INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants
Annandale Golf Club 401(k) Plan
Pasadena, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Annandale Golf Club 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Section 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025, and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) at December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. DESCRIPTION OF THE PLAN

The following description of Annandale Golf Club 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established by Annandale Golf Club (the Plan Sponsor or Club). The Plan was originally effective on May 1, 1997, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: Effective January 1, 2018, the age requirement for participant salary deferrals and Plan Sponsor matching contributions is 18. The Plan allows for participation in the Plan to commence at the beginning of the subsequent month following initial employment.

Contributions: *Employee salary deferral* - The Plan allows participants to elect to have a portion of their compensation, as defined by the Plan, to be deferred on their behalf in lieu of receiving such amount as compensation. For the year ended December 31, 2025, the maximum amount of salary deferral is $23,500. For participants age fifty or older, an additional catch-up provision of $7,500 was allowed under the Plan during 2025.

Employer matching contribution - Each year, the Plan Sponsor may elect to make a matching contribution that is proportionate to the amount of the participant's salary deferral contribution. The amount of the match depends on the participant's contributions. For the Plan year ended December 31, 2025, the Plan Sponsor matched 50% up to the first 6% of eligible compensation that a participant contributed to the Plan provisions and applicable the Internal Revenue Code (IRC) limitations.

Investment Elections: Each participant may direct that salary reduction contributions be invested in one or more of the available investment options.

Participant Accounts: Each participant's account is credited or charged with the participant's contributions, Plan Sponsor contributions, an allocation of earnings or losses from the participant-directed investments, and an allocation of administrative expenses.

Payment of Benefits: Upon retirement, death, disability, or other termination of employment, a participant or the beneficiary is entitled to receive a lump-sum amount equal to the value of the participant’s vested interest in his or her own account.

In-service distributions are allowed upon either attaining age 59-1/2 or experiencing a financial hardship as defined by the IRC. Such withdrawals are subject to applicable excise and income taxes. Benefits paid to participants, including deemed distributions and corrective distributions, totaled $902,379 for the year ended December 31, 2025.

Participant Loans: Participants may borrow from their fund accounts a minimum of $1,000 and a maximum of the lesser of $50,000 or 50% of the participant’s vested benefit in the Plan. Participant loans are secured by the vested balance in the participant’s account and accrue interest at the prime rate plus 1%. Principal and interest are paid through payroll deductions. Terms of notes receivable are not to exceed five (5) years, unless used for the purchase of a primary residence. At December 31, 2025, notes receivable from participants totaled $160,686, with interest rates ranging from 4.25% to 9.5% and maturities through 2030.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's matching is based on years of continuous service. Employees who terminate their employment with the Club for reasons other than normal retirement shall receive the vested portion of Plan Sponsor contributions plus earnings thereon. The normal retirement age under the Plan is age 65. Vesting in Plan Sponsor related contributions and earnings are as follows:

Years of Continuous Service	Vested Percentage
Less than 2	-- %
2 but less than 3	20
3 but less than 4	40
4 but less than 5	60
5 but less than 6	80
6 or more	100

Forfeitures: Upon termination of employment, participants forfeit non-vested balances. Non-vested balances are available to be used to reduce future Plan Sponsor contributions or pay Plan related expenses. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $2,075 and $2,546, respectively. During 2025, forfeiture balances in the amount of $25,747 were used to pay the Plan to reduce the Employer discretionary matching.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation in fair value of investments consists of the change in unrealized appreciation or depreciation during the year, and the realized gain or loss on the sale of investments during the year.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Benefit Payments: Benefits are recorded when paid.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses: The Plan's administrative expenses are paid by either the Plan or Plan Sponsor, as provided by the Plan document. Expenses directly attributable to a particular participant are allocated to and paid from that participant's account.

Subsequent Events: The Plan has evaluated subsequent events through October 8, 2026, the date the financial statements were available to be issued and has determined that no events or transactions require recognition or disclosure in these financial statements.

NOTE 3. PLAN TERMINATION

Although the Plan Sponsor has not expressed an interest in terminating the Plan agreement, it may do so at any time. Upon termination of the Plan, the participants' shares in the Plan would become fully vested and distributed to them.

NOTE 4. FEDERAL INCOME TAXES

The Plan may rely on the opinion letter issued by the Internal Revenue Service (IRS) to the volume submitter sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan's policy is to recognize tax positions in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities. As of December 31, 2025, the Plan had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. As of December 31, 2025, the Plan's annual tax filings for the prior three (3) years are open for audit by the IRS.

NOTE 5. INFORMATION CERTIFIED BY THE CUSTODIAN

Information on the Plan's investment assets as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and ERISA-required supplemental schedule, was obtained by management, and agreed to or derived from information certified by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the investment assets is complete and accurate. Accordingly, as permitted by Section 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the Plan's investment assets which appear throughout the financial statements and ERISA-required supplemental schedule.

NOTE 6. PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. As of December 31, 2025 and 2024, and for the year ended December 31, 2025, John Hancock was the Plan's custodian and FuturePlan was the third party administrator. As of December 31, 2025, identified party-in-interest balances included John Hancock Disciplined Value of $66,880 and notes receivable from participants of $160,686. These transactions qualify as party-in-interest transactions.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. The Plan's exposure to credit loss in the event of nonperformance of investments is limited to the carrying value of such investments. The Plan's provisions as well as those of ERISA and the participants' investment preferences dictate the Plan's concentrations of credit risk and market risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE 8. FAIR VALUE MEASUREMENTS

In accordance with the authoritative guidance on fair value measurements and disclosures, in conformity with accounting principles generally accepted in the United States of America, the Plan discloses the fair value of its investments in a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1: Valuations based on unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Valuations based on quoted prices in markets that are not active or quoted prices for similar assets or liabilities in active markets or for which all significant inputs are observable, either directly or indirectly, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Valuations based on inputs that are unobservable in the market and significant to the overall fair value measurement.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

As of December 31, 2025 and 2024, the Plan's assets were held in pooled separate accounts (PSAs). The underlying securities in PSAs are listed on national securities exchanges and valued on the basis of year-end closing prices. Plan assets held in PSAs are classified as Level 2 in the fair value hierarchy.

Investment Type	Fair Value at December 31, 2025	Level 1	Level 2	Level 3
Pooled separate accounts	$ 7,002,107	$ --	$ 7,002,107	$ --

Investment Type	Fair Value at December 31, 2024	Level 1	Level 2	Level 3
Pooled separate accounts	$ 6,374,406	$ --	$ 6,374,406	$ --

NOTE 9. REFUND OF EXCESS CONTRIBUTIONS

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are $9,620 and $5,832 as of December 31, 2025 and 2024, respectively, and recorded as liabilities in the accompanying statements of net assets available for benefits.

NOTE 10. PLAN AMENDMENTS

During the year ended December 31, 2019, the Setting Every Community Up for Retirement Enhancement Act (SECURE 1.0) was signed into law and on March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. During the year ended December 31, 2023 the Plan was formally amended to include the provisions of both SECURE 1.0 and the CARES Act. No amendments were adopted during 2025.
