Plan will be transferred to the Total Plan Alliance PEP.
