INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Airport Shoppes and Hotel Corp. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Airport Shoppes & Hotel Corp. Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements – (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, and the schedule of delinquent participant contributions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and

other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of the plan

The following description of the Airport Shoppes and Hotel Corp. Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2009 as a defined contribution plan, covering all full-time employees, excluding all employees that are covered by a collective bargaining, of Airport Shoppes and Hotel Corp. (the Plan Sponsor), who have one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security of 1974 (ERISA) and Section 1081.01 of the Puerto Rico Internal Revenue Code (the Code).

Contributions

Each year, participants may contribute an amount of their compensation not exceeding the maximum deferral specified by local law and those who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans, subject to the conditions and limitations set forth in the Plan agreement. The initial participant contribution rate will be 3%. The Plan's Sponsor may contribute a discretionary percentage of the amount of the participant's contribution.

Participant accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of: (a) the Plan Sponsor's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contributions portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested of the Plan Sponsor's contribution after 3 years of credited service. Notwithstanding the above, all participants are 100% vested upon attaining age 65 (not before age 60 and not later than age 65) or, if later, after completing 5 years of participation (not more than 5) in the Plan.

Note 1 - Description of the plan – (continued)

Investment options

The Plan Sponsor and participant's contributions are invested in various investment funds provided by the Trustee, as permitted in the Plan Agreement.

Notes receivable from participants

Notes receivable from participants are not permitted.

Excess participant's contribution payable

Participants may contribute excess contributions which will be reimbursed to the participants. Excess contributions are recorded as a liability in the statements of net asset available for benefits and as a reduction of participant-directed contributions for the year.

Payment of benefits

Upon termination of service due to death, disability or retirement, a participant or the participant beneficiaries may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or periodic installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

In addition, the Plan provides for in-service distributions in certain circumstances, including financial hardship withdrawals, subject to certain limitations. Also, in-service distributions may be available to participants as special disaster distributions, as determined by the Puerto Rico Treasury Department.

Forfeitures

Upon a participant's termination from the employment or withdrawal from the Plan for any reason other than death, retirement or disability, the Plan Sponsor's contributions on behalf of the participants not then vested are forfeited and used first to reduce the Plan's administrative expenses and then to reduce future Plan Sponsor's contributions. At December 31, 2025 and 2024, the forfeitures account balance amounted to $14,850 and $13,908, respectively.

Administrative expenses

Administrative expenses, unless paid directly by the Plan Sponsor, will be paid from the trust fund and will be charged against participant's accounts.

Note 1 - Description of the plan – (continued)

Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 2 - Summary of significant accounting policies

Basis of accounting and presentation

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) and under the accrual method of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Risk and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Note 2 - Summary of significant accounting policies – (continued)

Benefits payable

The Plan accounts for benefits payable in accordance with the guidance provided by the *AICPA Audit and Accounting Guide, Audits of Employee Benefit Plans*. This guidance requires that benefits payable to people who have withdrawn from participation in a defined contribution plan be disclosed in the notes to the financial statements rather than recorded as a liability of the Plan. As of December 31, 2025, there were no benefits payable. At December 31, 2024, there were benefits payable owed to the participants of $169.

Note 3 - Information certified by the trustee (unaudited)

The plan administrator has elected the method of compliance permitted by Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee of the Plan, BPA Trust Company of PR (the Trustee), has certified as to the completeness and accuracy of all investment related information reflected in the accompanying financial statements as of December 31, 2025 and 2024, and for the year ended December 31, 2025, and the related notes to the financial statements, and the supplemental schedule H, Part IV line 4i - Schedule of Assets (held at end of year) as of December 31, 2025. The Trustee maintains all records, executes investment transactions, and holds all the assets of the Plan.

During 2025, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $258,013.

Note 4 - Fair value measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures,* establishes a framework, for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active market that the Plan has the ability to access.

Note 4 - Fair value measurements – (continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used by the Plan for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2025, and 2024:

Mutual funds are valued at the net asset value of shares held by the Plan at year end. Mutual funds are classified as Level 1.

Collective investment trust is valued based on the relative interest of each participating investor in the fair value of the underlying assets of each of the respective common collective trusts. Collective investment trusts are classified as Level 2.

Insurance contract is valued at fair value by the insurance company. Insurance contracts are classified as Level 3.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 - Fair value measurements – (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,214,025	$ -	$ -	$ 3,214,025
Collective investment trust	-	61,604	-	61,604
Investment contract with insurance company	-	-	41,518	41,518
Total	$ 3,214,025	$ 61,604	$ 41,518	$ 3,317,147

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 2,719,148	$ -	$ -	$ 2,719,148
Collective investment trust	-	63,205	-	63,205
Investment contract with insurance company	-	-	38,166	38,166
Total	$ 2,719,148	$ 63,205	$ 38,166	$ 2,820,519

The following table summarizes the changes in the fair value of the Plan's Level 3 assets for the year ended December 31, 2025:

Balance, beginning of the year	$ 38,166
Realized gains and reinvested earnings, net	2,645
Unrealized gain relating to instruments still held at the reporting date, net	77
Withdrawals	(424)
Purchases, sales, issuances and settlements, net	1,054
Balance, end of year	$ 41,518

Note 4 - Fair value measurements – (continued)

There were no transfers of investments in or out of Level 3 during the year ended December 31, 2025.

Note 5 - Delinquent participant contributions

During the year ended December 31, 2024, the Plan Sponsor did not remit certain participants contributions to the Plan in a timely manner, as defined by ERISA, amounting to $7,345. In June 2026, the Plan Sponsor corrected such late participant contributions outside the Voluntary Fiduciary Correction Program by crediting the estimated investment income that would have been earned had these participant contributions been remitted on a timely basis amounting to $3.31. There were no late remittances for the year ended December 31, 2025.

Note 6 - Non-Discrimination Test and excess contributions

During the year ended December 31, 2025, the Plan complied with the discrimination (ADP) test. This test requires compliance with a determined percentage of contributions to the Plan as established in Section 1081.01 of the Code. Since the participant reached the age of 50, is eligible to defer money in excess of the limits of the Plan. These monies are referred to as "Catchup Contributions". Such limits include, but are not limited to, the 402(g) maximum deferral limit and a plan-imposed maximum deferral limit. Also eligible for reclassifications as "Catchup Contribution" are corrective distributions to HCEs due to failure of the ADP test.

Note 7 - Tax status

The Plan constitutes a qualified plan exempt from income taxes under the provision of Section 1081.01 of the Code, as amended.

The Plan obtained its latest determination letter on April 19, 2018, in which the Commonwealth of Puerto Rico tax authorities stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code.

Management has evaluated the Plan tax position and concluded that the Plan has maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements.

This space was intentionally left in blank

Note 8 - Reconciliation of contributions from participants and net assets available for benefits with form 5500

Contributions as per financial statements	$ 251,811
Contributions not considered in Form 5500:	
Contribution related to January 2026 payroll not included in form 5500	(7,599)
Contributions in Form 5500	244,212
Net assets available for benefit per financial statements	3,317,147
Contribution related to January 2026 payroll not included in form 5500	(7,599)
Net assets available for benefit in Form 5500	$3,309,548

Note 9 - Subsequent events

The Plan has evaluated subsequent events through September 8, 2026, which is the date these financial statements were available to be issued. Except as disclosed in Note 5, no other events have occurred subsequent to the statement of net assets available for benefits date and to the date the financial statements were available to be issued, that would require additional adjustment to, or disclosure in the financial statements.
