INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
NTC Marketing, Inc. 401(k) Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of NTC Marketing, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of NTC Marketing, Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all

material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NTC Marketing, Inc. 401 (k) Profit Sharing Plan and Trust and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NTC Marketing, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one

resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NTC Marketing, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about NTC Marketing, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter–Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year), as of the year ended December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

1. DESCRIPTION OF PLAN

The following description of the NTC Marketing, Inc. 401(k) Profit Sharing Plan and Trust provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

This Plan covers all employees included in the controlled group with NTC Marketing, Inc. The adopting employers that are participating with NTC Marketing, Inc. as members of the controlled group under this single plan include Summit Services Unlimited, Inc. and Specialized Merchandising Services, Inc. (collectively, the "Company").

General

The Plan is a defined contribution plan covering all employees of the Company who are age twenty-one or older and have completed one year of service consisting of at least 1,000 service hours. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator oversees the governance of the Plan, determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the plan sponsors.

Contributions

Each year participants may contribute up to 92% of compensation as defined in the Plan, subject to the defined contribution limitation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. As of July 2023, the Company updated their matching contribution and offers a matching contribution of 50% of participant's elective deferrals up to 6% of a participant's compensation. Previously, the Company offered a matching contribution of 25% of the participant's elective deferrals, up to 4% of a participant's compensation. The matching Company contribution is invested as directed by the participant. The Company also has the option to make a profit sharing contribution for employees that are employed as of the last day of the year. The Company did not make a profit sharing contribution during the year ended December 31, 2025.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contributions, (b) any discretionary profit sharing contribution made by the Company, (c) plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant contributions, participant earnings, or account balances, as defined. The benefit to

which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in any Company matching or discretionary profit sharing portion of their account is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants are able to borrow a minimum of $1,000 up to the lesser of, (1) a maximum of 50% of their vested account balance reduced by any outstanding loan balance or, (2) $50,000, reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan was made. Participants are allowed to have two outstanding loans at a time. The loans are secured by the balance in the participant's account and bear interest at prime rates plus 1%. Principal and interest are amortized over the term of the loan, and payments are made through payroll deductions. The maximum term allowed is five years.

Payment of Benefits

On termination of service due to death, disability or retirement, or due to other reasons, a participant, or the participants' legal representative, may elect to receive either a lump-sum amount equal to the value of the participant's interest in his or her account or partial withdrawals from the account, subject to account balance requirements. In addition, the plan allows for in-service distributions if a participant is still working and reaches the age of 59 ½, and the plan allows for hardship distributions.

Forfeited Accounts

Forfeited non-vested accounts totaled $1,480 and $524 as of the years ended December 31, 2025 and 2024, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value.

Notes Receivable From Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of mutual funds and the collective investment trust are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses of maintaining the Plan may be paid out of the Plan or paid directly by the Company. Additionally, the Plan may impose certain charges against individual participant accounts. Such fees or expenses will generally be allocated to the accounts of participants either proportionally based on the value of account balances or as an equal dollar amount based on the number of participants in the plan. Participant distribution fees or loan origination/maintenance fees are allocated and charged directly to the specific participant/borrower's account. Fees of $36,162 were allocated to participants for administrative during the year ended December 31, 2025.

3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Collective Investment Trust: The Plan participates in the Reliance Trust Company Stable Value Fund Collective Investment Trust. The stable value fund invests in investment contracts issued by insurance companies and other institutions. The fund is valued at the net asset value of shares held by the Plan at year-end, based on market quotations published via investor online reporting available through John Hancock Retirement Plan Services.

Mutual Funds: Valued at the net asset value of shares held by the Plan at year-end, based on observable market quotations.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024.

	Investments at Fair Value as of December 31, 2025

5. RELATED PARTY TRANSACTIONS

The Plan's investments are managed by John Hancock Trust Company, the Directed Trustee and Custodian for the Plan. The Plan invests in a collective investment trust with Reliance Trust Company. John Hancock Retirement Plan Services provides administrative services to the Plan. Robert F. Fahey Jr and Associates provide investment advisory services to the Plan. CCG Investments Inc. provide investment advisory services to the plan. ERISA Fiduciary Services provides trustee services to the Plan. These transactions qualify as party-in-interest transactions. The Company pays certain expenses to maintain the Plan for which they are not reimbursed by the Plan.

6. PLAN TERMINATION

In the event of plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

7. TAX STATUS

The prototype plan utilized for the NTC Marketing, Inc. 401(k) Profit Sharing Plan and Trust is a prototype profit sharing plan provided by John Hancock Retirement Plan Services ("Hancock"). Hancock obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan as then designed was acceptable under the applicable provisions of the Internal Revenue Codes for use by employers for the benefit of their employees. The Plan administrators believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require the plan administrators to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated for possible disclosure and recognition in the financial statements through October 7, 2026, which is the date the financial statements were available to be issued.

No subsequent events were noted by the Company.
