As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, we instructed you not to perform any auditing procedures with respect to information prepared and certified to you by the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, were audited by you in accordance with auditing standards generally accepted in the United States of America and were subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information was appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. 30. The Plan is qualified under the appropriate section of the Internal Revenue Code (Code), and we intend to continue it as a qualified plan. The Plan sponsor operated the Plan in a manner that did not jeopardize this tax status. To the extent that required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, resulted in any excess deferrals or contributions, they were disposed of in accordance with regulations.

31. The Plan complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.

32. The Plan complied with the fidelity bonding requirements of ERISA.

33. We apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

34. We obtained appropriate fee disclosures from covered service providers and concluded the fees were reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

35. We believe the form and content of the supplemental schedule were fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

36. We obtained the System and Organization Controls (SOC1) report from our service organizations ADP Retirement Services, Inc., and Dayforce. We reviewed such SOC1 reports, including the complementary user controls. We implemented the relevant user controls, and they were in operation for the year ended December 31, 2025.

Very truly yours,

T. Harvey CFO
