Report of Independent Auditors

Plan Administrator
WeylChem US, Inc. 401(k) Plan

Scope and Nature of the Employee Retirement Income Security Act of 1974 ("ERISA") Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of WeylChem US, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to ERISA, as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2025 (in liquidation) and 2024 (ongoing), and the related statement of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

Opinion (continued)

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Terminating Plan and Liquidation Basis of Accounting

As further discussed in Note 1 to the accompanying financial statements, the Plan sponsor announced the closure of its operations and the planned termination of the Plan on May 20, 2025, at which time management determined liquidation was imminent. As a result, the Plan changed its basis of accounting from the going-concern basis of accounting to the liquidation basis in 2025. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance auditing standards generally accepted in the United States, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Auditors' Responsibilities for the Audits of the Financial Statements (continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the table of contents, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2025 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2025 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2025 financial statements or to the 2025 financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Administrator
WeylChem US, Inc. 401(k) Plan

Other Matter - Supplemental Schedule Required by ERISA (continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WeylChem US, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2025 and 2024

1. Description of Plan

The following description of the WeylChem US, Inc. 401(k) Plan (the "Plan") provides only general information. Participants may refer to the Plan's documents for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which provides retirement benefits to employees of WeylChem US, Inc. (the "Company"). All employees, except those that are leased or interns, are eligible to participate in the Plan and receive matching employer contributions provided they complete one month of service. Eligible employees are automatically enrolled into the Plan if not already participating, at a deferral rate of 3% of pre-tax compensation, unless they affirmatively elect not to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

The Plan allows contributions of up to 90% of a participant's compensation, as defined in the Plan document and subject to contribution limitations specified by law. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified benefit plans.

During the years ended December 31, 2025 and 2024, the Company made matching contributions equal to 100% of up to 1% of participants' eligible compensation (as defined by the Plan document) and 50% of the next 5% of participants' eligible compensation. Participants are eligible to receive matching contributions immediately upon entering the Plan. The Company also has the option to make discretionary profit sharing contributions, which are allocated to eligible individual participants' accounts based on the ratio that their compensation bears to the total compensation of all participants eligible for a share of the contribution. The Company made no profit sharing contributions for the years ended December 31, 2025 and 2024.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of employer contributions, plan earnings or losses, and charged with an allocation of any administrative expenses paid by the Plan. Participants direct their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds as investment options for participants. Earnings or losses are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of Plan (continued)

Vesting

Participants are immediately 100% vested in their elective deferral contributions, plus actual earnings thereon. Vesting in employer matching contributions and discretionary profit sharing contributions is based on years of continuous service. Participants become vested in employer contributions on a five-year graded vesting schedule, beginning with 25% after two years with an additional 25% in each subsequent year.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum amount equal to the lesser of 50% of the participant's vested account balance or $50,000. Notes receivable are collateralized by the balance in the participant's account and bear interest at the prime rate (determined at the time of issuance of each note) plus 1% in accordance with the Plan document. Interest rates on notes receivable ranged from 4.25% to 9.50% as of December 31, 2025. Principal and interest are paid ratably through payroll deductions. Participants are limited to two outstanding loans at any given time.

Payment of Benefits

Upon retirement, death, attainment of age 59½, or termination, participants or their beneficiaries may elect to receive their vested portion of Plan assets in a single distribution or other distribution methods as allowed under the Plan. Upon termination of employment for reasons other than retirement, disability, or death, the participant's vested interest in the Plan will be paid to the participant as soon as administratively feasible upon participant request of a distribution. Also subject to certain conditions, a participant may receive hardship withdrawals from his or her balance in the Plan while employed. Participants automatically begin receiving distributions on April 1st of the calendar year following the year in which they have attained 73 years of age.

Forfeitures

In accordance with the Plan document, available forfeitures may be used to offset Plan administrative expenses and employer contributions. Any remaining forfeited amounts are then reallocated back to active participants. Forfeitures of approximately $46,000 and $42,000 were used to reduce employer contributions for the years ended December 31, 2025 and 2024, respectively. At December 31, 2025 and 2024, unallocated forfeited accounts totaled approximately $5,000.

1. Description of Plan (continued)

Plan Termination

On May 20, 2025, the Company announced the closure of its operations and the planned termination of the Plan. As a result, the Plan changed its basis of accounting from the going-concern basis of accounting to the liquidation basis in 2025. On July 31, 2026, the Company began the process of terminating the Plan, at which time contributions discontinued and participants became 100% vested in their accounts. The Company is in the process of completing the administrative tasks associated with the 2026 short plan year and the Plan's termination.

Administrative Expenses

Expenses of maintaining the Plan are paid by the Plan or by the Company. Expenses paid by the Company are excluded from the accompanying financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in administrative expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States ("US GAAP"). In accordance with US GAAP, the Plan changed its basis of accounting from the going concern basis of accounting used in presenting the 2024 financial statements to the liquidation basis of accounting used in preparing the 2025 financial statements.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and reported changes in net assets during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued, but unpaid interest. If a participant does not make repayments and the Plan administrator considers the participant note receivable to be in default, the note receivable balance will become immediately due and payable, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan's investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values in investment securities will occur in the near term and that these changes could materially affect the amounts reported in the accompanying 2025 statement of net assets available for plan benefits.

Payment of Benefits

Benefit payments are recorded when paid.

3. Certified Investments

Information disclosed in the accompanying financial statements as of and for the years ended December 31, 2025 and 2024, related to investments, notes receivable from participants, net appreciation in fair value of investments, and interest and dividends, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Reliance Trust Company (the "Trustee" of the Plan).

4. Fair Value Measurements

US GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs to the valuation methodology are unobservable. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. All of the Plan's investments are considered Level 1 investments.

4. Fair Value Measurements (continued)

The methods used to measure fair values may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair values of certain financial instruments could result in a different fair value at the reporting date.

5. Party-in-Interest Transactions

The Plan holds investments in mutual funds that are managed by the Trustee. The Company also has participant notes receivable. Fees paid by the Plan for custodial, recordkeeping, and investment advisory services amounted to approximately $83,000 and $86,000 for the years ended December 31, 2025 and 2024, respectively. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules as defined by ERISA.

6. Form 5500 Reconciliation

The following is a reconciliation of net assets available for Plan benefits and net change in net assets available for Plan benefits per the accompanying financial statements to Form 5500:

	Net Assets Available for Plan Benefits		Net Change in Net Assets Available for Plan Benefits
	2025	2024	2025
Per the accompanying financial statements	$ 10,549,101	$ 10,745,509	$ (196,408)
Contributions receivable	(27,465)	(36,942)	9,477
Per the Form 5500	$ 10,521,636	$ 10,708,567	$ (186,931)

7. Income Tax Status

The pre-approved plan document used by the Plan obtained its latest determination letter dated October 6, 2020 in which the Internal Revenue Service ("IRS) stated that the prototype plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan document has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt. No provision for income taxes has been included in the Plan's financial statements.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. No such liabilities were identified at December 31, 2025 and 2024. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any open tax periods.

During 2025, an operational error was discovered related to an eligible participant that was not automatically enrolled into the Plan within the timeframe defined in the Plan documents, resulting in incorrect employee contributions and lost earnings to the Plan. As of the date the financial statements were available to be issued, management has not determined the full extent and correction of this error. Management has estimated the impact to the Plan's 2025 financial statements and does not believe the impact is material. It is uncertain what effect this operational error may have on the Plan's tax-exempt status, but the Plan administrator believes the Plan error will be fully corrected and will have no impact on the Plan's tax-exempt status.

8. Subsequent Events

Management evaluated events and transactions after December 31, 2025 through September 24, 2026, the date the financial statements were available to be issued, for subsequent events.

Effective February 27, 2026, the Plan determined that a partial plan termination occurred which resulted in the impacted participants becoming fully vested in the Plan.

As discussed in Note 1, on July 31 ,2026, all contributions to the Plan were discontinued and participants became 100% vested in their accounts.

There were no other subsequent events to report.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**			
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	**4b**			
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	**4c**			
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	**4d**			
e Was this plan covered by a fidelity bond?	**4e**			
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	**4f**			
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4g**			
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4h**			
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	**4i**			
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	**4j**			
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	**4k**			
l Has the plan failed to provide any benefit when due under the plan?	**4l**			
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	**4m**			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3	**4n**			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No

If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)
