INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Audit Committee
Morrison-Maierle, Inc. Employee Health Benefit Plan
Helena, Montana

Opinion

We have audited the financial statements of Morrison-Maierle, Inc. Employee Health Benefit Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in net assets available for benefits and plan benefit obligations for the years then ended in accordance with the accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter – Supplementary Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedule of assets (held at end of year) and schedule of reportable transactions as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of Morrison-Maierle, Inc. Employee Health Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General The Plan provides health and other benefits to eligible employees of Morrison-Maierle, Inc. and its subsidiary (the Company), and covered dependents as elected. The Plan consists of benefits sponsored by the Company and provided through the Morrison-Maierle, Inc. Group Health Plan Trust (the Trust) and other benefits sponsored by and provided through the Company outside of the Trust. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974 (ERISA)*.

Benefits The Plan provides medical, dental, vision, and wellness benefits to the Company. Terminated employees, or their qualified beneficiaries, may elect to continue this coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) by paying required timely premiums. Grandfathered retired board members and their spouses are also eligible for coverage under the plan, but must pay 100% of the premium. At December 31, 2025 and 2024, there is one individual covered under this provision.

Medical Benefits: The medical benefits under the Trust are administered by Blue Cross Blue Shield of Montana (Blue Cross) and are self-insured. For the years ended December 31, 2025 and 2024, the Trust is self-insured for medical and pharmacy claims up to an annual attachment point over the deductible of $3,627,537 and $3,301,541, respectively, with a maximum annual per participant stop loss of $125,000 and $95,000, respectively. Premiums paid to the Trust are provided by the Company and its employees electing coverage under the Plan. Employees are eligible to participate in medical coverage under the Trust the first day of the month following date of hire. In 2025, Participants contribute 10% of the cost of employee only coverage and 30% of the costs of employee/spouse, employee/children, and family coverage. The Company contributes the remaining 90% and 70%, respectively. In 2024, participants contributed 15% of the cost of employee-only coverage and 32% of the cost of employee/spouse, employee/children, and family coverage. The Company contributed the remaining 85% and 68%, respectively. Premiums are determined based on historical trends of the Trust and expected experience ratings as determined by Blue Cross.

Dental Benefits: Dental benefits under the Trust are administered by Blue Cross and are self-insured. Premiums paid to the Trust are provided by the Company and its employees electing coverage under the Trust. Eligibility is the same as for medical benefits, as noted above. Participants contribute 40% of the cost of coverage under the dental plan and the Company contributes 60%.

Vision Benefits: Vision benefits under the Trust are administered by Vision Service Plan (VSP) and are fully insured. Premiums paid to the Trust are provided by the Company and its employees electing coverage under the Trust. Eligibility is the same as under medical and dental benefits. Participants contribute 40% of the cost of coverage under the basic vision plan, and the Company contributes 60%. Participants may also elect to purchase "premium" vision coverage under the Plan. The employee contributes 79% to 92% of the cost of the premium plan that is over and above the cost of the basic vision option. The Company contributes the remaining 21% to 8%, respectively.

Additional benefits provided to participants of the Plan are administered outside of the Trust and include the following:

Life, Accidental Death and Dismemberment, and Short-Term and Long-Term Disability Benefits: The Plan provides for life, accidental death and dismemberment, and short-term and long-term disability benefits, which are provided by the Lincoln National Life Insurance Company. The Company contributes 100% of the premiums for these benefits.

Health Savings Accounts: The Plan provides for health savings accounts (HSA) that are tax-advantaged, member-owned accounts allowing participants to save pre-tax dollars for qualified medical expenses. The Company contributes a discretionary matching contribution determined annually. Administrative services for these accounts are provided by Optum Bank, Inc. Contribution maximums are defined annually by the Internal Revenue Service (IRS).

Contributions In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections as noted above. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Payment of Benefits The third-party claims processor disburses claim payments that are determined to be due to the person or assignee entitled thereto in accordance with provisions of the Plan. The Plan pays the third-party claims processor an administrative fee for these services.

Plan Termination The Company may amend or terminate the Plan at any time, subject to the provisions of the Plan and ERISA. No amendment or termination may discontinue or curtail the benefits that have accrued to any participant or beneficiary prior to the adoption of such amendment or termination. Upon termination of the Plan, all funds of the Plan shall be used to pay all benefits accrued under the Plan and to pay additional benefits for participants as determined by the Plan administrator. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

Stop-Loss Coverage The Plan has entered into a stop-loss insurance agreement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as aggregate exposure for all claims).

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting The accompanying financial statements of the Plan are presented on the accrual basis in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash and Cash Equivalents The Plan considers money market funds to be interest-bearing cash and included with investments.

Credit Risk Deposits with financial institutions that potentially subject the Plan to concentrations of credit risk consist principally of cash deposits. The Plan's bank accounts are insured by the Federal Deposit Insurance Corporation up to $250,000. At December 31, 2025 and 2024, bank balances exceeded their insured limits by $714,336 and $680,047, respectively.

Investment Valuation and Income Recognition Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies and procedures. See below for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Fair Value Measurements The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Bank Insured Deposit Program: Valued at fair value of deposits held as reported by the banks within the program, including interest earned at the established rate and credited during the period.

Certificates of Deposit: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

Mutual Funds: Assets are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

See note 3 for the classification of these assets within the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Payment of Benefits Premiums paid by either the Company or the Trust are recorded as premium payments on the accompanying statements of changes in net assets available for benefits. Claims payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have not been reimbursed by the Plan are recorded as payable to claims administrators on the accompanying statements of net assets available for benefits.

Expenses The Plan pays administrative expenses that consist primarily of fees paid to third-party claims administrators, actuaries, auditors, benefit administrators, and wellness providers. These expenses are reported on the statements of changes in net assets available for benefits as administrative, professional, and wellness expenses. All other administrative expenses are paid by the Company on behalf of the Plan and are excluded from these financial statements.

Stop-Loss Coverage Premiums for stop-loss insurance are included in premiums paid on the accompanying statements of changes in net assets available for benefits. Stop-loss refunds totaling $-0- and $234,605 for the years ended December 31, 2025 and 2024, respectively, have been netted with claims paid to participants on the accompanying statements of changes in net assets.

Rebates Rebates are recorded as received by the Plan. They are presented with medical and dental claims expense on the accompanying statements of changes in net assets available for benefits. Rebates for the years ended December 31, 2025 and 2024, amounted to $268,387 and $166,820, respectively.

Evaluation of Subsequent Events The Plan has evaluated subsequent events through October 8, 2026, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value.

December 31, 2025	Level 1	Level 2	Level 3	Total
Bank insured deposit program	$ 6,660	$ -	$ -	$ 6,660
Mutual funds	1,519,735	-	-	1,519,735

Total Investments at Fair Value	$ 1,259,572	$ 196,848	$ -	$ 1,456,420

4. BENEFIT OBLIGATIONS

The estimated incurred but not reported obligation includes estimates for benefit obligations associated with reported claims, which were not yet paid prior to year-end and estimates for claims incurred but not submitted to the Plan prior to year-end. These estimates are based, in part, on the Plan's experience and on claims data provided by the Plan's third-party claims administrators. Changes in the estimated cost to settle unpaid claims are charged or credited to the statements of changes in benefit obligations periodically as the estimates are revised.

5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

As documented in note 1, the Plan is administered by Blue Cross, VSP, and OPTUM Bank. Wellness programs are administered by the Company.

The Plan pays premiums to Lincoln National Life Insurance Company, which provides fully insured benefits. Premium expense for 2025 and 2024, was $233,154 and $265,158, respectively.

Additionally, the Plan pays premiums to the VSP for vision benefits. Premium expense for 2025 and 2024 was $47,277 and $39,925, respectively.

The Plan paid the following administrative, professional, and wellness fees:

December 31	2025	2024

Total Wellness Program Expenses	$ 59,656	$ 70,555

6. TAX STATUS

The Plan received a favorable determination letter from the IRS on June 26, 2008, stating that the Plan is tax-exempt under the provisions of Section 501(c)(9) of the *Internal Revenue Code* (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. As a result of the Plan's funding policy, from time to time the trust may be subject to income taxes.

The Plan recorded $37,014 and $32,180 for federal and state income taxes in 2025 and 2024, respectively, for unrelated business taxable income on amounts in excess of IRC qualified reserves. The Plan's policy is to include penalties and interest associated with income taxes in miscellaneous expense.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that at December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The benefit obligations are reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits of the financial statements to Form 5500:

December 31		**2025**		**2024**
Net assets available for benefits per the financial statements	$	2,375,502	$	2,255,210
Estimated claims incurred but not reported obligations		(275,000)		(275,000)
