Independent Auditors' Report

The Plan Administrator
Mnet Financial, LLC Profit Sharing Plan
Aliso Viejo, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Mnet Financial, LLC Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 18, 2025 and December 31, 2024, the related statements of changes in net assets available for benefits for the period ended December 18, 2025, and the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 18, 2025 and December 31, 2024, and for the period ended December 18, 2025, and the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- **the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).**
- **the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).**

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- **Exercise professional judgment and maintain professional skepticism throughout the audit.**
- **Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.**
- **Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.**
- **Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.**

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

(1) Description of plan

The following description of the Mnet Financial, LLC Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan was a defined contribution plan which was adopted on January 1, 2017, to provide retirement benefits for employees of Mnet Financial, LLC (the "Plan Sponsor" or "Company"). The Plan covered substantially all employees who were age 18 or older (participants). The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was merged into the Secure Future Pooled Employer Plan and all participant account balances and Plan assets, including participant notes receivable, were transferred effective December 18, 2025.

(b) Contributions

Participants were able to voluntarily make qualified retirement contributions to the Plan which were deductible for federal income tax purposes under Section 401(k) of the Internal Revenue Code (IRC) or could have been made after-tax in the form of a Roth contribution. Participants could contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participant contributions were permitted up to 100% of compensation subject to certain IRC limitations. Participants who were age 50 by the end of the plan year were eligible to make additional catch-up contributions to the Plan.

The Plan provided that the Plan Sponsor would contribute each year a Safe Harbor matching contribution in an amount equal to 100% of each participant's contributions up to 3% and 50% match over 3% up to 5% of the participant's eligible compensation.

The Plan allowed for discretionary profit sharing contributions to participants who had completed one year of eligible service, defined in the plan agreement. During 2025 and 2024, the Plan Sponsor did not make any discretionary profit sharing contributions.

Plan Sponsor and participant contributions may not exceed the maximum amount allowable for federal income tax purposes.

(c) Participant accounts

Individual accounts were maintained for each Plan participant. Each participant's account was credited or charged with the participant's contributions, Plan Sponsor contributions, allocations of investment earnings or losses, and administrative expenses. Allocations were based on a participant's compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled was the benefit that can be provided from the participant's vested account balance.

(d) Vesting

Participants were immediately vested in their elective salary deferrals and Safe Harbor matching contributions plus actual earnings and losses thereon. Vesting in the Plan Sponsor's discretionary profit sharing contributions plus actual earnings and losses thereon is based on years of continuous service. Participants were 20% vested after two years of service and 100% after six years of service. The participant must have worked at least 1,000 hours in a plan year to qualify as a vesting year.

(e) Participant notes receivable

Participants could borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The notes were secured by the vested balances in the respective participant accounts and bore interest at fixed rates ranging from 9.50% to 10.50% as of December 18, 2025. Principal and interest were collected ratably through payroll deductions.

(f) Payment of benefits

Upon termination due to death, a participant or their beneficiary was entitled to receive a distribution of the vested interest in his or her account in any form that was available prior to the participant's death. Upon termination of service due to reasons other than death, participants could elect to receive their vested interest as a lump-sum payment or direct rollover.

(g) Forfeited accounts

Forfeitures were created when participants terminated employment prior to becoming fully vested in the Plan Sponsor discretionary profit sharing contribution portion of their accounts. Such forfeitures could be used to reduce the Plan Sponsor's matching contributions to the Plan or pay plan expenses. At December 18, 2025 and December 31, 2024, there were no unallocated forfeitures. In 2025 and 2024, forfeitures of nonvested accounts totaling $5,444 and $9,789 were used to reduce Plan Sponsor contributions.

(h) Administrative expenses

Certain expenses of maintaining the Plan were paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the processing of distributions and the administration of participant notes receivable, transaction expenses, and investment management services were charged directly to the applicable participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value and contract value of investments.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) Investment valuation and income recognition

Investments were stated at fair value (except for the fully benefit-responsive investment contract, which was reported at contract value, see Note 5) as reported by Voya Retirement Insurance and Annuity Company ("Voya"). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5 for discussion of investment valuation.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Participant notes receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes receivable are reclassified as distributions based upon the terms of the plan agreement.

(d) Payment of benefits

Benefits are recorded when paid.

(e) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(f) Events occurring after reporting date

The Plan Sponsor has evaluated events and transactions that occurred between December 18, 2025, and October 7, 2026, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Certain information related to investments presented and disclosed in the accompanying financial statements, including the fair value of investments and the contract value of the investment contract held at December 18, 2025, and December 31, 2024; as well as net appreciation in fair value and contract value of investments for the period ended December 18, 2025, and the year ended December 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Voya.

(4) Investments measured at net asset value using the practical expedient

The Plan's pooled separate accounts were measured at net asset value (NAV) as a practical expedient to estimate fair value, and therefore, have not been classified in the fair value hierarchy. The NAV is based on the market value of the underlying investments held by the pooled separate account at year-end. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the pooled separate accounts, the issuer reserves the right to temporarily delay withdrawal from the pool in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table summarizes investments for which fair value is measured using NAV as a practical expedient as of December 18, 2025 and December 31, 2024. There were no participant redemption restrictions for these investments.

Description	Fair Value 12/18/2025	Fair Value 12/31/2024	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	$0	$6,110,430	N/A	Daily	N/A

The Plan held various pooled separate accounts that are not direct filing entities. These pooled separate accounts had investment strategies that included: various target date and lifestyle funds, international and sector funds, equity and income funds.

(5) Investment contract with insurance company

During 2025 and 2024, the Plan maintained a Guaranteed Investment Contract (GIC) related investment option with Voya, the Voya Fixed Account. The contract underlying this investment option was considered to be fully benefit-responsive. As of December 31, 2024, the contract value of the investment in the Voya Fixed Account was $79,741.

Voya's determination of credited interest rates reflects a number of factors, including mortality and expense risks, interest rate guarantees, the investment income earned on invested assets and the amortization of any capital gains and/or losses realized on the sale of the invested assets. A market value adjustment could apply to amounts withdrawn at the request of the contract holder. The investment contract had a minimum guaranteed interest rate of 1%. The credited interest rate was reset quarterly.

The underlying contract had no restrictions on the use of plan assets and there were no valuation reserves recorded to adjust contract amounts. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limited the ability of the Plan to transact at contract value with the issuer. Such events included the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

(6) Income tax status

The Plan Sponsor adopted a non-standardized pre-approved profit sharing plan, which received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which stated that the pre-approved plan was designed in accordance with the applicable sections of the IRC. The Plan itself has not received a determination letter. The pre-approved plan has been amended since receiving the opinion letter; however, the plan administrator believes that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC.

(7) Related party and party-in-interest transactions

The Plan's investments were managed by Voya and, therefore, those transactions qualify as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid expenses to various service providers and held participant notes receivable which also qualify as party-in-interest transactions.
