# Independent Auditors' Report

The Participants and Plan Administrator
KOREAN AIR LINES COMPANY, LTD.
EMPLOYEE WELFARE PLAN:

## Opinion

We have audited the accompanying financial statements of KOREAN AIR LINES COMPANY, LTD. EMPLOYEE WELFARE PLAN (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and plan benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audits of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

## (1) Description of Plan

The following description of KOREAN AIR LINES COMPANY, LTD. EMPLOYEE WELFARE PLAN (the "Plan") provides only general information about the Plan's provisions. Participants should refer to the Plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

### *(a) General*

The Plan provides health and other benefits to full-time employees of KOREAN AIR LINES COMPANY, LTD. (the "Company") and any part-time employees who work at least 20 hours per week and covered dependents. Certain Plan assets are held in a Voluntary Employees' Beneficiary Association ("VEBA") trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

### *(b) Contributions*

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Participants pay the full cost of vision insurance, supplemental and dependent life insurance, and short-term or long-term disability insurance programs based on the current group rate premium cost. The Company pays the full cost of basic life insurance, accidental death and dismemberment insurance, and stop loss insurance.

The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's benefit obligations over net assets available for benefits is funded by the Company on a pay-as-you-go basis.

### *(c) Benefits*

The Plan provides health benefits (medical, dental, vision and prescription drugs), life insurance, short-term and long-term disability benefits, and accidental death and dismemberment benefits. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

### *(d) Self-insured Benefits*

All other Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only ("ASO") arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan's VEBA trust or the general assets of the Company. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager ("PBM") which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

### *(e) Stop Loss Coverage*

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

***(f) Insured Benefits***

The Plan offers various fully insured programs that participants can choose. The Plan fully insures the vision benefits, life insurance benefits (basic and dependent), accidental death and dismemberment benefits (basic and dependent), and short-term and long-term disability benefits. Premiums for vision benefits, supplemental life insurance benefits, and short-term and long-term disability benefits are paid by participants. Premiums for all other insured are paid from the general assets of the Company.

## (2) Summary of Significant Accounting Policies

***(a) Basis of Accounting***

The accompanying statements of benefit obligations and net assets available for benefits and changes in benefit obligations and net assets available for benefits have been prepared on the accrual basis of accounting.

***(b) Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of the Plan assets and liabilities at the financial statement date. Accordingly, actual results may differ from those estimates.

***(c) Cash***

Cash consists of bank deposits. Financial instruments that potentially subject the Plan to credit risk consist primarily of cash. The Plan maintains its cash accounts with a high quality financial institution, which, at times, may exceed federally insured coverage. At December 31, 2025 and 2024, the Plan has no cash balances in excess of the Federal Deposit Insurance Corporation ("FDIC") insured limits.

***(d) Pharmacy Rebate***

Refunds due from the Plan's PBM are recorded when earned. Refunds due as of the financial statement date have been reported as a pharmacy rebate receivable, with the offset being netted against claims paid. Pharmacy rebates totaling $269,166 have been netted with claims paid in the accompanying statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2025.

***(e) Payment of Benefits***

Premiums paid by either participants and the Company are recorded as premium paid in the accompanying statement of changes in benefit obligations and net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as benefits payable in the accompanying statements of benefit obligations and net assets available for benefits. Claims paid for medical, dental and prescription drugs are paid by the VEBA trust. These payments are recorded as claims paid in the accompanying statement of changes in benefit obligations and net assets available for benefits.

***(f) Stop Loss***

Stop loss premiums are included in premiums paid, and stop loss reimbursements are netted with claims paid in the accompanying statement of changes in benefit obligations and net assets available for benefits. Stop loss reimbursements receivable were $5,708 at December 31, 2025.

## (3) Claims Incurred but not Reported

Plan obligations at December 31 for claims incurred but not reported are estimated by the Plan management based on claims data provided by the Plan's third-party claims processors. These amounts are paid by the Plan only if claims are submitted and approved for payment.

## (4) Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims processors. These expenses are reported on the statement of changes in benefit obligations and net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

## (5) Tax Status

Plan assets are held in a separate non-interest bearing bank account, which under the Department of Labor rules is treated as a trust. Any income generated would be includible in the Company's taxable income. The trust obtained a favorable tax determination letter from the Internal Revenue Service ("IRS") and the plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The IRS is one of the primary tax oversight bodies of the Plan and generally has the ability to examine the Plan's tax returns for the years 2022 through 2025; however, there are currently no audits for any tax periods in progress.

## (6) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

## (7) Related Party Transactions

As described in Note 1 to the financial statements, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

## (8) Subsequent Events

The Plan Sponsor has evaluated subsequent events from the balance sheet date through September 30, 2026, the date at which the financial statements were available to be issued and has determined that there are no other items to disclose.
