of the Emerald Technologies 401(k) Plan

Milpitas, CA 95035

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Emerald Technologies 401(K) Plan (formerly Data Electronic Devices, Inc. 401(K) Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Emerald Technologies 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Emerald Technologies 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Emerald Technologies 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Emerald Technologies 401(K) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Emerald Technologies 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Yours truly,

North Andover, Massachusetts

1. DESCRIPTION OF PLAN

The following description of the Emerald Technologies (“Company”) 401(k) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering eligible employees of the Company, QCM, Inc. DBA Veris Manufacturing, Saline Lectronics, Inc., Bestronics, Inc., Ascentron, Inc., and Optimum Design Associates, Inc. ("Plan Sponsors") who have attained age 21 and completed one month of eligible service, subject to certain employee exclusions as defined in the Plan document. Eligible employees enter the Plan on the first day of the month coinciding with or next following satisfaction of the eligibility requirements. Employees previously employed by Saline Lestronics, Inc. 401(k) Plan prior to January 1, 2024, and who are at least age 18, are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended. Participation in the Plan is entirely voluntary.

B. Contributions

Each year, participants may contribute up to the maximum allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants who have attained ages 60 to 63 before the end of the Plan year are eligible to make super catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment account options as offered by the Plan. The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate at 4 percent of eligible compensation and their contributions are invested in a designated balanced fund until changed by the participant. Participants may change their investment percentage options weekly and reallocate their investment portfolio daily.

The Plan Sponsors make safe harbor matching contributions equal to 100% of participant elective deferrals up to 4% of eligible compensation, determined each payroll period. During the year ended December 31, 2025, the Plan Sponsors made safe harbor matching contributions of $1,916,517.

The Plan Sponsor may also, at its discretion, make discretionary nonelective contributions, as defined in the Plan agreement. No discretionary contributions were made during the year ended December 31, 2025.

1. DESCRIPTION OF PLAN (CONT.)

C. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution, (b) Plan earnings (losses), and (c) forfeitures of terminated participants' nonvested accounts and may be charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting

Participants are immediately vested in their employee contributions and the Plan Sponsor's safe harbor contributions, plus actual earnings thereon. Vesting in the Plan Sponsors' discretionary profit-sharing contributions and related earnings is based on years of credited service at 20% after one year, 40% after two years, 60% after three years, 80% after four years, and 100% after five years of credited service.

E. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator at the time the loan application is submitted. At December 31, 2025 and 2024, the interest rates on outstanding notes receivable ranged from 4.25% to 10.5%. Principal and interest are paid ratably through weekly payroll deductions.

F. Terminated Accounts

At December 31, 2025 and 2024, terminated vested accounts amounted to $7,630,469 and $6,133,741, respectively. These accounts were not paid to the terminated participants as of December 31, 2025 and 2024, respectively.

G. Payment of Benefits

On termination of service due to death, disability or retirement, a participant will receive their vested interest by (i) transfer to another qualified plan, (ii) transfer to an individual retirement plan, or (iii) a lump-sum distribution subject to a 20-percent income tax withholding.

1. DESCRIPTION OF PLAN (CONT.)

H. Hardship Withdrawals

Hardship withdrawals may be permitted for an immediate and heavy financial need, subject to the conditions and limitations of the Plan. Such withdrawals are subject to approval by the Plan Administrator after the participant certifies that the applicable Plan requirements have been satisfied. During the year ended December 31, 2025, hardship withdrawals amounted to $216,326.

I. Forfeited Accounts

Forfeitures of employer contributions can be used to pay plan expenses or are applied to reduce subsequent employer discretionary contributions. In 2025, there were no forfeited nonvested accounts. The balance in the forfeiture account as of December 31, 2025 and 2024 was $31 and $1,932, respectively.

J. Administration Expenses

The Sponsor provided certain administrative and accounting services to the Plan at no cost. Other administrative expenses incurred by the Plan during the year ended December 31, 2025 include loan and withdrawal fees of $33,799, and investment management fees of $66,068 charged directly to the participants' accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accompanying financial statements have been prepared on a modified cash basis of accounting, which is a special purpose framework other than accounting principles generally accepted in the United States of America. Under this basis, contributions, benefit payments, and administrative expenses are generally recognized when received or paid. Investments and notes receivable from participants are measured as described below.

B. Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts of Plan assets and changes therein at the date of the financial statements. The most significant estimate affecting the financial statements is the fair value of investments. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Mutual funds are valued at their published daily closing net asset value. The Plan's interest in the Reliance Trust Company Stable Value FundCollective Investment Trust, Series 25053 is valued at the Fund's reported net asset value per unit as a practical expedient to estimate fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income on investments is recorded when received by the Plan. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

D. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. Participants pay principal and interest through payroll deductions each pay period. Interest income is recognized by the Plan when it is received.

If a participant fails to make scheduled repayments and does not cure the delinquency within the required time period, the loan is treated as a deemed distribution in accordance with Internal Revenue Code requirements and is removed from the Plan’s loan balance.

Loan origination and administrative fees related to participant loans are directly charged to the individual participant’s account. While these fees are not paid by the Plan Sponsor, the related amounts are included as part of the administrative expenses reported in the Plan's financial statements. The Plan does not capitalize or defer any fees or costs associated with participant loans. Accordingly, there is no amortization of deferred loan fees or costs in the Plan’s financial statements.

E. Payment of Benefits

Benefits are recorded when paid.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of fair value hierarchy under this framework are described as follows:

Level 1 Inputs to the valuation methodology are quoted prices (unadjusted) in active markets or identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

a. Quoted prices for similar assets or liabilities in active markets
b. Quoted prices for identical or similar assets or liabilities in inactive markets
c. Inputs other than quoted prices that are observable for the asset or liability
d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds in the Plan are determined to be actively traded.

Collective investment trust – Valued at net asset value ("NAV") per unit as reported by the trustee. The NAV is used as a practical expedient to estimate fair value. Investments measured using the NAV practical expedient are not classified within the fair value heirarchy.

3. FAIR VALUE MEASUREMENTS (CONT.)

The following table sets forth the Plan's assets at fair value as of December 31, 2025 and 2024.

	2025	2024
Level 1:		
Mutual funds	$39,539,852	$31,739,272
Total assets in fair value heirarchy	39,539,852	31,739,272
Investments measured at net asset value	1,435,981	1,584,871
Investments at fair value	$40,975,833	$33,324,143

In accordance with ASC 820, investments measured using the net asset value per share, or its equivalent, practical expedient have not been classified within the fair value hierarchy.

4. COLLECTIVE INVESTMENT TRUST

In 2025 and 2024, Plan participants invested in the Reliance Trust Company Stable Value Fund Collective Investment Trust, Series 25053 ("Fund"), a common collective investment trust. The Fund seeks preservation of principal while providing a rate of return that, over time, is competitive with comparable fixed-income investment products.

The Fund's primary underlying investments include fully benefit-responsive MetLife group annuity contracts. The Plan owns units of the Fund and does not directly hold the underlying investment contracts. The Plan measures its investment in the Fund at the Fund's reported net asset value per unit as a practical expedient to estimate fair value. Participant purchases and redemptions are generally transacted at net asset value.

At December 31, 2025 and 2024, the Plan's investment in the Fund was $1,435,981 and $1,584,871 , respectively.

4. COLLECTIVE INVESTMENT TRUST (CONT.)

The investments measured using the net asset value per share practical expedient are as follows:

Stable value collective investment trust	December 31, 2025	December 31, 2024
Fair value	$1,435,981	$1,584,871
Unfunded commitments	N/A	N/A
Redemption frequency (if currently eligible)	Daily	Daily
Redemption notice period	30 business days	30 business days

5. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

6. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investment in the Reliance Trust Company Stable Value Fund Collective Investment Trust and notes receivable from participants represent party-in-interest transactions. These transactions are intended to qualify for applicable exemptions under ERISA.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsors have the right under the Plan to discontinue their contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

8. TAX STATUS

The Plan utilizes a pre-approved plan document for which the Internal Revenue Service issued a favorable opinion letter dated October 6, 2020. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

The provisions of Accounting for Uncertainty in Income Taxes require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

9. INVESTMENT INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian. Investment information reported by the custodian at December 31, 2025 and 2024 is as follows:

	2025	2024
Investments:		
Mutual funds	$39,539,852	$31,739,272
Common and collective investment trust	1,435,981	1,584,871
Total	$40,975,833	$33,324,143
Changes in net assets:

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. **(2)** ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**			
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	**4b**			
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	**4c**			
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	**4d**			
e Was this plan covered by a fidelity bond?	**4e**			
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	**4f**			
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4g**			
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4h**			
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	**4i**			
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	**4j**			
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	**4k**			
l Has the plan failed to provide any benefit when due under the plan?	**4l**			
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	**4m**			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3	**4n**			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No

If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	**5b(2)** EIN(s)	**5b(3)** PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ..... ☐ Yes ☐ No ☐ Not determined
