INDEPENDENT AUDITOR'S REPORT

October 7, 2026

To the Plan Administrator of
AccessCNY, Inc. Employees' Retirement Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of AccessCNY, Inc. Employees' Retirement Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT
(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)
In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA
The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following brief description of the AccessCNY, Inc. Employees' Retirement Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide retirement benefits to employees of AccessCNY, Inc. There are no years of service or age requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

AccessCNY, Inc. sponsors and administers the Plan. Reliance Trust Company (Reliance) was the custodian of the Plan's assets through June 30, 2024. Beginning July 1, 2024, Transamerica Trust Company (TTC) became the custodian of the Plan's assets. Transamerica Financial Life Insurance Company, Inc. (TFLIC) is the custodian of the Plan's stable value fund. Transamerica Retirement Solutions, LLC (Transamerica) is the recordkeeper of the Plan. Actuarial Pension Analysts, Inc. (APA) is the third-party administrator of the Plan.

Contributions

Each year, participants may elect to contribute a percentage of their annual wages on a pre-tax basis to the Plan. Participants age 50 and over are also permitted to make additional "catch-up" contributions. Contributions are subject to certain limitations as defined by the Plan and the Internal Revenue Code (the Code). Participants may also contribute amounts representing rollovers from other qualified defined benefit or defined contribution plans.

The Plan provides for matching contributions by AccessCNY, Inc. AccessCNY, Inc.'s matching contribution was equal to 50% of the participant's elective deferrals up to a maximum of 6% of eligible compensation. In addition, AccessCNY, Inc. may make annual discretionary contributions to the Plan. Discretionary contributions of $70,000 and $69,000 were made for 2025 and 2024, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions, AccessCNY, Inc.'s contributions, account earnings/losses and administrative expenses. Participants direct the investment of the contributions into various options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their own contributions and matching contributions and earnings/losses thereon. A participant is 100% vested in AccessCNY, Inc.'s discretionary contributions plus earnings/losses thereon after six years of credited service if they occurred prior to April 1, 2024. The Plan was amended beginning April 1, 2024 to provide participants with immediate vesting in all contribution types.

1. DESCRIPTION OF PLAN (Continued)

Hardship Withdrawals
The Plan allows for hardship withdrawals from a participant's account. Such withdrawals are regulated by the Internal Revenue Services (IRS).

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Plan participants may borrow up to 50% of the amount of their vested interest in the Plan and may have a maximum of one outstanding loan. The minimum loan is $500 and the maximum loan is $50,000. Participants' loans are secured by their vested account balances and bear interest at rates ranging from 5.25% to 10.5%.

Payment of Benefits
A participant may withdraw any part of their vested account upon termination of service. A participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest in their account in either a lump-sum amount, or in periodic payments if the vested balance exceeds $1,000. Participants may also withdraw amounts in the event of undue hardship or disability.

Forfeitures
Forfeited, non-vested accounts are used to reduce future AccessCNY, Inc. contributions or to pay administrative expenses of the Plan. The amounts used to pay administrative expenses and reduce future employer AccessCNY, Inc. contributions were approximately $32,373 and $13,077, in 2025 and 2024, respectively. Unallocated forfeitures were $504 and $11,023 as of December 31, 2025 and 2024, respectively.

Administrative Expenses
Substantially all administrative expenses associated with the Plan are paid by participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Investment Valuation and Income Recognition
Investments in mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in fully benefit responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits attributable to fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

All investments are participant directed.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties
Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

Fair Value of Financial Instruments
Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly, are considered level 2 measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Payment of Benefits
Benefits are recorded when paid.

Estimates
The preparation of financial statements in accordance with GAAP requires the Plan Administrator to make estimates and assumptions that may affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information included in the financial statements and accompanying supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodians Reliance for the period from January 1, 2024 to June 30, 2024 and by TTC and TFLIC for the periods from July 1, 2024 to December 31, 2024 and January 1, 2025 to December 31, 2025.

	2025	2024
Investments	$ 17,163,457	$ 15,653,972
Notes receivable from participants	$ 161,185	$ 154,712
Interest income	$ 551,034	$ 461,391
Interest on notes receivable from participants	$ 13,669	$ 10,176
Net appreciation in fair value of investments	$ 1,852,669	$ 1,133,121
Schedule H, Line 4i Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The following sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$16,867,967	$ -	$ -	$16,867,967

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$15,382,774	$ -	$ -	$15,382,774

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds: Valued at the net asset value of shares held at year end based on quoted prices in active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no changes in the valuation techniques during 2025 and 2024.

5. STABLE VALUE FUND

The Plan is invested in a fully benefit-responsive investment contract with Transamerica Financial Life Insurance Company. Transamerica Financial Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the credited interest rate and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The interest rate was 1.70% through June 30, 2025 and then changed to 1.60% for the remainder of 2025.

As described in Note 2, because the stable value fund is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The stable value fund is not considered a guaranteed interest contract and there is no stated minimum or maximum interest rate. Contract charges may reduce the return. Prior to January 1 and July 1, the effective annual rate of interest is established for the corresponding six-month period. Although plan participants generally may withdraw assets from the stable value fund without restrictions, Transamerica Financial Life Insurance Company may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with the Plan participants are probable of occurring. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, AccessCNY, Inc. has the right to terminate the Plan at any time, subject to the provisions of ERISA.

7. TAX STATUS

The IRS has determined and informed AccessCNY, Inc. by a letter dated March 14, 2005 that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The classification of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, differs between these financial statements and Form 5500. However, the total net assets available for benefits and the total changes in net assets available for benefits for the years then ended agrees between these financial statements and Form 5500.

9. PARTY-IN-INTEREST TRANSACTIONS

Reliance was the custodian of the Plan's assets through June 30, 2024. Beginning July 1, 2024, TTC became the custodian of certain of the Plan's assets. TFLIC is the custodian of the Plan's stable value fund. Transamerica is the recordkeeper of the Plan. APA is the third-party administrator of the Plan. As such, transactions between Reliance, TTC, TFLIC, Transamerica, APA and the Plan qualified as party-in-interest transactions. Additionally, notes receivable from participants qualified as party-in-interest transactions.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 7, 2026, which is the date the financial statements were available to be issued.
