BENNETT THRASHER LLP

Independent Auditor's Report

To the Trustees of the
Athens Restaurant Employees' Health Insurance Fund

Opinion

We have audited the accompanying financial statements of Athens Restaurant Employees' Health Insurance Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the statements of net assets available for benefits of the Athens Restaurant Employees' Health Insurance Fund as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule of assets (held at end of year), we evaluated whether the supplemental schedule of assets (held at end of year), including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the supplemental schedule of assets (held at end of year) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1: Description of the Plan

The following description of the Athens Restaurant Employees' Health Insurance Fund (the Plan) provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

General

The Plan provides health and dental benefits covering substantially all active employees of Zaxby's Franchising LLC, Zax LLC, and Restaurant System Solutions, LLC (collectively, the Sponsor). The Plan and related trust were established on March 27, 2006 and have subsequently been amended. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Sponsor has engaged Principal Trust Company (the Trustee) and Stanley, Hunt, Dupree & Rhine, Inc. (SHDR) as its agents to assist in performing specific services covered under the Plan's service agreement. Any regulatory or administrative functions not specifically assigned in the Plan's service agreement remain the responsibility of the Sponsor.

Plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides health (medical, prescription, hospital, and surgical) and dental benefits to full-time employees of the Sponsor (with at least 1,560 hours of service each year) and to their beneficiaries and covered dependents.

With the exception of dental benefits, all of the Plan's benefits are self-insured. The claims are processed by the Plan's third-party claims processor, AmeriBen. The claims processor pays claims directly to or on behalf of participants and are then reimbursed by the Plan's VEBA trust. Despite the Plan's utilization of a third-party claims processor, the ultimate responsibility for payments to providers and participants is retained by the Plan. The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for its self-insured health benefits. Under the provisions of the contract, the annual individual stop-loss limit was $150,000 in 2025, with $1,000,000 in maximum aggregate stop-loss coverage.

The Plan has a contract with Metropolitan Life Insurance Company (MetLife) to provide fully insured dental coverage benefits to its participants. Plan participants have the option to have a specified premium amount withheld from their biweekly paychecks and the Plan remits monthly premiums to Metlife based on the number of covered participants.

During 2025, benefits paid are net of stop-loss reimbursements and pharmacy rebates of $271,459 and $347,197, respectively.

All assets and earnings of the Plan are dedicated to the payment of benefits for eligible participants pursuant to the terms and conditions of the Plan and to cover reasonable administrative expenses of the Plan. Distributions from the Plan are directed by the Sponsor or its authorized agents.

Contributions

The Sponsor's policy is to contribute the maximum amounts allowed as a tax deduction by the Internal Revenue Code (IRC). Under present law, the Sponsor is not permitted to deduct amounts for future benefits to current employees. Employees may contribute specified amounts, determined periodically by the Plan's insurance company, to extend coverage to eligible dependents.

Plan Termination

The Sponsor intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

Cash and Cash Equivalents

The Plan considers all highly liquid investments with an original maturity of three months or less to be cash and cash equivalents. Cash and cash equivalents are comprised of noninterest-bearing checking accounts and an interest-bearing money market account held within a bank-administered trust fund. The Sponsor's investments may not be used for any purpose other than providing health benefits for eligible employees and their beneficiaries.

Receivables

Stop-loss reimbursements and pharmacy rebate receivables are recorded when earned. Reimbursements and rebates due as of year end have been reported as receivables, with the offset being netted against benefits paid.

Payments of Benefits

Benefit payments are recorded when paid by the Plan's third-party claims processors.

Use of Estimates in Financial Statements

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Concentration of Credit Risk

At times, cash and cash equivalent balances may exceed federally insured limits. The Plan believes it mitigates this risk by depositing cash and investing in cash equivalents with major financial institutions.

Benefit Obligations

As of December 31, 2025 and 2024, based largely on subsequent payment activity, the Sponsor estimated that claims incurred but not reported approximated $638,000 and $327,000, respectively. Participants pay the estimated full cost of health benefits under COBRA. Therefore, the Plan does not report postemployment benefit obligations.

Claims Administration Expenses

The Plan has contracted with third-party claims processors whereby participant claims are processed and paid by the claims processors in accordance with provisions of the Plan. The Plan pays monthly fees to the claims processors equal to the number of eligible participants in the Plan multiplied by the rates specified in the contracts, in addition to other administrative services, as defined. During 2025, the Plan incurred $748,356 in fees related to third-party claims processors, which are included in administrative expenses in the accompanying statement of changes in net assets available for benefits.

Stop-Loss

Premiums for stop-loss insurance are included in insurance premiums in the accompanying statement of changes in net assets available for benefits.

Note 3: Tax Status

The trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC). Accordingly, the trust's net interest income is exempt from income taxes. On July 2, 1992, the plan administrator obtained a favorable tax determination letter from the Internal Revenue Service (IRS) which stated that the Plan met the requirements of the IRC. The Plan has been amended since receiving the determination letter and has not received an updated determination letter. However, the plan administrator believes that the Plan is designed and currently operating in compliance with the requirements of the IRC and that the Plan was qualified and tax-exempt as of December 31, 2025.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2023.

Note 4: Reconciliation to Form 5500

The financial information of the Plan, as reported on Form 5500, includes certain plan benefit obligations that are not required to be included in the accompanying financial statements. A reconciliation of the amounts appearing on Form 5500 to the accompanying financial statements follows:

	2025	2024
Net Assets Available for Benefits		
Net assets, as reported on Form 5500	$ 4,863,083	$ 5,727,579
Benefit obligations included in Form 5500	638,000	327,000
Net assets, as reported in the accompanying financial statements	$ 5,501,083	$ 6,054,579
Changes in Net Assets Available for Benefits		
Decrease in net assets, as reported on Form 5500	$ (864,496)	
Adjustment to reverse change in accrued benefit obligations	311,000	
Decrease in net assets, as reported in the accompanying financial statements	$ (553,496)	

Note 5: Risks and Uncertainties

The actuarial present value of the trust's benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note 6: Transactions with Parties-in-Interest

The Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. As described in Note 1, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA. During 2025, $748,356 was paid to these service providers, which is included in administrative expenses in the accompanying statement of changes in net assets available for benefit.

Note 7: Subsequent Events

The Plan Sponsor has evaluated for subsequent events between December 31, 2025, and the report date, the date the financial statements were available for issuance, and has concluded that all subsequent events requiring recognition or disclosure have been incorporated into these financial statements.

BENNETT THRASHER LLP

Independent Auditor's Report

To the Trustees of the
Athens Restaurant Employees' Health Insurance Fund

Opinion

We have audited the accompanying financial statements of Athens Restaurant Employees' Health Insurance Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the statements of net assets available for benefits of the Athens Restaurant Employees' Health Insurance Fund as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

BENNETT THRASHER LLP

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule of assets (held at end of year), we evaluated whether the supplemental schedule of assets (held at end of year), including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the supplemental schedule of assets (held at end of year) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1: Description of the Plan

The following description of the Athens Restaurant Employees' Health Insurance Fund (the Plan) provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

General

The Plan provides health and dental benefits covering substantially all active employees of Zaxby's Franchising LLC, Zax LLC, and Restaurant System Solutions, LLC (collectively, the Sponsor). The Plan and related trust were established on March 27, 2006 and have subsequently been amended. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Sponsor has engaged Principal Trust Company (the Trustee) and Stanley, Hunt, Dupree & Rhine, Inc. (SHDR) as its agents to assist in performing specific services covered under the Plan's service agreement. Any regulatory or administrative functions not specifically assigned in the Plan's service agreement remain the responsibility of the Sponsor.

Plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides health (medical, prescription, hospital, and surgical) and dental benefits to full-time employees of the Sponsor (with at least 1,560 hours of service each year) and to their beneficiaries and covered dependents.

With the exception of dental benefits, all of the Plan's benefits are self-insured. The claims are processed by the Plan's third-party claims processor, AmeriBen. The claims processor pays claims directly to or on behalf of participants and are then reimbursed by the Plan's VEBA trust. Despite the Plan's utilization of a third-party claims processor, the ultimate responsibility for payments to providers and participants is retained by the Plan. The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for its self-insured health benefits. Under the provisions of the contract, the annual individual stop-loss limit was $150,000 in 2025, with $1,000,000 in maximum aggregate stop-loss coverage.

The Plan has a contract with Metropolitan Life Insurance Company (MetLife) to provide fully insured dental coverage benefits to its participants. Plan participants have the option to have a specified premium amount withheld from their biweekly paychecks and the Plan remits monthly premiums to Metlife based on the number of covered participants.

During 2025, benefits paid are net of stop-loss reimbursements and pharmacy rebates of $271,459 and $347,197, respectively.

All assets and earnings of the Plan are dedicated to the payment of benefits for eligible participants pursuant to the terms and conditions of the Plan and to cover reasonable administrative expenses of the Plan. Distributions from the Plan are directed by the Sponsor or its authorized agents.

Contributions

The Sponsor's policy is to contribute the maximum amounts allowed as a tax deduction by the Internal Revenue Code (IRC). Under present law, the Sponsor is not permitted to deduct amounts for future benefits to current employees. Employees may contribute specified amounts, determined periodically by the Plan's insurance company, to extend coverage to eligible dependents.

Plan Termination

The Sponsor intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

Cash and Cash Equivalents

The Plan considers all highly liquid investments with an original maturity of three months or less to be cash and cash equivalents. Cash and cash equivalents are comprised of noninterest-bearing checking accounts and an interest-bearing money market account held within a bank-administered trust fund. The Sponsor's investments may not be used for any purpose other than providing health benefits for eligible employees and their beneficiaries.

Receivables

Stop-loss reimbursements and pharmacy rebate receivables are recorded when earned. Reimbursements and rebates due as of year end have been reported as receivables, with the offset being netted against benefits paid.

Payments of Benefits

Benefit payments are recorded when paid by the Plan's third-party claims processors.

Use of Estimates in Financial Statements

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Concentration of Credit Risk

At times, cash and cash equivalent balances may exceed federally insured limits. The Plan believes it mitigates this risk by depositing cash and investing in cash equivalents with major financial institutions.

Benefit Obligations

As of December 31, 2025 and 2024, based largely on subsequent payment activity, the Sponsor estimated that claims incurred but not reported approximated $638,000 and $327,000, respectively. Participants pay the estimated full cost of health benefits under COBRA. Therefore, the Plan does not report postemployment benefit obligations.

Claims Administration Expenses

The Plan has contracted with third-party claims processors whereby participant claims are processed and paid by the claims processors in accordance with provisions of the Plan. The Plan pays monthly fees to the claims processors equal to the number of eligible participants in the Plan multiplied by the rates specified in the contracts, in addition to other administrative services, as defined. During 2025, the Plan incurred $748,356 in fees related to third-party claims processors, which are included in administrative expenses in the accompanying statement of changes in net assets available for benefits.

Stop-Loss

Premiums for stop-loss insurance are included in insurance premiums in the accompanying statement of changes in net assets available for benefits.

Note 3: Tax Status

The trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC). Accordingly, the trust's net interest income is exempt from income taxes. On July 2, 1992, the plan administrator obtained a favorable tax determination letter from the Internal Revenue Service (IRS) which stated that the Plan met the requirements of the IRC. The Plan has been amended since receiving the determination letter and has not received an updated determination letter. However, the plan administrator believes that the Plan is designed and currently operating in compliance with the requirements of the IRC and that the Plan was qualified and tax-exempt as of December 31, 2025.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2023.

Note 4: Reconciliation to Form 5500

The financial information of the Plan, as reported on Form 5500, includes certain plan benefit obligations that are not required to be included in the accompanying financial statements. A reconciliation of the amounts appearing on Form 5500 to the accompanying financial statements follows:

	2025	2024
Net Assets Available for Benefits		
Net assets, as reported on Form 5500	$ 4,863,083	$ 5,727,579
Benefit obligations included in Form 5500	638,000	327,000
Net assets, as reported in the accompanying financial statements	$ 5,501,083	$ 6,054,579
Changes in Net Assets Available for Benefits		
Decrease in net assets, as reported on Form 5500	$ (864,496)	
Adjustment to reverse change in accrued benefit obligations	311,000	
Decrease in net assets, as reported in the accompanying financial statements	$ (553,496)	

Note 5: Risks and Uncertainties

The actuarial present value of the trust's benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note 6: Transactions with Parties-in-Interest

The Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. As described in Note 1, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA. During 2025, $748,356 was paid to these service providers, which is included in administrative expenses in the accompanying statement of changes in net assets available for benefit.

Note 7: Subsequent Events

The Plan Sponsor has evaluated for subsequent events between December 31, 2025, and the report date, the date the financial statements were available for issuance, and has concluded that all subsequent events requiring recognition or disclosure have been incorporated into these financial statements.
