INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Creative Minds International PCS 401(k) Profit Sharing Plan
Washington, D.C.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Creative Minds International PCS 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Creative Minds International PCS 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from ADP Retirement Trust Services, LLC as of December 31, 2025, and for the year ended December 31, 2025, and Reliance Trust Company as of December 31, 2024, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Creative Minds International PCS 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Creative Minds International PCS 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Creative Minds International PCS 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Creative Minds International PCS 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance

CREATIVE MINDS INTERNATIONAL PCS 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN

The following description of the Creative Minds International PCS ("Company") 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

   The Plan is a defined contribution 401(k) and profit-sharing plan sponsored by Creative Minds International Public Charter School for the benefit of its employees who have reached the age of 21 with no entry service period. The participating employer is referred to as "Company" throughout the financial statement disclosures.

   The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA). ADP Retirement Trust Services, LLC is the current custodian of the Plan. Craig Bednarovsky is the trustee of the Plan.

2. Contributions

   The Plan permits eligible employees through a salary deferral election to have the Company make annual contributions up to 90% of eligible compensation. Employee rollover and employee Roth contributions are also permitted. Eligible employees are automatically enrolled with a non-escalating deferral provision percentage of 1%. Participants who have obtained age 50 before the end of the plan year are eligible to make catch-up contributions. The Company makes matching contributions. For the Plan years ended December 31, 2025 and 2024, the Company matched 100% of the employee's salary deferral amount on the first 3% of the employee's compensation. Contributions are subject to certain statutory limitations. The limit on employee elective deferrals was $23,500 for 2025. Participants who have attained the age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants over age 50 may contribute an additional $7,500 in 2025. Participants who attain ages 60 through 63 during 2025 may contribute an additional $11,250.

3. Participant Investment Account Options

   Investment account options available include various mutual funds. Each participant has the option of directing their contributions into any of the separate mutual funds offered by the Plan and may change the allocation daily.

4. Participant Accounts

   Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and (b) plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(Continuation of the notes on the next page.)

NOTE A – DESCRIPTION OF PLAN, continued

5. Vesting

Participants are immediately vested in their voluntary contributions, including rollover contributions, plus earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings is immediately vested.

6. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Participants may have a maximum of two outstanding loans at any time. The notes are secured by the balance in the participant's account. The loan interest is based on the prime rate plus 2%. Principal and interest is paid ratably through payroll deductions unless the participant is paying the loan in full. The term of repayment will not be greater than five (5) years except when related to the purchase of a principal residence, which can extend the term of repayment up to thirty (30) years. There were $22,259 and $54,865 of outstanding participant loans receivable as of December 31, 2025 and 2024, respectively.

7. Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's account or annual installments over a period of time. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship distributions may also be granted in accordance with plan provisions and distributions of rollovers are permitted at any time.

8. Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $0. Any balance in these accounts would be used to reduce future employer contributions. During 2025 and 2024, there were not any reductions of employer contributions from forfeited nonvested accounts.

9. SECURE 2.0 Act

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. The legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management adopted mandatory provisions and continues to evaluate the impact of the adoption and implementation of this legislation on the Plan. The application of SECURE 2.0 Act did not have a material effect on the Plan's financial statements.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

(Continuation of the notes on the next page.)

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

2. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

3. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices, if applicable, are used to value investments. Mutual funds are valued at net asset value (NAV) of shares held by the plan at year end. See Note E for discussion of fair value measurements.

The income on investments is recognized as an appreciation or depreciation of the net unit value of each fund. The funds separately distribute interest, dividends, and capital gains to the participants. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

4. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

5. Payment of Benefits

Benefits payments to participants are recorded when paid.

6. Administrative Expenses

Administrative expenses may be paid by the Company or the Plan at the Company's discretion. Investment related expenses are included in net appreciation in fair value of investments.

7. Related Party Transactions

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE C – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR

NOTE C – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN, continued

2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, ADP Retirement Trust Services, LLC for the year ended December 31, 2025 and Reliance Trust Company for the year ended December 31, 2024, the custodians of the Plan, have certified the following information included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments at fair value and notes receivable from participants as shown in the statements of net assets available for benefits and related disclosures as of December 31, 2025 and 2024.

- Net appreciation (depreciation) in fair value of investments including interest and dividend income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024.

- Investment information included on the accompanying schedule of assets (held at year end) as of December 31, 2025.

	2025	2024
Investments, at fair value:		
Investments in registered investment companies and common collective trusts	$ 3,520,587	$ 3,015,149
Notes receivable from participants	$ 22,259	$ 54,865
Investment income	$ 574,993	$ 326,283
Interest income on notes receivable from participants	$ 3,592	$ 3,038

NOTE D – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The Plan issues loans to participants, which are secured by the participant's account balance. The loan transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than direct payment. The Company Sponsor pays directly any other fees related to the Plan's operations.

(Continuation of the notes on the next page.)

NOTE D – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS, continued

The Plan paid $23,473 of recordkeeping fees to ADP Retirement Trust Services, LLC during 2025. The Plan paid $17,872 of recordkeeping fees to Reliance Trust Company during 2024. The Company provides certain administrative services at no cost to the Plan.

These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE E – DISCLOSURES ABOUT FAIR VALUE OF PLAN ASSETS AND LIABILITIES

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

Level 1 Unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority.

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable market data for substantially the full term of the assets or liabilities.

Level 3 Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities and have the lowest priority.

The Plan has a common collective fund valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. In accordance with GAAP, investments measured at NAV as a practical expedient are not classified within the fair value hierarchy. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Plan participants of these funds may make withdrawals on a daily basis. Employer initiated events requiring withdrawal may be required to provide written notice twelve months in advance. These funds have no unfunded commitments as of December 31, 2025 and 2024.

The underlying securities in common collective trusts are listed on national securities exchanges and valued on the basis of year-end closing prices. The Plan has concluded that the NAV as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by the insurance company approximates fair value of the investments. The investments are redeemable at the adjusted net asset value under agreements with the insurance company.

(Continuation of the notes on the next page.)

NOTE E – DISCLOSURES ABOUT FAIR VALUE OF PLAN ASSETS AND LIABILITIES, continued

It is possible that the redemption rights may be restricted or eliminated in the future. The nature of the investments, changes in market conditions, liquidity requirements, and the economic environment may significantly affect the net asset value of the common collective trust accounts and, consequently, the fair value of the Plan's investments.

Recurring Measurements

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Level 1	Level 2	Level 3	Funds at NAV (a)	Total
December 31, 2025					
Mutual funds	$ 3,511,211	$ -	$ -	$ -	$ 3,511,211
Collective funds at NAV	$ -	$ -	$ -	$ 9,376	$ 9,376
Total assets at fair value	$ 3,511,211	$ -	$ -	$ 9,376	$ 3,520,587
December 31, 2024					
Mutual funds	$ 2,991,035	$ -	$ -	$ -	$ 2,991,035
Collective funds at NAV	$ -	$ -	$ -	$ 24,114	$ 24,114
Total assets at fair value	$ 2,991,035	$ -	$ -	$ 24,114	$ 3,015,149

(a) Certain investments that are measured at fair value using the net asset value per share practical expedient have not been classified in the fair value hierarchy. The net asset value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The fair value of mutual funds is based on quoted NAV of the shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily NAV and transact at that price.

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024, are reported in net appreciation or depreciation in fair value of investments.

(Continuation of the notes on the next page.)

NOTE E – DISCLOSURES ABOUT FAIR VALUE OF PLAN ASSETS AND LIABILITIES, continued

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2025 and 2024. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections, and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and 2024, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE G – TAX STATUS

The Plan operates under a non-standardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Automated Data Processing. This prototype plan document has been filed with the appropriate agency. The Internal Revenue Service has determined and informed the Company by a letter dated October 20, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator

(Continuation of the notes on the next page.)

NOTE G – TAX STATUS, continued

believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded as of December 31, 2025 and 2024, there are not any uncertain tax positions taken or expected to be taken requiring recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of categorizations of amounts per the financial statements to Schedule H of Form 5500 for 2025 and 2024.
