To the Participants and Trustees of
Creative Business Solutions, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed audits of the accompanying financial statements of Creative Business Solutions, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Creative Business Solutions, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section --

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Platform CPAs, LLP

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Creative Business Solutions, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Creative Business Solutions, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements - Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Creative Business Solutions, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Creative Business Solutions, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter –Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Contributions

Each year, as defined by the Plan, participants may elect to defer up to 90% of their plan compensation as pre-tax elective deferrals, subject to the annual dollar limits on elective deferrals under the Internal Revenue Code.

Compensation, as defined by the Plan, generally consists of wages reported as taxable wages on Form W-2, subject to the adjustments and limitations specified in the Plan document. For any self-employed individual, Plan compensation means earned income, as in the case of any shareholder-employee or owner-employee.

The Plan provides for employee elective deferral, rollovers, and employer Safe Harbor contributions equal to 100% of employee elective deferrals, up to 3% of the participant's compensation, as defined in the Plan document. Employer discretionary non-elective contributions may also be made at the discretion of the Plan Sponsor. The annual dollar limits in effect for years 2025 and 2024 were $23,500 and $23,000, respectively. For participants who attained age 50 or older by the end of the applicable calendar year, the catch-up contribution limit was $7,500 for both 2025 and 2024. For participants who attained ages 60 through 63 during 2025, the applicable higher catch-up contribution limit was $11,250.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Contributions (continued)

The Company makes an employer Safe Harbor contribution equal to 100% of each eligible participant's elective deferrals, including catch-up contributions as provided by the Plan, that do not exceed 3% of Plan compensation. Employer Safe Harbor contributions to the Plan for the year ended December 31, 2025 was $108,659.

The Company may also make discretionary non-elective contributions at the option of the Company. Discretionary employer non-elective contributions for the year ended December 31, 2025 was $257,793.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Plan earnings and charged with an allocation of administrative expenses when paid from the Plan assets. Allocations are based on a pro-rata basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Plan holds an interest in a general account backed group annuity contract issued by Principal Life Insurance Company, a fully benefit-responsive investment contracts. Fully benefit-responsive investment contracts are presented at contract value, which represents contributions plus earnings, less participant withdrawals and administrative expenses. Contract value is the relevant measurement attribute for the portion of net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The general account backed group annuity contract is excluded from the fair-value hierarchy when presented at contract value. The crediting interest rate was 2.87% as of December 31, 2025, and 2.73% as of December 31, 2024. The average yield earned during the year was approximately 3.0%. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the investment at contract value.

Investment Options

Contributions to the Plan are invested by the Trustee in various investment funds, according to participant instructions. The Plan Administrator provides participants with copies of the current prospectus describing each investment option.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their elective deferral, rollover, qualified non-elective, and Safe Harbor contribution accounts, including related earnings. Employer non-elective discretionary contributions, if any, vest based on the participant's years of vesting service using a six-year graded vesting schedule: 0% for less than two years of service, 20% per year until full vesting occurs at six years of service Participants become fully vested upon reaching normal retirement age, death, or disability, as provided by the Plan document.

Payment of Benefits

Upon termination of employment, retirement, death, disability, or another distributable event permitted under the Plan, participants may receive distributions in accordance with the Plan provisions. If a participant's vested account balance does not exceed $5,000, the vested account balance will be distributed from the Plan without participant consent. If the vested account balance exceeds $5,000, participant consent is required before a distribution is made. In-service distributions are permitted upon attainment of age 59½ or in cases of financial hardship. The participant may elect to receive his or her vested benefit in a single lump sum or have the payment paid as a direct rollover to an individual retirement account (IRA) or to another employer's tax-qualified plan.

Forfeitures

Forfeitures resulting from terminated non-vested participants may be used to pay plan administrative expenses, restore previously forfeited balances, reduce employer contributions, or be allocated as employer contributions, as permitted by the Plan document. During 2025, non-vested forfeited amounts were $16,023 and were used during 2025 in accordance with the Plan document. At December 31, 2025 the Plan held $6,486 in forfeited nonvested accounts.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

Cash and cash equivalents represent monies deposited with the Plan Trustee which, at year end, were unallocated to investment accounts.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note H for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Participants may borrow from their account balances a minimum of $1,000 up to a maximum equal to the lesser of $50,000, as adjusted for certain outstanding loan balances during the preceding 12-month period, or 50% of their vested account balance. A participant may have no more than one loan outstanding at any time. Loans generally must be repaid in substantially equal payments over a period not exceeding five years through payroll deductions, unless the loan is used to acquire a principal residence, as permitted by the Plan. The notes are secured by the participant's vested account balance and bear interest at the Wall Street Journal rate in effect on the date of the loan plus 1%.

As of December 31, 2025 and 2024, notes receivable from participant loans were $102,572 and $100,963, respectively. Management believes the notes receivable from participant loans to be fully collectible.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

NOTE D – TAX STATUS

The Plan is part of a prototype plan provided by Principal Life Insurance Company. No determination letter is provided to the Company, but the Internal Revenue Service has determined and informed Principal Life Insurance Company, by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan Administrator believes that the Plan, as amended and restated effective October 1, 2021, is designed and is currently being operated in compliance with the applicable provisions of the IRC.

NOTE E – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment, it is at least reasonably possible that changes in the value of investment securities will occur in the near term, and that such changes could materially affect participants account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to reduce or discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their entire account.

NOTE G – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements to Schedule H of Form 5500 at December 31:

	2025	2024
Net assets available for plan benefits per the financial statements	$ 5,941,180	$ 5,267,903
Net assets available for plan benefits per the Form 5500	$ 5,941,180	$ 5,267,903
Total contributions per the financial statements	$ 740,625	$ 766,618
Total contributions per the Form 5500	$ 740,625	$ 766,618

NOTE H – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. Investments measured at NAV as a practical expedient, including the Plan's insurance company pooled investments and common/collective trusts, are not classified in the fair value hierarchy, nor are the Plan's investments in annuity contracts which are measured at contract value.

Level 1 Fair Value Measurements

The fair value of mutual funds in registered investment accounts is based on quoted net asset values of the shares held by the Plan at year end.

NOTE H – FAIR VALUE MEASUREMENTS (CONTINUED)

Investments Measured at NAV

The Plan invests in pooled investments owned by an insurance company and in common/collective trusts which both types of investments are measured at NAV as a practical expedient. The NAV is based on the value of the underlying assets held within each investment vehicle, less its liabilities, divided by the number of units outstanding. Participant transactions are generally permitted at NAV, subject to the terms of the applicable investment vehicle. Because these investments are measured at NAV as a practical expedient, they are not included in Levels 1, 2, or 3 of the fair value hierarchy.

Investments Measured at Contract Value

The Plan has an investment in a Fully Benefit Responsive Investment Contract (FBRIC) which is measured at contract value and is exempt from GAAP's three level fair market hierarchy system.

The following tables sets forth, by level within the fair value hierarchy, the Plan's investments measured at fair value as of December 31, 2025 and 2024. Investments in insurance company pooled accounts and common/collective trusts measured at NAV as a practical expedient, and investments in insurance contracts, measured at contract value, are presented separately and are not classified within the fair value hierarchy:

December 31, 2025	Fair Value	Level 1 Input
Investments measured in the fair value hierarchy – Level 1:		
Registered investment companies	$ 621,988	$ 621,988
Measured at NAV (Practical Expedient):		
Insurance company pooled investments	951,036	
Common/collective trusts	3,811,727	
Measured at Contract Value:		
Fully benefit responsive insurance contracts	78,446	
Total investments, at fair value	$ 5,463,197	

NOTE H – FAIR VALUE MEASUREMENTS (CONTINUED)

December 31, 2024	Fair Value	Level 1 Input
Investments measured in the fair value hierarchy – Level 1:		
Registered investment companies	$ 387,952	$ 387,952
Measured at NAV (Practical Expedient):		
Insurance company pooled investments	845,995	
Common/collective trusts	3,496,652	
Measured at Contract Value:		
Fully benefit responsive insurance contracts	55,871	
Total investments, at fair value	$ 4,786,470	

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2025, is reported in net appreciation in fair value of investments.

NOTE I – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Principal Life Insurance Company manages certain investments of the Plan. As a result, Principal Life Insurance Company qualifies as a party-in-interest to the Plan with respect to transactions related to these funds. The fair market value of the funds managed by Principal Life Insurance Company totaled $5,463,197 and $4,786,470 for the years ended December 31, 2025 and 2024, respectively.

Investment management services paid by the Plan amounted to $46,298 for the year ended December 31, 2025.

NOTE J – SUBSEQUENT EVENTS

The Plan has evaluated Subsequent events for disclosure in these financial statements through September 30, 2026, which is the date the financial statements were available to be issued.
