Independent Auditor's Report

Board of Trustees
Local Union 1186 IBEW Mutual Aid Plan

Opinion

We have audited the financial statements of Local Union 1186 IBEW Mutual Aid Plan (the Plan), an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and plan benefit obligations as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits and in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and in plan benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the IBEW Local Union 1186 Mutual Aid Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor. The Plan is a single employer defined benefit health and welfare plan subject to the provisions of the Employee Retirement Income and Security Act of 1974 (ERISA).

General

Members of Local Union 1186 IBEW (Union), a chartered Local under the International Brotherhood of Electrical Workers, established the Plan on April 1, 1967. Participation in the Plan is voluntary and the primary purpose is to provide death benefits to participating members. The Plan is administered by a Board of Trustees comprised of two trustees from each unit of the Union. The Trustees from each unit shall be selected in accordance with the Constitution and By-Laws of the Union. The Board of Trustees has overall responsibility for the operation and administration of the Plan. The Board of Trustees determines the appropriateness of the Plan's investments and monitors investment performance.

Benefits

Effective August 1, 2023, the Board of Trustees approved and executed an agreement with Metropolitan Life Insurance Company (MetLife) to provide a fully insured death benefit of $4,000 to participating members. These benefits are recorded as group insurance premiums in the accompanying Statements of Changes in Net Assets Available for Benefits.

Eligibility

Participating members must be in good standing with the Union, sign an Intent to Participate form, and make contributions of dues as specified by the Board of Trustees. A new member shall be eligible for benefits from the first day of the second month following the month in which their first monthly dues are received by the Plan.

Funding

The Plan is funded by contributions from participating members in accordance with rates as determined by the Board of Trustees and interest earned on cash reserves. For the years ended December 31, 2025 and 2024, participating members contribute $0.50 per month.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements are prepared on the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Trustees determines the Plan's valuation policies. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest income is recorded as received.

Dues Receivable
Dues receivable represents voluntary contributions due from members as of December 31, 2025 and 2024. No allowance for credit losses was recorded.

Payment of Benefits
Benefits are recorded as premiums are paid.

Administrative Expenses
The Plan's expenses are paid either by the Plan or by the Union, as provided in the Plan document. Expenses that are paid directly by the Union are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying Statements of Changes in Net Assets Available for Benefits.

Subsequent Events
Subsequent events have been evaluated through September 10, 2026, which is the date the financial statements were available to be issued.

NOTE 3 – BENEFIT OBLIGATIONS

Benefit obligations other than post-retirement and post-employment benefit obligations include benefits currently payable. The plan benefit obligations as of December 31, 2025 and 2024 represent insurance premiums payable as of year end and paid by the Plan in the following plan year.

NOTE 4 – INCOME TAXES

The trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS) dated February 15, 1979, stating that the trust is tax-exempt under the provisions of Section 501(c)9 of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time, the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 and 2024 for unrelated business taxable income.

NOTE 4 – INCOME TAXES (Continued)

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. Management believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Plan and concluded that, as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Checking and Savings Accounts: Valued at cost which equals fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

	December 31, 2025			
	Level 1	Level 2	Level 3	Total
Checking account	$ 23,086	$ -	$ -	$ 23,086
Central Pacific Bank savings	63,307	-	-	63,307
American Savings Bank savings	209,966	-	-	209,966
Total assets at fair value	$ 296,359	$ -	$ -	$ 296,359

	December 31, 2024

Checking account	$ 46,938	$ -	$ -	$ 46,938
Central Pacific Bank savings	63,149	-	-	63,149
American Savings Bank savings	206,878	-	-	206,878
Total assets at fair value	$ 316,965	$ -	$ -	$ 316,965

NOTE 6 – PLAN TERMINATION

Except as otherwise provided by law, any assets remaining in the Plan after the termination of the Plan, and any assets acquired or disbursed as a result of merger, consolidation, amalgamation, affiliation, exchange of credits or otherwise shall be used by the Board of Trustees solely for the purpose of providing welfare benefits to participating members of the Union satisfying eligibility requirements as determined solely by the Board of Trustees and for expenses of administration incident thereto, until no assets remain.

NOTE 7 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan paid certain expenses related to Plan operations to various service providers. These transactions are party-in-interest transactions under ERISA. The Union pays for certain administrative costs of the Plan.

NOTE 8 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	December 31,	
	2025	2024
