INDEPENDENT AUDITORS' REPORT

Board of Directors, Plan Trustee, and
Plan Administrator
TMAG 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the TMAG 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from ADP Retirement Trust Services, LLC, a qualified institution, as of December 31, 2025, and for the year ended December 31, 2025, and from Reliance Trust Company, a qualified institution, as of December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITORS' REPORT, CONTINUED

Auditors' Responsibilities for the Audit of the Financial Statements, Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

(1) DESCRIPTION OF THE PLAN

The following description of the TMAG 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. ADP Retirement Trust Services, LLC is the trustee of the Plan.

General

The Plan is a defined contribution and profit sharing plan. The Plan is designed to comply with Section 401(a) and the regulations thereunder of the Internal Revenue Code of 1986 (the "Code") and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers all full-time employees of TMAG Holdings, LLC (the "Company"). Employees are eligible to become a participant when they have reached age 18 and have completed 6 months of consecutive service, as defined in the plan agreement.

Contributions/Investment Options

Participants may contribute up to 70% of their eligible compensation, as defined by the Plan, not to exceed the maximum amounts established by federal law. The Company may make a discretionary matching contribution to the Plan. In 2025, the Company made matching contributions equal to 50% of the first 4% of a participant's contributions. The Company may make a discretionary non-elective contribution based on each participant's eligible compensation, as defined by the Plan. Participants may direct their contributions and employer contributions to selected investments as made available and determined by the plan sponsor. The Plan currently offers a stable value fund (common/collective trust) and various registered investment company investment options. Participants may change their investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's 401(k) contributions, the Company's contributions, and the allocation of (1) plan earnings and (2) plan expenses. Allocations are based on participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary contributions and the Company's discretionary non-elective contributions plus actual earnings thereon. Vesting in the remainder of their account is based on the following schedule:

Plan Years of Credited Service	Percent of Account Vested
1	25%
2	50%
3	75%
4	100%

See Independent Auditors' Report.

(1) DESCRIPTION OF THE PLAN, CONTINUED

Notes Receivable from Participants

Participants may borrow a minimum of $500, up to a maximum equal to the lesser of $50,000 or 50% of their vested balance. The loans are secured by the balance in the participant's account and bear interest at Prime plus 1.00% (ranging from 7.75% to 9.50% at December 31, 2025, and 4.25% to 9.50% at December 31, 2024). Loan terms range over a period not exceeding 5 years, except for loans to purchase a principal residence, which can exceed 5 years. Principal and interest are paid ratable through payroll deductions. Upon termination, retirement, or death, the participant or beneficiary has the option to pay off the outstanding loan balance. If the participant or beneficiary elects not to pay off the loan, the outstanding loan balance is converted to a distribution. A participant may have only one loan outstanding at a time.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant (or beneficiary, as applicable) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or a rollover into another qualified retirement plan.

As of December 31, 2025 and 2024, there were no unpaid vested benefits to participants who had requested withdrawal of his/her account.

Hardship distributions may be made to participants under certain conditions.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Forfeitures

The Company's contributions and earnings thereon which become forfeited as a result of any benefit payment or withdrawal provisions may be used to reduce the Company's contributions or to pay plan expenses. During 2025, the Plan used $9,321 of forfeitures to reduce the Company's contributions. In 2025, the Plan did not use forfeitures to pay plan expenses. At December 31, 2025 and 2024, there was $10,199 and $7,889, respectively, of nonvested forfeited amounts.

Administration of Plan Assets

The Plan's trustee invests the contributions received, as well as interest and dividend income, and makes distributions to participants.

Operating Expenses

Some of the expenses of maintaining the Plan may be paid by the Company. Fees are assessed on participant-directed transactions within the Plan and are charged directly to the participant's account.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan agreement.

Investments

Investments in registered investment companies are carried at fair value, determined using year-end quoted market prices in active markets. Investments in the common/collective trust are recorded at fair value using net asset value (NAV) as a practical expedient.

Income Recognition

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of investments are recorded on a trade-date basis. Net appreciation (depreciation) in investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Distributions to Participants

Distributions are recorded when paid.

Risks and Uncertainties

Plan participants may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

Date of Management's Review of Subsequent Events

Management has evaluated subsequent events through September 28, 2026, the date which the financial statements were available to be issued.

See Independent Auditors' Report.

(3) FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. In estimating fair value, the Plan utilizes valuation techniques that are consistent with the market approach, the income approach, and/or the cost approach. Such valuation techniques are consistently applied. Inputs to valuation techniques include the assumptions that market participants would use in pricing an asset or liability. Fair values may not represent actual values of assets and liabilities that could have been realized on the measurement date or that will be realized in the future. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value amounts.

Accounting Standards Codification Topic 820, "Fair Value Measurement," establishes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

- Level 1 inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset and liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 inputs consist of unobservable inputs which are used when observable inputs are unavailable and reflect an entity's own assumptions about the assumptions that market participants would use in pricing the assets or liabilities.

The Plan uses appropriate valuation methods based on the available inputs to measure the fair value of its assets and liabilities.

The following is a description of the valuation methodologies used for assets at fair value on a recurring basis and recognized in the accompanying statements of net assets available for plan benefits, as well as the general classification of such assets pursuant to the valuation hierarchy.

Registered Investment Companies

The fair values of registered investment companies are based on year-end quoted prices in active markets.

Common/Collective Trust

The fair value of the common/collective trust is based on the NAV per unit as a practical expedient. The NAV is based upon the value of the underlying assets owned by the account, minus its liabilities, and then divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

(3) FAIR VALUE MEASUREMENTS, CONTINUED

The fair values of financial instruments measured on a recurring basis at December 31 were as follows:

		Fair Value Measurements at Reporting Date Using		
	Assets Measured at Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2025				
Investments included in fair value hierarchy:				
Registered investment companies	$ 4,680,665	4,680,665	-	-
Investments excluded from fair value hierarchy:*				
Common/collective trust	20,388			
Total investments at fair value	$ 4,701,053			
2024				
Investments included in fair value hierarchy:				
Registered investment companies	$ 3,716,738	3,716,738	-	-
Investments excluded from fair value hierarchy:*				
Common/collective trust	10,941			
Total investments at fair value	$ 3,727,679			

*In accordance with *Accounting Standards Codification* Topic 820, "Fair Value Measurement," certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for plan benefits.

(3) FAIR VALUE MEASUREMENTS, CONTINUED

The following table sets forth additional disclosures of the Plan's investments for which the fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024. The redemption notice period for the common/collective trust is applicable only in the event the Plan completely terminates the investment fund. The notice period is not applicable to plan participants.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
2025				
Common/collective trust	$ 20,388	-	Daily	None
2024				
Common/collective trust	$ 10,941	-	Daily	None

(4) INFORMATION CERTIFIED BY PLAN TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as certified by the trustee.

- Investments as shown in the statements of net assets available for plan benefits as of December 31, 2025 and 2024.
- Investment activity (appreciation in fair value of investments and interest and dividends) as shown in the statement of changes in net assets available for plan benefits for the year ended December 31, 2025.
- Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2025, as shown on the supplemental schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(5) TAX STATUS

The Plan is a pre-approved plan offered through the Plan's third-party administrator. The IRS has determined and informed the Plan's third-party administrator by a letter dated October 6, 2020, that the pre-approved plan is designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan and related trust are designed and are currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

(6) PROHIBITED TRANSACTIONS

During the year ended December 31, 2025, the Company did not timely remit participant contributions and loan repayments totaling $100,579. These untimely submissions constitute prohibited transactions as defined by ERISA. The Company remitted the late contributions to the trustee during 2025.
