## REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator and Plan Participants
Winpak Heat Seal Corporation GCC/IBT Local 568-M Employee Savings Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit**
We have performed an audit of the financial statements of Winpak Heat Seal Corporation GCC/IBT Local 568-M Employee Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

**Opinion**
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Grant Thornton LLP is a U.S. member firm of Grant Thornton International Ltd (GTIL). GTIL and each of its member firms are separate legal entities and are not a worldwide partnership.

**Basis for opinion**
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor’s responsibilities for the audit of the financial statements**
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other matters**

*2025 supplemental schedules required by ERISA*

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2025 and schedule of assets (held at end of year) as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's report on the 2024 financial statements*
Predecessor auditors performed an audit of the 2024 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 15, 2025, indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

## NOTE A - DESCRIPTION OF THE PLAN

The following description of the Winpak Heat Seal Corporation GCC/IBT Local 568-M Employee Savings Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is sponsored by Winpak Heat Seal Corporation (the "Company").

### *General*

The Plan was established to provide retirement benefits for union employees of Winpak Heat Seal Corporation to make pretax contributions as provided by Section 401(k) of the Internal Revenue Code ("IRC"). Eligible employees become participants in the Plan following four months of continuous service, as defined in the Plan agreement, with an entry date of the first day of each month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

### *Contributions*

Participants can contribute up to 60% of their eligible compensation on a pre-tax basis, a Roth after-tax basis or a combination of both, subject to a maximum of $23,500 as defined by the Internal Revenue Service ("IRS") regulations. Participants who are or will attain age 50 by the end of the Plan year may elect to contribute an additional $7,500 of their eligible compensation as catch-up contributions.

The Company makes non-discretionary matching contributions each payroll period in an amount equal to 100% of the first 6% of salary deferrals contributed to the Plan. The Company also provides fixed non-elective contributions to all the eligible participants in an amount equal to 1% of eligible compensation for the Plan Year.

Rollover contributions are permitted as defined in the Plan document. The Plan does not accept rollovers of after-tax employee contributions. There were no rollover contributions for the year ended December 31, 2025.

Contributions are subject to certain limitations. Participants direct the investment of their contribution into various investment options offered by the Plan.

### *Participant Accounts*

Each participant's account is credited with the participant's contributions, Company matching contributions and non-elective contributions, and an allocation of the Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

### *Vesting*

The Plan provides that participants are at all times fully vested in their elective deferrals, rollover and qualified non-elective contributions and the earnings thereon. A participant's interest in Company matching and fixed non-elective contributions, together with the earnings thereon, becomes 100% vested upon completion of three years of vesting service, determined under the elapsed time method. A participant also becomes fully vested upon death, disability, attainment of the normal retirement age of 65 while employed, or upon a complete or partial termination of the Plan.

### *Forfeited Accounts*

If a participant leaves the Company and is not fully vested in the Company's contributions, the nonvested portion is forfeited. The forfeited amounts are used to reduce administrative expenses or offset Company contributions. As of December 31, 2025 and 2024, forfeited nonvested accounts totaled $12,006 and $13,074, respectively. Forfeited nonvested accounts were used to offset Company contributions by $19,426 for the year ended December 31, 2025.

### *Notes Receivable From Participants*

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or one-half of the amounts in their vested accounts. The loans are secured by the balance in the participant's account and bear interest rates that change from 4.50% to 9.75%, which commensurate with local prevailing rate as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. Notes receivable terms may not exceed five years, except for loans used to acquire a principal residence, which may be repaid over a period not exceeding ten years.

### *Payment of Benefits*

On retirement, death, disability or termination of employment, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or a direct rollover into another qualified plan. The Plan also allows hardship withdrawals. All distributions are subject to the Plan's provisions.

## NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### *Basis of Accounting*

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### *Investments Valuation and Income Recognition*

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for fair value disclosures.

Purchases and sales of securities are recorded on a trade-date basis, interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### *Notes Receivable From Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

***Payment of Benefits***

Benefits are recorded when paid.

***Risks and Uncertainties***

The Plan provides for various investment options, which are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

***Administrative Expenses***

Administrative expenses are paid by the Plan sponsor unless the Plan Administrator directs payment from the Plan.

## NOTE C - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*, defines fair value, establishes a framework for using fair value to measure assets and liabilities, and expands disclosures about fair value measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are as follows:

Level 1 - unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access;

Level 2 - inputs other than Level 1 that are observable, either directly or indirectly, such as quoted market prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in non-active markets, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or

Level 3 - inputs that are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. These funds held by the Plan are actively traded.

*Brokerage Account*: The brokerage primarily holds common stocks which are valued at quoted net asset value of shares held by the Plan at year-end.

*Collective Trust Fund*: The Plan's interest in the Fidelity Managed Income Portfolio ("MIP") collective trust is valued by Fidelity Management Trust Company (the "Trustee") based on the NAV of shares held by the Plan at year-end as practical expedient fair value. The fund allows for daily liquidity with no additional days' notice required for redemption for participant-directed transactions at the constant NAV of $1 per unit. Were the Plan to initiate a full redemption of the Fidelity MIP, the investment advisor reserves the right to temporarily delay withdrawal from the trust for up to 12 months in order to ensure that securities liquidations will be carried out in an orderly manner. There were no unfunded commitments of the collective trust as of December 31, 2025 and 2024.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

| | 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 15,708,040 | $ - | $ - | $ 15,708,040 |
| Brokerage account | 330,022 | - | - | 330,022 |
| Total assets in the fair value hierarchy | $ 16,038,062 | $ - | $ - | 16,038,062 |
| Investments measured at NAV as a practical expedient | | | | 13,368 |
| Total assets at fair value | | | | $ 16,051,430 |

| | 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 14,115,474 | $ - | $ - | $ 14,115,474 |
| Brokerage account | 6,116 | - | - | 6,116 |
| Total assets in the fair value hierarchy | $ 14,121,590 | $ - | $ - | 14,121,590 |
| Investments measured at NAV as a practical expedient | | | | 14,406 |
| Total assets at fair value | | | | $ 14,135,996 |

Investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in the

tables above are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

## NOTE D - INFORMATION CERTIFIED BY THE TRUSTEE

At December 31, 2025 and 2024, the Plan's investments were held by the Trustee of the Plan. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified as complete and accurate in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA:

- Investments, at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024;
- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025; and
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025.

## NOTE E - RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024 to the 2025 Form 5500:

| | 2025 | 2024 |
|---|---|---|
| Net assets available for benefits per the financial statements | $ 16,625,301 | $ 14,685,074 |
| Less: fair value adjustment for Fidelity MIP | (410) | (866) |
| Less: company and participant contributions receivable | (23,671) | - |
| Net assets available for benefits per the Form 5500 | $ 16,601,220 | $ 14,684,208 |

The following is a reconciliation of net increase in net assets per the financial statement for the year ended December 31, 2025 to the 2025 Form 5500:

| | |
|---|---|
| Net increase in net assets per the financial statements | $ 1,940,227 |
| Plus: net change in fair value adjustment for Fidelity MIP | 456 |
| Less: company and participant contributions receivable | (23,671) |
| Net increase in net assets per the Form 5500 | $ 1,917,012 |

## NOTE F - RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds and a collective trust fund managed by the Trustee. Fidelity Management Trust Company is the Trustee, as defined by the Plan and; therefore, these transactions qualify as party-in-interest, which are exempt from the prohibited transaction rules. Notes receivable from participants are also considered party-in-interest transactions.

## NOTE G - DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2025, participant contributions and loan repayments totaling $160,056 were not remitted to the Plan within the time period prescribed by Department of Labor Regulation 29 CFR 2510.3-102. These late remittances constitute non-exempt prohibited transactions under ERISA and are reported in the accompanying supplemental schedule of delinquent participant contributions. The Company previously remitted the delinquent contributions and loan repayments. However, as of the date the financial statements were available to be issued, the related lost earnings had not been remitted to the affected participants' accounts.

## NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a partial or complete termination of the Plan, participants become fully vested and acquire a nonforfeitable interest in all contributions to their accounts. Such amounts would then be distributed to participants as a lump sum distribution as provided by the Plan.

## NOTE I - INCOME TAX STATUS

The Plan has adopted a non-standardized pre-approved profit sharing plan document that received an opinion letter from the IRS, dated June 30, 2020, stating that the Plan and related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended and restated since receiving the opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and related trust is tax exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## NOTE J - SUBSEQUENT EVENTS
