Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Brewer Carpet & Design Center 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Brewer Carpet & Design Center 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Brewer Carpet & Design Center 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of

management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BREWER CARPET & DESIGN CENTER 401(K)
PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

Note 1 – Description of Plan

The following description of the Brewer Carpet & Design Center 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on August 1, 2006, and restated effective January 1, 2020, covering all employees of Brewer Carpet and Design Center or any affiliate who has adopted the plan (the "Companies"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Employees, including full-time and part-time employees, are eligible to participate in the Plan after completing three months of service and attaining the age of 21 and are subject to the plan provisions described throughout Note 1 and Note 2.

The Plan was amended and restated effective January 1, 2020, in accordance with the Cycle 3 Restatement, in order to bring the Plan into compliance with legislative and regulatory changes set forth in IRS Notice 2017-37 and other legal requirements.

On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions commonly referred to as "SECURE 2.0." These provisions build upon the reforms introduced in the SECURE Act of 2019, focusing on increasing retirement plan participation and encouraging greater retirement savings. SECURE 2.0 contains provisions with various effective dates beginning in 2023 and extending forward.

The provisions include both required and optional elements. The Plan administrator has adopted the required provisions and continues to evaluate optional provisions for future adoption.

Participant Contributions

Participants may elect to contribute up to 100% of their compensation to the Plan subject to the annual limitations imposed by the Internal Revenue Service. Plan participants age 50 and older were eligible to make a catch-

up contribution of an additional $7,500 to the Plan during the years ended December 31, 2025 and 2024. Participants eligible to make the catch-up contributions may do so only after making the total elective deferral contributions allowed by the Internal Revenue Service. Rollover contributions are permitted under the Plan agreement.

Employer Contributions

The Company matches contributions on pre-tax elective deferrals equal to 100% of a participant's salary reduction up to 3% of the participant's compensation plus 50% of salary deferrals on the next 3% of the participant's compensation. The maximum matching contribution would be 4.5%. In addition, the Company may make a discretionary profit sharing contribution which is determined annually by management. A participant must complete a year of service and be actively employed at the end of the year to share in the allocation of the profit sharing contribution. Plan sponsor did not make a profit sharing contribution for the years ended December 31, 2025 and 2024.

Participant's Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions, if any, and the income and appreciation or depreciation of the investments attributable to each type of investment. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and rollover accounts plus actual earnings and losses thereon.

Years of Service	Vesting %	Years of Service	Vesting %
0-1	0	4	60
2	20	5	80
3	40	6	100

Participants become 100% vested regardless of years of service upon death, disability, the age of 65, or termination of the Plan.

Payment of Benefits

Upon termination of service, a participant with a vested balance under $5,000 will receive a mandatory lump-sum distribution. If the vested balance exceeds $5,000, spousal consent is required to obtain a lump sum payment. Participants are entitled to apply their vested portion toward the purchase of an annuity contract. Upon death, disability or retirement, or other reasons, distributions will be made pursuant to the election of the Participant or the Beneficiary.

Forfeitures

Matching contributions that are forfeited because of termination prior to vesting are used to reduce future employer contributions or pay Plan expenses. Forfeitures utilized to offset contributions or pay Plan expenses were approximately $16,208 and $14,717 during 2025 and 2024, respectively. As of December 31, 2025 and 2024, $11,100 and $19, respectively, were available to reduce administrative fees or future employer contributions.

Notes Receivable from Participants

Participants, under certain circumstances, are permitted to borrow a minimum of $1,000 from their participant accounts. Subject to certain Internal Revenue Code and Plan limits, a participant may not borrow more than the lesser of 50% of his or her vested interest in the Plan, or $50,000, adjusted for prior loans. Participants may only have one outstanding loan at any one time. The interest rate charged for a loan will be the prime rate as published by the Wall Street Journal on the 14th day each month plus 1%.

Note 2 – Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) included the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable may be reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan allows certain administrative expenses to be paid from Plan assets. The Company pays certain administrative expenses for the Plan. For 2025 and 2024, the Sponsor paid only selected insignificant administrative expenses.

Date of Management's Review

The Plan sponsor has evaluated subsequent events through October 8, 2026, the date which the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. No Level 2 or 3 inputs were available at year end to the Plan for the year ended December 31, 2025 and 2024.

Level 1 Fair Value Measurements

- Mutual funds fair values are available based on quoted market prices, when available. Money market funds are valued at net asset value (NAV) based on the daily closing price as reported by the fund. Money market funds are classified within Level 1 of the fair value hierarchy.

Gains and losses (realized and unrealized) included in the statement of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, are in net appreciation (depreciation) in fair value of investments.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

December 31, 2025	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)
Mutual Funds	$11,388,917	$11,388,917
Money Market Funds	36,526	36,526
Total	$11,425,443	$11,425,443

December 31, 2024	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)
Mutual Funds	$ 9,747,701	$ 9,747,701
Money Market Funds	144,464	144,464
Total	$ 9,892,165	$ 9,892,165

Note 4 – Information Certified by a Qualified Institution

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments, interest and dividends income, and interest on income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by the trustee, Charles Schwab Trust Bank.

Note 5 – Transactions with Parties-In-Interest

The Company provides administrative services at no cost to the Plan. Certain Plan investments are shares of pooled separate funds managed by the trustee of the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in

fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. These fees are permitted party-in-interest transactions exempt from ERISA's prohibited transactions rules.

Note 6 – Income Tax Status

The Internal Revenue Service has determined and informed the Company in a letter dated June 30, 2020, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan has not been amended since receiving the determination letter. The Plan administrator and the Plan's tax counsel believe the Plan is currently being operated in compliance with the applicable requirements of the IRC. The Plans' tax returns are generally subject to examination by the Internal Revenue Service for a period of three years from the date they are to be filed.

Accounting Principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 8 – Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 – Reconciliation of Financial Statements to Form 5500
