INDEPENDENT AUDITOR'S REPORT

October 6, 2026

To the Plan Administrator of the
Neighborhood Center, Inc.
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed an audit of the financial statements of the Neighborhood Center, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employees Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as December 31, 2025 and 2024 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Neighborhood Center, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Neighborhood Center, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Neighborhood Center, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Neighborhood Center, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Neighborhood Center, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The Supplemental Schedule of Assets (Held At End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - Description of Plan:

The following description of the Neighborhood Center, Inc. ("Company") 401(k) Profit-Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. General - The Plan is a defined contribution plan covering all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

B. Eligibility - Employees are eligible to participate in the Plan upon attaining age twenty-one. To be eligible to receive an allocable share of Company contributions, an employee must, in addition of attaining age twenty-one, have completed one year of service.

C. Contributions - Participants may contribute up to 100% of pre-tax annual compensation to a maximum of $23,500 for 2025. Participants who have attained age 50 before the end of the plan year may make "catch-up" contributions of up to $7,500 and those participants between the ages of 60-63 may make an additional $3,750 contribution. Participants may also make "rollover" contributions from other qualified plans.

The Company may contribute to the Plan by making a discretionary matching and/or profit-sharing contributions. Matching contributions equal a discretionary percentage, to be determined by the employer, of the participant's elective deferrals. Profit-sharing contributions, as determined by the employer, must be allocated to each participant in the same ratio as each participant's compensation bears to the total compensation of all participants. During the plan years ended December 31, 2025 and 2024, the Company elected to make 4% profit sharing contributions of approximately $350,000 and $310,000, respectively.

D. Participant Accounts - Each participant's separate account is credited with the participant's contribution and their share of the Company's contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan, see Note 2 (E). Participants direct investment of their account into various investment options selected by the Plan's administration. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

E. Vesting - Participants are vested immediately in their contributions and actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. A participant is 100% vested after three years of credited service (cliff vesting). A participant is also 100% vested upon reaching early retirement age, or in the event of death or disability while employed by the Company.

F. Payment of Benefits – Upon termination of service due to death, disability, or retirement, a participant (or their beneficiaries) will receive a lump sum distribution as soon as administratively feasible following the date on which a distribution is requested or otherwise payable.

G. Forfeited Accounts – Forfeited nonvested accounts will be used to reduce future Company contributions or plan administration expense. Amounts used to reduce Company contributions were immaterial for all years presented. The amounts used to reduce administrations expense were approximately $20,000 for all years presented.

NOTE 1 - Description of Plan (Continued):

H. Withdrawals and Loans - The Plan allows for financial hardship withdrawals for college education, purchase of a primary residence, prevention of eviction or foreclosure, and medical expenses. The Plan also allows for in-service withdrawals to participants attaining age 59 ½. The Plan does not allow for participant loans.

NOTE 2 - Summary of Significant Accounting Policies:

A. Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

B. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the U.S. requires the plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's realized gains and losses on investments sold during the year as well as unrealized gains and losses on investments held at year end.

D. Payments of Benefits

Benefit payments to participants are recorded when paid.

E. Expenses

Certain expenses of maintaining the Plan are paid by the Plan. Expenses that are paid by the Company, such as audit fees are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 2 - Summary of Significant Accounting Policies (Continued):

F. Date of Management's Review of Subsequent Events

The Plan has evaluated subsequent events through October 6, 2026, the date the financial statements were available to be issued. There were no subsequent events requiring recording or disclosure in the financial statements.

NOTE 3 - Fair Value Measurement:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy give the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are describe as follows:

- Level 1 - Inputs consist of unadjusted quoted prices in active markets for identical assets that the Plan has the ability to access.

- Level 2 - Inputs consist of quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable for assets.

  If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the Fair Value of its investments. When available, the Plan will maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

Mutual Funds: Are valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1 inputs).

Common Collective Trust: Are valued at Net Assets Value (NAV) of the Plan's units held of the Collective Trust Fund (the "Trust") as of the close of business on each valuation date reported by the trust. The Trust NAV is computed by dividing the total asset for the Fund, less its liabilities, by the total number of units outstanding. The Trust is not registered under the Investment Company Act and the units are not registered under the Securities Act. The practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV.

NOTE 3 – Fair Value Measurement (Continued):

Investments measured using the NAV per share (or its equivalent) practical expedient method are not part of the fair value hierarchy. The fair value amounts presented in the table below are included for reconciliation purposes to the statement of net assets available for benefits.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis as of December 31, 2025 and 2024:

December 31, 2025	Total	Level 1
Mutual Funds	$ 7,995,615	$ 7,995,615
Total Investments in the Fair Value Hierarchy	7,995,615	7,995,615
Investments Measured at NAV	1,596,521	-
Total Investments at Fair Value	$ 9,592,136	$ 7,995,615

December 31, 2024	Total	Level 1
Mutual Funds	$ 7,313,008	$ 7,313,008
Total Investments in the Fair Value Hierarchy	7,313,008	7,313,008
Investments Measured at NAV	1,522,017	-
Total Investments at Fair Value	$ 8,835,025	$ 7,313,008

NOTE 4 - Tax Status:

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving that determination letter, the Plan administrator and the Company believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

The tax status of the Plan is subject to audit. Generally, years after January 1, 2023 are open to audit.

NOTE 5 - Inactive Accounts

Accounts of participants who have withdrawn from participation in the Plan, but for whom disbursement from the Plan has not been made totaled approximately $2,280,000 and $2,270,000 at December 31, 2025 and 2024, respectively

NOTE 6 - Plan Termination:

Although the Company has not expressed any intent to do so, it has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their employer contributions.

NOTE 7 - Risks, Uncertainties and Concentrations:

The Plan's investments are exposed to various risks such as interest rate, credit, and overall market risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and possible that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan's assets, although diversified through investment in several different mutual funds, are all held by a single custodian, Unified Trust, a division of American Trust Company. The plan is dependent on that Custodian for the safeguarding of its assets.

NOTE 8 - Related-Party and Party-In-Interest Transactions:

Certain Plan investments are managed by American Trust Company (ATC). ATC is the Custodian for the Plan and, therefore, these transactions qualify as Party-In-Interest transactions.

NOTE 9 - Financial Information Certified by the Custodian:

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, net appreciation in fair value of investments, interest and dividends for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by American Trust Company, (the trustee and custodian of the Plan).
